EXTRAORDINARY GENERAL MEETING

NOTICE TO THE SHAREHOLDERS

ITEM I

MERGER OF REFINARIA ABREU E LIMA S.A (“RNEST”) INTO PETROBRAS

Dear Shareholders,

The Board of Directors of Petróleo Brasileiro S.A. – Petrobras (“Company”) hereby presents, in relation to the merger of REFINARIA ABREU E LIMA S.A (“RNEST”) into PETROBRAS, as provided for in the Agenda of the Extraordinary General Meeting to be held at **Dec 16, 2013**, the following information to the Shareholders:

RNEST is a non-public corporation, wholly owned subsidiary of PETROBRAS, governed pursuant to the corporate law, any applicable law and its bylaws, and therefore an integral part of the current ownership structure of the Petrobras System.

The merger of RNEST into PETROBRAS is inserted in the scenario of reorganization and optimization of the Company’s portfolio of investments, in order to allow greater flexibility for new investments and greater efficiency in the execution of its strategic decisions. RNEST was established, among other things, to facilitate partnerships with potential investors interested in the refining activity in Brazil. Negotiations with stakeholders within the terms established by Petrobras, were unsuccessful.

The continuance of various administrative structures leads to increased operating costs, and also implies in the loss of relevant synergies in conducting the affairs of the Company's interest.

Taking into account the purpose to streamline costs by simplifying the corporate structure of PETROBRAS, we intend, by means of consolidation of assets currently allocated in RNEST, to integrate refining assets and other business of PETROBRAS System within the integrated growth strategy by 2020.

Given that the Company holds 100% (one hundred percent) of the shares representing the capital of RNEST, there will be no change in the capital stock of Petrobras, provided that its financial statements already consolidate the accounting records of the company to be merged.

Accordingly, the merger aims to transfer all the assets, rights and obligations of RNEST to the Company and is part of a reorganization process that has the purpose of simplifying the corporate structure, reduce cost and provide a more efficient management of the assets.

Thus, the Board of Directors submits to the high consideration and resolution of this Extraordinary Shareholders' Meeting, with the assent of the Fiscal Council, the proposal of merging RNEST into PETROBRAS, pursuant to the Merger Protocol and Justification signed between the Company and RNEST, the company's Appraisal Report and the remaining provisions contained in the Agenda as provided for in the Notice of Meeting.

(iii) PETROBRAS is the holder of all issue shares of RNEST, representing 100% of the voting capital and 100% of the total capital stock of RNEST, and, therefore, RNEST is a full subsidiary of PETROBRAS;

(iv) The PARTIES wish to do a transaction of merger, by which PETROBRAS will absorb RNEST, resulting in the latter's automatic dissolution, the rights and obligations of which will be fully transferred to PETROBRAS, pursuant to Article 227 of Law No. 6.404, of December 15th, 1976 ("Law No. 6.404/76");

(v) The transaction of merger of RNEST into PETROBRAS will cause Petrobras' corporate and operating structure to be simplified upon such merger, into PETROBRAS, of the assets owned by RNEST, thus reducing the management costs and optimizing the activities of PETROBRAS;

(vi) The merger of RNEST will not cause the capital stock PETROBRAS to be increased, nor will it affect its result or have any impact on the investors, since RNEST is a full subsidiary of PETROBRAS;

(vii) The merger does not affect the quotation of securities of PETROBRAS, nor will it affect the decision of investors to purchase, sell or keep such securities or exercise any rights inherent to the capacity of holder of securities issued by PETROBRAS;

(viii) According to the Business and Management Plan of PETROBRAS for the period from 2013 to 2017 ("Business Plan"), this transaction promotes (a) the reallocation of investment funds; (b) the advance integration between the activities of RNEST and the other businesses of PETROBRAS System, under the integrated growth strategy until 2020; (c) the continuity of the reorganization and optimization of the refining portfolio of PETROBRAS, initiated by the purchase of shares of REPSOL YPF Peru B.V, on 12.14.2010.

Notwithstanding several negotiations with Petr oleos da Venezuela S.A. – PDVSA, according to the assumptions considered, the negotiations were not successful.

