(e) Compensatory Plan Amendment

On October 4, 2007, the Compensation Committee of the Board of Directors of the Company voted to amend Section 16 of the Company's Incentive Compensation and Stock Plan (the "Plan") to include the Committee's ability to claw back certain executive compensation if the Company's financial statements are restated as a result of errors, omissions or fraud. The Seventh Amendment to the Plan states that in the event that the Company's financial statements are restated as a result of errors, omissions or fraud, and to the extent an award exceeds what would otherwise have been awarded based on the restated financial results, the Compensation Committee, in good faith, may cancel any outstanding award granted to the Company's Section 16 officers and if the restatement occurs after the exercise or payment of such award, the Section 16 officer may be required to repay to the Company any gain realized or payment received upon the exercise or payment of such award. The Seventh Amendment to the FMC Technologies Inc. Incentive Compensation and Stock Plan is filed as Exhibit 10.4.o hereto.
