ALTISOURCE ASSET MANAGEMENT CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

General Information

We have made this proxy statement available to you on or about April 29, 2015 as a holder of common stock of Altisource Asset Management Corporation, a U.S. Virgin Islands corporation (“we,” “us,” “our,” “AAMC” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any adjournment of this meeting. The 2015 Annual Meeting of Stockholders will be held at our offices located at 36C Strand Street, Christiansted, United States Virgin Islands 00820 on Wednesday, June 3, 2015, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders.

At the Annual Meeting, our stockholders will be asked to consider and vote upon (1) the election of six (6) Directors to serve until the 2016 Annual Meeting of Stockholders and/or until their successors are duly elected and qualified; (2) a proposal to amend the Company’s Articles of Incorporation increase the Company’s authorized capital stock to 300,000,000 shares, consisting of 200,000,000 shares of common stock and 100,000,000 shares of preferred stock and (3) the ratification of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2015.

We are not aware of any other matters that may properly come before the Annual Meeting or any postponement or adjournment thereof. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their discretion on such matters.

Proxies to be exercised at the Annual Meeting are being solicited by and on behalf of our Board of Directors primarily through the use of the mails. Our directors, officers, employees and other agents, none of whom will receive additional compensation therefor, may solicit proxies by telephone, facsimile or other personal contact. We will bear the cost of the solicitation of proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of our common stock.

Proxy Materials

We expect our proxy materials, including this proxy statement and our 2014 annual report, to be made available to stockholders on or about April 29, 2015 through the “Shareholders” link on our website at www.altisourceamc.com or through www.proxyvote.com. Our annual report on Form 10-K for the year ended December 31, 2014 was filed with the SEC and made available on our website on March 2, 2015. In accordance with the rules of the Securities and Exchange Commission (the “SEC”), most stockholders will not receive printed copies of these proxy materials unless they request them. Instead, most stockholders will receive by mail a “Notice of Internet Availability of Proxy Materials” that contains instructions as to how they can view our materials online, request copies be sent to them by mail or electronically by email and as to how they can authorize a proxy to vote their shares online.

Voting Procedures

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your bank or brokerage firm or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock. If your shares of common stock are held in your name, you can authorize a proxy to vote your shares in lieu of attending the Annual Meeting and voting in person. You may authorize a proxy to vote your shares over the Internet by following the instructions provided in the printed proxy materials. You may also authorize a proxy to vote your shares by mail or telephone pursuant to instructions provided on the proxy card. If you are authorizing a proxy to vote your shares over the Internet or by telephone, you will need to provide the control number that is printed on the proxy card that you

receive.

If your common stock is held in the name of your bank or brokerage firm or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions. Even if you plan to attend the Annual Meeting, we recommend that you authorize a proxy to vote your shares in advance of the Annual Meeting as described above so that your vote is counted if you later decide not to attend the Annual Meeting.

1

How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted “FOR” each of the nominees for Director; “FOR” the proposal to amend the Company’s Articles of Incorporation to increase the Company’s authorized capital stock to 300,000,000 shares, consisting of 200,000,000 shares of common stock and 100,000,000 shares of preferred stock and “FOR” approval of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2015; and with regard to any other business that properly comes before the meeting in accordance with the judgment of the persons appointed as proxies.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting of Stockholders and any adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

• filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary
Altisource Asset Management Corporation
36C Strand Street
Christiansted, United States Virgin Islands 00820

• submitting a properly executed proxy bearing a later date; or

• appearing at the Annual Meeting of Stockholders and giving the Corporate Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting of Stockholders or any adjournment of the Annual Meeting of Stockholders if you are a holder of record of our common stock at the close of business on April 13, 2015. At the close of business on April 13, 2015, there were 2,206,651 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding (which excludes 264,131 treasury shares held by the Company that are not entitled to vote at the Annual Meeting). Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented, other than the Company’s treasury shares. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

Quorum and Voting Information

The presence at the Annual Meeting of Stockholders of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting of Stockholders. Abstentions and broker “non-votes,” if any, will be treated as present for purposes of determining the presence of a quorum.

A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner.

