Praxair Announces Linde plc Form S-4 Registration Statement Declared Effective by SEC

Danbury, Connecticut (August 14, 2017) Praxair, Inc. (NYSE: PX) today announced that the registration statement on Form S-4 filed with the U.S. Securities and Exchange Commission by Linde plc on June 5, 2017, as amended, was declared effective on August 14, 2017.

The registration statement was filed in connection with the proposed combination of the businesses of Praxair, Inc. and Linde AG under Linde plc as the new holding company of the combined businesses. Linde AG's business will be brought under Linde plc through an exchange offer conducted pursuant to German law, and Praxair Inc.'s business will be brought under Linde plc through a merger transaction in the U.S. conducted pursuant to Delaware law. The registration statement includes a Proxy Statement of Praxair, Inc. and a Prospectus of Linde plc.

Praxair has scheduled a special meeting of shareholders to seek the adoption of the Business Combination Agreement, dated June 1, 2017, as amended, among Praxair, Inc., Linde AG, Linde plc and certain of its subsidiaries, and approval of related matters. The meeting will be held on September 27, 2017 at 10:00 a.m., Eastern Time, at Praxair's headquarters, 10 Riverview Drive in Danbury, Connecticut. The Linde plc exchange offer will commence separately on August 15, 2017.

Praxair's shareholders of record as of the close of business on August 8, 2017 are entitled to notice of and vote at the meeting. Distribution of the Proxy Statement/Prospectus to shareholders will begin in the coming days. The Proxy

Statement/Prospectus contains important information about the proposed transaction, the Business Combination Agreement and the other proposals to be considered at the special meeting.

If approved by Praxair's shareholders, the merger transaction will become effective upon the satisfaction of all other closing conditions to Linde plc's exchange offer for Linde AG shares, including the minimum 75% exchange threshold and the receipt of all regulatory approvals. This is expected to occur in the second half of 2018.

Praxair's Board of Directors unanimously recommends that Praxair's shareholders vote FOR adoption of the Business Combination Agreement and related transactions and approval of the other voting matters included in the Proxy Statement/Prospectus.

Forward-looking Statements

This communication includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are based on our beliefs and assumptions on the basis of factors currently known to us. These forward-looking statements are identified by terms and phrases such as: anticipate, believe, intend, estimate, expect, continue, should, could, may, plan, project, predict, will, potential, forecast, and similar expressions. These forward-looking statements include, but are not limited to, statements regarding benefits of the proposed business combination, integration plans and expected synergies, and anticipated future growth, financial and operating performance and results. Forward-looking statements involve risks and uncertainties that may cause actual results to be materially different from the results predicted or expected. No assurance can be given that these forward-looking statements will prove accurate and correct, or that projected or anticipated future results will be achieved. Factors that could cause actual results to differ materially from those indicated in any forward-looking statement include, but are not limited to: the expected timing and likelihood of the completion of the contemplated business combination, including the timing, receipt and terms and conditions of any required governmental and regulatory approvals of the contemplated business combination that could reduce anticipated benefits or cause the parties to abandon the transaction; the occurrence of any event, change or other circumstances that could give rise to the termination of the business combination agreement; the ability to successfully complete the proposed business combination and the exchange offer; regulatory or other limitations imposed as a result of the proposed business combination; the success of the business following the proposed business combination; the ability to successfully integrate the Praxair and Linde businesses; the possibility that Praxair stockholders may not approve the business combination agreement or that the requisite number of Linde shares may not be tendered in the public offer; the risk that the parties may not be able to satisfy the conditions to closing of the proposed business combination in a timely manner or at all; risks related to disruption of management time from ongoing business operations due to the proposed business combination; the risk that the announcement or consummation of the proposed business combination could have adverse effects on the market price of Linde's or Praxair's common stock or the ability of Linde and Praxair to retain customers, retain or hire key personnel, maintain relationships with their respective suppliers and customers, and on their operating results and businesses generally; the risk that Linde plc may be unable to achieve expected synergies or that it may take longer or be more costly than expected to achieve those synergies; state, provincial, federal and foreign legislative and regulatory initiatives that affect cost and investment recovery, have an effect on rate structure, and affect the speed at and degree to which competition enters the industrial gas, engineering and healthcare industries; outcomes of litigation and regulatory investigations, proceedings or inquiries; the timing and extent of changes in commodity prices, interest rates and foreign currency exchange rates; general economic conditions, including the risk of a prolonged economic slowdown or decline, or the risk of delay in a recovery, which can affect the long-term demand for industrial gas, engineering and healthcare and related services; potential effects arising from terrorist attacks and any consequential or other hostilities; changes in environmental, safety and other laws and regulations; the development of alternative energy resources; results and costs of financing efforts, including the ability to obtain financing on favorable terms, which can be affected by various factors, including credit ratings and general market and economic conditions; increases in the cost of goods and services required to complete capital projects; the effects of accounting pronouncements issued periodically by accounting standard-setting bodies; conditions of the debt and capital markets; market acceptance of and continued demand for Linde's and Praxair's products and services; changes in tax laws, regulations or interpretations that could increase Praxair's, Linde's or Linde plc's consolidated tax liabilities; and such other factors as are set forth in Linde's annual and interim financial reports made publicly available and Praxair's and Linde plc's public filings made with the SEC from time to time, including but not limited to those described under the headings "Risk Factors" and "Forward-Looking Statements" in Praxair's Form 10-K for the fiscal year ended December 31, 2016, which are available via the SEC's Web site at www.sec.gov. The foregoing list of risk factors is not exhaustive. These risks, as well as other risks associated

with the contemplated business combination, are more fully discussed in the proxy statement/prospectus and the offering prospectus included in the Registration Statement on Form S-4 filed with the SEC and in the offering document and/or any prospectuses or supplements to be filed with BaFin in connection with the contemplated business combination. In light of these risks, uncertainties and assumptions, the events described in the forward-looking statements might not occur or might occur to a different extent or at a different time than Linde, Praxair or Linde plc has described. All such factors are difficult to predict and beyond our control. All forward-looking statements included in this document are based upon information available to Linde, Praxair and Linde plc on the date hereof, and each of Linde, Praxair and Linde plc disclaims and does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
