In addition, (1) each stock option issued by the Company, whether vested or unvested, was cancelled immediately prior to the effective time of the Merger and converted into the right to receive the amount, if any, by which the Per Share Price exceeded the option exercise price, without interest thereon and less any applicable withholding for taxes; (2) each stock-based award issued by the Company, other than stock options issued by the Company, that was outstanding prior to the effective time of the Merger and that had either vested or was scheduled to vest before April 1, 2017, was cancelled immediately prior to the effective time of the Merger and converted into the right to receive the Per Share Price multiplied by the number of shares of Company Common Stock underlying such stock-based award; (3) each stock-based award issued by the Company, other than stock options issued by the Company, that was outstanding prior to the effective time of the Merger and scheduled to vest between April 1, 2017 and December 31, 2017, will vest pursuant to its existing vesting schedule and will be entitled to receive the Per Share Price multiplied by the number of shares of Company Common Stock underlying such stock-based award on the applicable vesting date; and (4) each stock-based award issued by the Company, other than stock options issued by the Company, that was outstanding prior to the effective time of the Merger and scheduled to vest on or after January 1, 2018, will automatically vest on January 1, 2018 and will be entitled to receive the Per Share Price multiplied by the number of shares of Company Common Stock underlying such stock-based award at such time.