Edgar Filing: Altisource Asset Management Corp - Form DEF 14A

Proposal One – Election of Directors: Assuming a quorum, each of the six (6) nominees for Director requires a majority of the votes cast to be elected as Directors of AAMC. You may vote “FOR” a nominee, “AGAINST” a nominee, or “ABSTAIN” with respect to a nominee. Cumulative voting in the election of Directors is not permitted.

Neither broker “non-votes” nor votes marked “ABSTAIN” will have an effect with regard to the election of any nominee.

Proposal Two – Approval of an Increase in the Company’s Authorized Capital Stock: Assuming a quorum, the proposal to amend the Company’s Articles of Incorporation to increase the Company’s authorized capital stock to 300,000,000 shares, consisting of 200,000,000 shares of common stock and 100,000,000 shares of preferred stock

2

requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. You may vote “FOR” or “AGAINST” or “ABSTAIN” on Proposal Two.

Proposal Three – Ratification of Appointment of Independent Registered Public Accounting Firm: Assuming a quorum, the proposal to ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2015 requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. You may vote “FOR” or “AGAINST” or “ABSTAIN” on Proposal Three.

Abstentions will not be counted in determining the votes cast in connection with Proposals Two and Three and will have no effect on the results of the vote on such proposals. Because your broker or other nominee is entitled to vote your shares with respect to Proposals Two and Three, even if instructions are not received from you, there will be no broker “non-votes” with respect to these proposals.

If the shares you own are held in “street name” by a bank or brokerage firm or other nominee, your bank, brokerage firm or other nominee, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank, brokerage firm or other nominee provides you. You will receive a proxy card that will tell you how to access our proxy materials and authorize a proxy to vote your shares via the Internet. It will also tell you how to request a paper or email copy of our proxy material. You should instruct your bank, brokerage firm or other nominee to vote your shares by following the voting instructions provided by your bank, brokerage firm or other nominee. Please contact your bank, brokerage firm or other nominee for further information.

Board Recommendation

The Board recommends that you vote as follows:

•“FOR” each of the six (6) director nominees set forth in Proposal One;

•“FOR” the amendment to the Company’s Articles of Incorporation to increase the Company’s authorized capital stock to 300,000,000 shares, consisting of 200,000,000 shares of common stock and 100,000,000 shares of preferred stock set forth in Proposal Two and

•“FOR” the ratification of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2015 set forth in Proposal Three.

Any properly authorized proxy as to which no instructions are given will be voted in accordance with the foregoing recommendations

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting of Stockholders, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as Director if elected.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our current Board of Directors held nine (9) meetings in 2014. Each incumbent Director attended 100% of these meetings as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. However, all of the incumbent members of our Board of Directors attended our 2014 Annual Meeting of Stockholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the NYSE, which governs the NYSE MKT where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Bossidy and Redleaf and Ms. Kurland are independent Directors and that Mr. Byrd will be an independent director upon his election to our Board of Directors.

Board Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board of Directors retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and its stockholders at any given time. The Board of Directors currently believes that it is best not to combine the position of Chief Executive Officer and Chairman. The Board of Directors determined, however, that in light of Mr. Pandey being Executive Chairman, it would appoint Mr. Bossidy as Lead Independent Director upon Mr. Pandey's election as Executive Chairman at the Annual Meeting. As our Chief Executive Officer, along with Mr. Pandey, Mr. Ellison is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board of Directors. As the Lead Independent Director, Mr. Bossidy will lead the independent decision making matters for the Board and will oversee executive sessions of meetings of the Board of Directors and the delivery of information necessary for the Board's informed decision-making.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our

system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee since June 2014 have been Mr. Bossidy, Mr. Redleaf and Mr. Schweitzer, and Mr. Bossidy was the Chair of the Audit Committee. Upon the election of the proposed Directors, it is anticipated that Mr. Bossidy will continue to be Chair of the Audit Committee and that Mr. Redleaf and Ms. Kurland will serve as Audit Committee members. Each current and proposed member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that