(x) In this scenario, the merger of RNEST into PETROBRAS allows greater flexibility for new investments and efficiency in implementing the strategic decisions of PETROBRAS, thus benefiting the social interests and the shareholders of PETROBRAS; and

(xi) The transaction of merger of RNEST into PETROBRAS will be submitted for approval by the shareholders of PETROBRAS and RNEST.

The PARTIES DECIDE, in witness whereof, to enter into this Protocol and Justification of Merger (“Protocol and Justification”), pursuant to Articles 224, 225 and 227 of Law No. 6.404/76, and in compliance with Instruction No. 319 issued by the Brazilian Securities and Exchange Commission (CVM), of December 3rd, 1999 (“ICVM 319/99”), as follows:

CLAUSE ONE – BASIS OF THE PROPOSED TRANSACTION AND JUSTIFICATION

1.1. Proposed Transaction. The transaction consists of the merger of RNEST into PETROBRAS, upon full transfer of the equity of RNEST, appraised at book value, to PETROBRAS (“Transaction” or “Merger”).

1.1.1. As a result of the transaction, RNEST will be automatically dissolved, for all legal purposes and effects, and all of its rights and obligations will be transferred to PETROBRAS pursuant to Article 227 of Law No. 6.404/76.

1.2. The equity of RNEST, for purposes of the recording in PETROBRAS, was appraised at book value by the specialized company PRICEWATERHOUSECOOPERS AUDITORES INDEPENDENTES (“PWC”) indicated in item 2.1, on the base date of the merger set forth in item 2.2, both of this Protocol and Justification, according to the criteria provided for in Law No. 6.404/76 and those established in ICVM 319/09, for the preparation of the financial statements.

1.3. The balance of the credits and debts of RNEST shall be recorded in the accounting books of PETROBRAS, with the necessary adjustments.

1.4. The assets, rights and obligations of RNEST composing the owner’s equity to be transferred to PETROBRAS are those described in detail in the Appraisal Report, provided in Clause Two.

1.5. The management of PETROBRAS is in charge of taking any measures required to implement the Merger, bearing all costs and expenses arising from such implementation.

1.6. Justification of the Transaction. The transaction will cause the corporate structure of PETROBRAS to be simplified upon the merger, into PETROBRAS, of the assets owned by RNEST, so as to integrate its refining assets and other businesses of PETROBRAS System, under the integrated growth strategy until 2020. Furthermore, this transaction results in the reduction of management costs, optimization of the activities of PETROBRAS and simplification in the reallocation of investment funds of the Business Plan.

1.7. Since PETROBRAS is the holder of one hundred percent (100%) of shares of the capital stock of RNEST, the proposed merger will not cause the capital stock of PETROBRAS to be reduced, to the extent that the financial statements of PETROBRAS consolidate the recording of RNEST.

CLAUSE TWO – APPRAISAL OF THE EQUITY OF RNEST AND BASE DATE OF THE APPRAISAL

2.1. The indication and appointment of the specialized company PRICEWATERHOUSECOOPERS AUDITORES INDEPENDENTES (“PWC”) with registered office at Rua da Candelária, nº 65 – 11º, 14º, 15º, 16º andares e conjuntos 1302, 1303 e 1304, in the City and State of Rio de Janeiro, CNPJ No. 61.562.112/0002-01, as the company responsible for preparing the appraisal report of the equity at book value of RNEST to be transferred to PETROBRAS (“Appraisal Report”), will be ratified upon resolution at the Special Meeting of Shareholders of PETROBRAS, pursuant to Article 227, of Law No. 6.404/76.

2.2. PWC is a company specializing in appraisals. Upon request by the management of the PARTIES, PWC (i) appraised the owner’s equity of RNEST at book value, based on the elements of the analytical trial balance of RNEST closed on 03/31/2013 (“Base Date of the Merger”) and the pro forma balance sheet of RNEST, taking into account the subsequent events to the base date of the appraisal, thus composing the owner’s equity to be transferred to PETROBRAS, and (ii) prepared the Appraisal Report as Annex I to this Protocol and Merger, to be submitted for approval by the shareholders of PETROBRAS, as provided by law.

CLAUSE THREE – GLOBAL AMOUNT OF THE OWNER’S EQUITY TO BE ABSORBED

3.1. According to the Appraisal Report, the owner’s equity of RNEST to be transferred to PETROBRAS is R\$ 10,680,173,161.91 (ten billion, six hundred and eighty million, one hundred seventy-three thousand, one hundred sixty-one reais and ninety-one cents), under Clause Four below.

