On December 27, 2004, Arbitron Inc. (the "Company") entered into new multi-year license agreements with Clear Channel Communications, Inc. ("Clear Channel") to provide radio ratings and software services for Clear Channel's radio stations through the Company's Fall 2008 survey. Clear Channel is the Company's largest radio ratings subscriber and represented approximately 21% of the Company's revenue in 2003. Clear Channel's existing licensing agreements with the Company were scheduled to expire on December 31, 2004.

Under the terms of the new agreements, the Company will provide its Radio Market Report Service, including the Company's Radio Market Report, MaximiSer, Arbitrends, PD Advantage, National Regional Database, Sample Surcharge, Retail Direct and Tapscan Software services, to Clear Channel. These services will be provided under this agreement through December 31, 2008. The annual payment for these services is expected to be approximately \$3.3 million in 2005, based on the number of radio stations currently owned by Clear Channel.

Clear Channel also renewed its existing agreements with the Company for Premiere Radio Networks, including Radar, Nationwide and Radio Market Report, MaximiSer, Arbitrends and PD Advantage services, which were scheduled to expire on December 31, 2005 (or December 31, 2006 in the case of Radar), through December 31, 2008. The annual payment for these services is expected to be approximately \$3.7 million in 2006, based on the number of stations currently owned by Clear Channel.

A copy of the press release announcing the contracts is filed herewith as Exhibit 99.1 and incorporated by reference herein.