7

all members of our Audit Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that Mr. Bossidy qualifies as an “audit committee financial expert” as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Audit Committee in March 2015. The Audit Committee met eight (8) times in 2014.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. Except as they relate to the Executive Chairman and the Chief Executive Officer, the Compensation Committee reviews with the Chief Executive Officer and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC’s 2012 Equity Incentive Plan (the “2012 Equity Plan”). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee since June 2014 have been Ms. Kurland, Mr. Redleaf and Mr. Schweitzer and Ms. Kurland has been the Chair of the Compensation Committee. Upon the election of the proposed Directors, the members of the Compensation Committee are expected to be Ms. Kurland, as Chair, Mr. Byrd and Mr. Redleaf. Each current and proposed member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Compensation Committee in March 2015. The Compensation Committee met four (4) times in 2014.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee since June 2014 have been Mr. Schweitzer, Mr. Bossidy and Ms. Kurland. Mr. Erbey was the Chair of the Nomination/Governance Committee until June 2014 and Mr. Schweitzer

has been the Chair of the Nomination/Governance Committee since June 2014. Upon the election of the proposed Directors, the members of the Compensation Committee are expected to be Mr. Redleaf, as Chair, Mr. Bossidy and Mr. Byrd. Each current and proposed member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for

amendments. The charter was last reviewed by the Nomination/Governance Committee in March 2015. The Nomination/Governance Committee met five (5) times in 2014.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account AAMC’s best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate’s experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs. The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820. You should provide each proposed nominee’s name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

Corporate Governance Guidelines

The Corporate Governance Guidelines adopted by our Board of Directors provide guidelines for us and our Board of Directors to ensure effective corporate governance. education, management succession and annual performance appraisal of the Board of Directors.

Our Nomination/Governance Committee reviews our Corporate Governance Guidelines at least once a year and, if necessary, recommends changes to our Board of Directors. Our Corporate Governance Guidelines were last reviewed by the Board of Directors in March 2015. Our Corporate Governance Guidelines are available on our website at www.altisourceamc.com and are available to any stockholder who requests them by writing to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820.

Non-management Directors expect to meet in executive session without management representatives periodically. Non-management Directors met in executive session without management eight (8) times in 2014.

Communications with Directors

If you desire to contact our Board of Directors or any individual Director regarding AAMC, you may do so by mail addressed to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820. All communications received in writing will be distributed to our full Board of Directors if addressed to the full Board or to individual Directors if addressed to any of them individually.

Code of Ethics

We adopted a Code of Business Conduct and Ethics that applies to our Directors, officers and employees. We also adopted a Code of Ethics for Senior Financial Officers. Any waivers from the Code of Business Conduct and Ethics for Directors or named executive officers or the Code of Ethics for Senior Financial Officers must be approved by our Board of Directors or the Audit Committee and will be subsequently disclosed when required by SEC or applicable exchange rules. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers are available on our website at www.altisourceamc.com and are available to any stockholder who requests a copy by writing to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820. Any amendments to the Code of Business Conduct and Ethics or the Code of Ethics for Senior Financial Officers, as well as any waivers that are required to be disclosed under SEC or exchange rules, will either be posted on our website or otherwise disclosed in accordance with such rules.

Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

BOARD OF DIRECTORS COMPENSATION

The following table discloses compensation received by each non-management member of our Board of Directors who served as a Director during fiscal year 2014. Our management Director does not receive an annual retainer or any other compensation for their service on the Board of Directors. Ashish Pandey, our sole management Director during 2014, is therefore not included in the following table.

Name	Fees Earned Or Paid in Cash	Stock Awards ⁽¹⁾	Option Awards	All Other Compensation	Total
William C. Erbey	\$100,000	\$172,624	\$—	\$—	\$274,624
Paul T. Bossidy	\$62,500	\$172,624	\$—	\$—	\$235,124
Dale Kurland	\$57,500	\$172,624	\$—	\$—	\$230,124
Nathaniel Redleaf ⁽²⁾	\$—	\$—	\$—	\$—	\$—
Robert C. Schweitzer	\$65,000	\$172,624	\$—	\$—	\$237,624

Each director received 162 shares of the common stock of AAMC on June 11, 2014 for service on the Board from May 31, 2013, the day after the 2013 Annual Meeting of Stockholders to June 11, 2014, the date of the 2014 Annual Meeting of Stockholders. The number of shares granted was based on a share price of \$277.50, which is the average of the high and low sales prices of our common stock on May 31, 2013. The value of the shares set forth in the table above is based on the average of the high and low sale prices of our common stock on the date of issuance.