3.2. The replacement of investments of PETROBRAS in RNEST with assets and liabilities contained in the pro forma balance sheet of RNEST will not cause the value of the owner’s equity of PETROBRAS to be modified.

3.3. All advance payments for any further increase of capital made by PETROBRAS in RNEST will be duly capitalized until the Meeting of Shareholders of RNEST is held, at which the transaction of merger will be resolved.

CLAUSE FOUR – TREATMENT OF THE CHANGE IN EQUITY UP TO THE DATE OF MERGER

4.1. Changes in equity appraised in the period from the base date of the merger to the actual merger will remain recorded in the books of RNEST and will be absorbed by PETROBRAS and transferred to the books of PETROBRAS, not causing the values adopted in this Protocol and Merger to be modified due to the merger.

CLAUSE FIVE – DISSOLUTION OF THE SHARES OF RNEST

5.1. Since the company to be absorbed is a full subsidiary, the Merger will not result in cancellation or issuance of new shares of PETROBRAS, nor will it change the value of its capital stock, thus, at the end of the merger, the capital stock of PETROBRAS will remain in the amount of R\$ 205,410,905,230.50 (two hundred and five billion, four hundred and ten million), divided into 13,044,496,930 (thirteen billion, forty-four million, four hundred ninety-six thousand, nine hundred thirty) shares without par value, 7.442.454.142 (seven billion, four hundred forty-two million, four hundred and fifty-four thousand, one hundred forty-two) of which are common shares and 5.602.042.788 (five billion, six hundred and two million, forty-two thousand, seven hundred eighty-eight) are preferred shares. Consequently, the Articles of Incorporation of PETROBRAS will not be amended.

5.2. As a result of the merger, all issue shares of RNEST will be dissolved, pursuant to article 226, §1 of Law No. 6.404/76.

5.3. RNEST will be automatically dissolved, as provided by law, its legal existence being terminated upon the registration of the instrument of the merger with the Board of Trade and other agencies of competent jurisdiction, and all of its rights and obligations will be transferred to PETROBRAS.

CLAUSE SIX – NOTIFICATION TO THE BOARDS OF DIRECTORS AND AUDIT COMMITTEES AND APPROVAL AT THE MEETING OF THE COMPANY OF SHAREHOLDERS OF PETROBRAS AND RNEST

6.1. Boards of Directors and Audit Committees. Pursuant to article 163, item III, of Law No. 6.404/76, the Audit Committees of PETROBRAS and RNEST must give an opinion on the Transaction, and the Boards of Directors of PETROBRAS and RNEST must also be notified of the transaction and call Special Meetings at which such transaction will be resolved.

6.2. Special Meetings of Shareholders. For the transaction to be implemented, Special Meetings of shareholders of PETROBRAS and RNEST will be called, observing the periods and other procedures provided by law.

CLAUSE SEVEN – MISCELLANEOUS

7.1. Whereas RNEST is a full subsidiary of PETROBRAS, the following provisions will not apply (i) exchange relationship; (ii) reimbursement to shareholders of RNEST; and (iii) obligation to prepare the appraisal report of RNEST at fair values (article 264 of Law No. 6.404/76), as authorized by the Brazilian Securities and Exchange Commission.

7.2. Documentation available to Shareholders. Pursuant to article 3º of ICVM 319/99, all documents mentioned in this Protocol and Justification will be made available to the shareholders of PETROBRAS as of this date and may be consulted at the registered office and on the website of PETROBRAS (www.petrobras.com), the Brazilian Securities and Exchange Commission – CVM and &FBOVESPA – São Paulo Stock Exchange.

CLAUSE ONE – BASIS OF THE PROPOSED TRANSACTION AND JUSTIFICATION

1.1. Proposed Transaction. The transaction consists of the merger of **CRSec** into **PETROBRAS**, upon full transfer of the equity of **CRSec**, appraised at book value, to **PETROBRAS** (“Transaction” or “Merger”).

1.1.1. As a result of the transaction, **CRSec** will be automatically dissolved, for all legal purposes and effects, and all of its rights and obligations will be transferred to the Surviving Company pursuant to Article 227 of Law No. 6.404/76.

