Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 12, 2016, Frederec Green was appointed to serve as the Chief Operating Officer of the Company. Mr. Green, 51, has served as the Company's Executive Vice President since May 2009 and as the primary operational officer for the Company's refining operations since joining the Company in January 2005. Mr. Green has also served as a member of the board of directors and an executive vice president of Delek Logistics GP, LLC since April 2012 and as a member of the board of directors of Alon USA Energy, Inc. (NYSE: ALJ) since May 2015. Mr. Green has more than 25 years of experience in the refining industry, including 14 years at Murphy Oil USA, Inc., where he served as a senior vice president during his last six years. Mr. Green has experience ranging from crude oil and feedstock supply, through all aspects of managing a refining business to product trading, transportation and sales.

On November 14, 2016, the Company entered into an employment agreement (the "Employment Agreement") effective November 1, 2016 with Mr. Green that expires on October 31, 2020. The Employment Agreement provides that Mr. Green will receive an annualized base salary of at least \$375,000 and will be reimbursed for the reasonable costs of professional preparation of his personal income tax return(s) and financial counseling during the term of the Employment Agreement. The Employment Agreement also sets Mr. Green's annual bonus target for the 2016 fiscal year at 75% of his base salary at the end of the bonus year. The annual bonus may be based upon the achievement of performance measures and objectives established by the Board of Directors of the Company.

Upon the termination of Mr. Green's employment by the Company without Cause (as defined in the Employment Agreement) or by Mr. Green for Good Reason (as defined in the Employment Agreement) other than in the context of a Change in Control (as defined in the Employment Agreement), he will be entitled to receive (i) an amount equal to the sum of his annual base salary and target annual bonus, in each case as in effect immediately prior to the notice of termination (the "Separation Base Amount"), (ii) the costs of continuing COBRA health insurance coverage for his family for 12 months following termination (the "Health Benefit Continuation"), (iii) the annual bonus to which he would have otherwise been entitled if his employment had continued through the end of the bonus year based upon the actual performance of the Company, prorated for the period of actual employment during the bonus year (the

“Post-Employment Annual Bonus”), and (iv) the immediate vesting of unvested equity awards granted to him under the Company’s long-term incentive plans but, in the case of performance awards, on a prorated basis through the date of termination and, in the case of other awards, only to the extent that the awards would have otherwise vested within six months following the date of termination or within the remainder of the term of the Employment Agreement. If within two years following a Change in Control the executive's employment is terminated by the Company other than for Cause or by the executive for Good Reason, the terminated executive will be entitled to receive (i) an amount equal to the Separation Base Amount multiplied by two, (ii) the Health Benefit Continuation, (iii) the Post-Employment Annual Bonus and (iv) the immediate vesting of all unvested equity awards granted to the executive under the Company’s long-term incentive plans. If Mr. Green terminates his employment other than for Good Reason and he provides at least three months' advance written notice of termination, he will be entitled to a severance payment equal to 50% of his base salary at the time notice of termination is delivered and the Health Benefit Continuation. The Employment Agreement includes certain customary non-competition and non-interference provisions.

The above description of the Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the Employment Agreement itself, a copy of which is filed with this report as Exhibit 10.1 and is incorporated herein in its entirety by reference

half of the target value of the equity awards to Mr. Green will be in the form of time-vested restricted stock units (“RSUs”) which will vest quarterly, conditioned upon continued employment over three years, provided that the RSUs that would vest in the first quarter following the Grant Date will vest with the RSUs vesting in the second quarter following the Grant Date. The balance of the equity that will be awarded to Mr. Green will be in the form of two tranches of performance RSUs (“PRSUs”). Each tranche of the PRSUs will have a performance period commencing January 1, 2017 with one tranche ending December 31, 2018 and the other ending December 31, 2019. The RSUs and PRSUs will be granted under the Company’s 2016 Long-Term Incentive Plan on the Grant Date and shall be subject to such customary terms and conditions for similar grants under such plan.