(1) Pursuant to Luxor's policies and procedures, Mr. Redleaf is not entitled to receive any compensation for his membership on board of directors or committees thereof.

Cash Compensation

As set forth above, we provide the following cash compensation to our non-management Directors in quarterly installments, paid in arrears for their services for the prior quarter:

- an annual retainer of \$50,000;
- an additional \$20,000 to the lead independent Director of the Board of Directors (\$50,000 if the Chairman is a non-management member of the Board);
- an additional \$12,500 to the Audit Committee chairperson;
- an additional \$5,000 to all committee chairpersons (other than the Audit Committee chairperson); and
- an additional \$5,000 to all Audit Committee members.

Equity Compensation

As part of Director compensation, our non-management Directors also receive annually shares of common stock of AAMC with a fair market value of \$45,000 pursuant to the 2012 Equity Incentive Plan. "Fair Market Value" is defined as the average of the high and low prices of our common stock as reported on the applicable securities exchange on which AAMC is listed or quoted on the first day of the service year. Equity compensation is paid for the prior year of service after the annual organizational meeting of the Board of Directors, which immediately follows the Annual Meeting of Stockholders. Shares of our common stock will be awarded if the Director attends an aggregate of at least 75% of all meetings of the Board of Directors and committees thereof of which the Director is a member during the service year.

For Directors serving less than a full year, such Directors receive a pro rata portion of \$45,000 of shares of our common stock based on the high and low sales prices on the first day of his or her service year, multiplied by a fraction, the numerator of which is the number of days served and the denominator of which is 365 days.

Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year.

The following table sets forth certain information with respect to each person who currently serves as one of our executive officers but does not serve on our Board of Directors. COMPENSATION DISCUSSION AND ANALYSIS

Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value. We seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Executive Vice President, Chief Financial Officer and General Counsel and Secretary;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide and
- the reasons for the compensation decisions we have made regarding these individuals.

Our named executive officers for 2014 were:

Name ⁽¹⁾	Position
Ashish Pandey	Chief Executive Officer
Robin N. Lowe ⁽²⁾	Chief Financial Officer
Kenneth D. Najour ⁽²⁾	Chief Accounting Officer
Stephen H. Gray	General Counsel and Secretary
Salah Saabneh ⁽³⁾	Executive Vice President, Corporate Development
Adam D. Appleby ⁽⁴⁾	Chief Operating Officer

⁽¹⁾ Mr. Ellison is not a "named executive officer" of the Company for 2014 under the Exchange Act because his employment did not commence until February 17, 2015, when he joined us as Chief Executive Officer. Mr. Ellison's compensation is therefore not included in this Compensation Discussion and Analysis. Mr. Ellison is expected to be a named executive officer of the Company commencing in 2015.

⁽²⁾ Mr. Lowe became Chief Financial Officer on October 8, 2014. Mr. Najour served as our Chief Financial Officer until October 8, 2014, became Chief Accounting Officer on October 8, 2014.

⁽³⁾ Mr. Saabneh resigned from his position as Executive Vice President, Corporate Development on October 8, 2014, and became a Director on December 11, 2014.

⁽⁴⁾ Mr. Appleby resigned on December 12, 2014.

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation and is typically present at Compensation Committee meetings, except that the Chief Executive Officer is not present during any voting or deliberations on his compensation. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee) and

present his conclusions and recommendations regarding incentive award amounts to the Compensation Committee for its consideration and approval. The Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution. In connection with our 2014 year-end bonuses, both Mr. Pandey and Mr. Ellison were involved with, and recommended compensation for, our named executive officers other than Mr. Pandey.

16

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation consultant. During 2014, our Compensation Committee retained Exequity LLP ("Exequity") as an independent compensation consultant to consider and recommend changes to the compensation of Mr. Pandey, as our Chief Executive Officer. Using benchmarking against our peer companies, the Compensation Committee determined to increase Mr. Pandey's base compensation from \$325,000 to \$350,000 and increased his target bonus opportunity from \$325,000 to \$550,000. We did not make any other changes to the base and target incentive compensation of any of our other named executive officers during 2014.