1.2. The equity of **CRSec**, for purposes of the recording in **PETROBRAS**, was appraised at book value by the specialized company Apsis Consultoria e Avaliações Ltda, indicated in item 2.1, on the base date of the merger set forth in item 2.2, both of this Protocol and Justification, according to the criteria provided for in Law No. 6.404/76 and those established in ICVM 319/09, for the preparation of the financial statements.

1.3. The management of **PETROBRAS** is in charge of taking any measures required to implement the Merger, bearing all costs and expenses arising from such implementation.

1.4. Justification of the Transaction: The management of the companies has analyzed the best alternatives for conducting its activities and management policies, taking into account the intention to optimize costs, bearing in mind that maintaining various administrative structures have a high operating cost and may result in loss of relevant operational synergies. In this regard, the merger will result in the simplification and improvement of the governance conditions of the corporate structure of **PETROBRAS** System.

1.4.1. The merger aims to transfer all the assets, rights and obligations of **CRSec** to **PETROBRAS** and is part of a corporate reorganization process whose goal is to simplify the corporate structure, reduce costs and manage the assets involved in a more efficient manner.

1.4.2. Since **PETROBRAS** is the holder of one hundred percent (100%) of shares of the capital stock of **CRSec**, the proposed merger will not cause the capital stock of **PETROBRAS** to be reduced, to the extent that the financial statements of **PETROBRAS** consolidate the recording of **CRSec**.

CLAUSE TWO – APPRAISAL OF THE EQUITY OF RNEST AND BASE DATE OF THE APPRAISAL

2.1. The indication and appointment of the specialized company Apsis Consultoria e Avaliações Ltda (APSIS), registered in the CNPJ under No. 27.281.922/0001-70, with registered office at Rua da Assembleia, nº 35, 12º andar, Centro, Rio de Janeiro – RJ, represented by its Officer Amilcar de Castro, as the company responsible for preparing the appraisal report of the equity at book value of the **Absorbed Company** to be

transferred to PETROBRAS (“Appraisal Report”), will be ratified upon resolution at the Special Meeting of Shareholders of PETROBRAS, pursuant to Article 227, of Law No. 6.404/76.

2.2. APSIS is a company specializing in appraisals. Upon request by the management of the PARTIES, APSIS (i) appraised the owner’s equity of **CRSec** at book value, based on the elements of the balance sheet of **CRSec**, prepared on 08/31/2013 (“Base Date of the Merger”), thus composing the value of the owner’s equity to be transferred to **PETROBRAS**, and (ii) prepared the Appraisal Report as Annex I to this Protocol and Merger, to be submitted for approval by the shareholders of **PETROBRAS**, as provided by law.

CLAUSE THREE – GLOBAL AMOUNT OF THE OWNER’S EQUITY TO BE ABSORBED

3.2. The value of the owner’s equity corresponds exactly to the live investment account held by **PETROBRAS**, since **CRSec** is a full subsidiary of **PETROBRAS**. Thus, the replacement of investments of **PETROBRAS** in **CRSec** with assets and liabilities contained in the Balance Sheet of **CRSec** will not cause the value of the owner’s equity of **PETROBRAS** to be modified.

3.3. The balance of the credits and debts of **CRSec** shall be recorded in the accounting books of **PETROBRAS**, with the necessary adjustments.

3.4. The assets, rights and obligations of **CRSec** composing the owner’s equity to be transferred to **PETROBRAS** are those described in detail in the Appraisal Report.

CLAUSE FOUR – TREATMENT OF THE CHANGE IN EQUITY UP TO THE DATE OF MERGER

4.1. Changes in equity appraised in the period from the base date of the merger to the actual merger will remain recorded in the books of **CRSec** and will be absorbed by **PETROBRAS** and transferred to the books of **PETROBRAS**, not causing the values adopted in this Protocol and Merger to be modified due to the merger.

CLAUSE FIVE – DISSOLUTION OF THE SHARES OF CRSec

5.1. For purposes of the merger proposed in this PJI, the shares held by **PETROBRAS** shall not be allocated to the shareholders of **CRSec**, since **PETROBRAS** is the holder of all issue shares held by the **Absorbed Company**.

