**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On July 6, 2018, the Board of Directors (the "Board") of InfuSystem Holdings, Inc. (the "Company") approved an amendment to Section 1.3 of the Company's Amended and Restated Bylaws (the "Bylaws") to increase the specified percentage of the Company's outstanding common stock that stockholders must hold in order to call a special stockholder meeting from 10% to 25%. The Board determined this increase to be in the best interests of the Company and its stockholders for a number of reasons, including to eliminate the costs of, and distractions to, the Company and its management relating to any special stockholder meeting called by one or a few stockholders acting in their self-interest or otherwise seeking to harass the Company and its management. The Board believes that increasing the threshold percentage to 25% strikes an appropriate balance of addressing these concerns, while preserving the ability of stockholders holding a meaningful percentage of the Company's common stock to call a special stockholder meeting. This amendment was effective upon approval by the Board.

The foregoing amendment to the Bylaws was approved in the form of an amendment and restatement of the Bylaws, a copy of which is attached hereto as Exhibit 3.1 and incorporated by reference herein.