5.2. As a result, 43,456,000 (forty-three million four hundred and fifty-six thousand) registered common shares, issued by **CRSec**, shall be dissolved, pursuant to article 226, §1 of Law No. 6.404/76, with the necessary adjustments and adaptations in the recording of **PETROBRAS**.

5.3. The Merger will not result in cancellation or issuance of new shares of **PETROBRAS**, nor will it change the value of its capital stock, thus, at the end of the merger, the capital stock of **PETROBRAS** will remain in the amount of R\$ 205,410,905,230.50 (two hundred and five billion, four hundred and ten million), divided into 13,044,496,930 (thirteen billion, forty-four million, four hundred ninety-six thousand, nine hundred thirty) shares without par value, 7.442.454.142 (seven billion, four hundred forty-two million, four hundred and fifty-four thousand, one hundred forty-two) of which are common shares and 5.602.042.788 (five billion, six hundred and two million, forty-two thousand, seven hundred eighty-eight) are preferred shares. Consequently, the Articles of Incorporation of **PETROBRAS** will not be amended as a result of the merger.

EXTRAORDINARY GENERAL MEETING

NOTICE TO THE SHAREHOLDERS

ITEM III

PARTIAL DEMERGER OF PIFCO WITH TRANSFER OF SPUN OFF PORTION INTO PETROBRAS

Dear Shareholders,

The Board of Directors of Petróleo Brasileiro S.A. – Petrobras (“Company” or “Petrobras”) hereby presents, in relation to the partial demerger of Petrobras International Finance Company S.A. (“PIFCO”) with transfer of spun off portion into Petrobras , as provided for in item ~~ix~~ of the Agenda of the Extraordinary General Meeting to be held on **Dec 16, 2013**, the following information to the Shareholders:

PIFCO is a wholly-owned subsidiary of Petrobras with headquarters located in Luxembourg that has operated for over a decade in the marketing of oil and by-products and as a fundraising tool for Petrobras System abroad.

With the establishment in The Netherlands of Petrobras Global Trading BV (“PGT”) and Petrobras Global Finance B.V. (“PGF”) to operate in the marketing of oil and by-products, as well as in fundraising activities within the capital market, respectively, PIFCO has lost its purpose.

Therefore, its extinction was considered appropriate with the purpose of reducing costs and optimizing the corporate structure of the System focusing on PGF’s role of raising funds in the market and in PGT the marketing of oil and byproducts.

Within this context, the partial demerger of PifCo with transfer of spun off portion into Petrobras aims to transfer to Petrobras all assets and liabilities related to commercial transactions previously performed and loans related to specific projects.

Given that the Company holds 100% (one hundred percent) of the shares representing the capital of PIFCO, the transfer of spun off portion of PIFCO into Petrobras shall not change the capital stock of Petrobras, provided that its financial statements already consolidate the accounting records of PIFCO.

We emphasize that the other assets and liabilities of PIFCO, mainly financial ones, related to funding from capital markets (bonds) and to mutual transactions with companies of Petrobras System, will continue to be held by PIFCO until it is duly incorporated by PGF.

Upon completion of the partial demerger of PIFCO, PIFCO shares held by Petrobras will be sold to PGF and later incorporated into PIFCO, which will be automatically terminated and the funding operations of Petrobras in the market will be concentrated in PGF.

Finally, the partial demerger of PIFCO with transfer of spun off portion into Petrobras is part of a process of simplifying the corporate structure of Petrobras and a cost reduction program, which also includes as future measures, the sale of shares of PIFCO for PGF, the merger of PIFCO into PGF and its subsequent extinction, consolidating PGF as preferred vehicle for raising funds in the market.

Thus, the Board of Directors submits to the high consideration and resolution of this Extraordinary Shareholders' Meeting, with the assent of the Fiscal Council, the proposal of partial demerger OF PIFCO with transfer of spun off portion into Petrobras, pursuant to the Protocol and Justification of Partial Demerger signed between the Company and PIFCO, the company's Appraisal Report and the remaining provisions contained in item 3 of the Agenda as provided for in the Notice of Meeting.

Attached to the Meeting Manual are the documents and information relevant to the exercise of voting rights of the shareholders, including the information required by CVM Instruction No. 481, Annex 21