If the Compensation Committee hires a compensation consultant, including Exequity, for future periods, the consultant would be expected to provide research and present information to the Compensation Committee related to compensation trends and "best practices" in executive compensation among peer group companies in a similar line of business and of similar size to AAMC. Executive compensation data and other resources provided by the compensation consultant would be expected to set the foundation for the Compensation Committee's review and analysis of executive compensation levels.

Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provide for a base salary and target incentive compensation for 2015 based on the satisfaction of relevant performance criteria. In addition, the executives may receive benefits such as health care or a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive's employment is terminated by us without "cause" the executive may receive severance benefits of up to six months' base salary. "Cause" generally is defined as either (i) any willful or grossly negligent conduct (including but not limited to fraud or embezzlement) committed by the executive in connection with his/her employment which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business or (ii) the executive's conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime which may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands.

Each of our executives has executed a Data Privacy Agreement that provides for a covenant to maintain our confidential information and has entered into an intellectual property agreement providing that all developments by such executive shall be our property.

Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

Base Salary. Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer's compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary

adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve the base salaries for all other named executive officers.

Annual Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2014, 38-62% of total annual cash target compensation was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities. The table below reflects the percentage of each named executive officer's target total annual cash compensation that was allocated to each of base salary and incentive compensation in 2014 and each named executive officer's actual total annual cash compensation that was allocated to each of base salary and incentive compensation in 2014:

Name	Base Salary % of Target Total Annual Cash Compensation in 2014	Incentive Compensation % of Target Total Annual Cash Compensation in 2014	Base Salary % of Actual Total Annual Cash Compensation in 2014	Incentive Compensation % of Actual Total Annual Cash Compensation in 2014
Ashish Pandey	38%	62%	44%	56%
Robin N. Lowe	50%	50%	25% ⁽¹⁾	75% ⁽¹⁾
Kenneth D. Najour	50%	50%	61%	39%
Stephen H. Gray	62%	38%	60%	40%
Salah Saabneh	50%	50%	100% ⁽²⁾	0% ⁽²⁾
Adam D. Appleby	50%	50%	100% ⁽²⁾	0% ⁽²⁾

⁽¹⁾ Mr. Lowe joined us as Chief Financial Officer in October 2014. Pursuant to his compensation arrangement with us, Mr. Lowe was entitled to bonus compensation for 2014 based on one-half year's target cash bonus compensation, with a target level of \$225,000, subject to his performance.

⁽²⁾ Messrs. Saabneh and Appleby departed AAMC prior to the end of 2014. Therefore, Messrs. Saabneh and Appleby were not entitled to any cash year-end bonus compensation.

Our annual incentive-based cash compensation is structured to motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. This is accomplished by utilizing a balanced scorecard methodology which incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process to enhance Company performance and long-term stockholder value. This corporate scorecard is approved annually by the Compensation Committee and/or the full Board of Directors and is utilized by the Compensation Committee as a factor to determine the appropriate amount of incentive compensation to be paid to the Chief Executive Officer and other executive officers. During development of the corporate scorecard each year, the Compensation Committee considers the level of difficulty associated with attainment of each goal in the scorecard. The intent of the Compensation Committee is to establish the target goal at a level that is challenging to achieve. For 2014, our corporate scorecard was approved by our Board of Directors at its meeting on March 11, 2014. Certain amendments to our corporate scorecard were approved by our Board of Directors at subsequent Board of Directors meetings.

Our corporate scorecard for 2014, as amended, and corresponding achievement levels are detailed below:
Levels of Achievement

Element	Threshold	Target	Outstanding	Level Achieved
1. Raise Equity for Residential	Raise \$1.2 billion in 2014	Raise \$1.5 billion in 2014	Raise \$1.8 billion in 2014	Raised \$482 million in January 2014 – Below Threshold
2. Financial Performance – Dividends paid by Residential in 2014	\$1.80 per share for 2014	\$2.00 per share for 2014	\$2.20 per share for 2014	Total dividends paid per share by Residential for 2014 was \$2.03 -- Target
3. Adherence to corporate governance calendar	As determined by the Board of Directors	As determined by the Board of Directors	As determined by the Board of Directors	Outstanding
4. Regulatory Compliance	As determined by the Board of Directors	As determined by the Board of Directors	As determined by the Board of Directors	Target

The incentive award for our Chief Executive Officer and each of our other named executive officers is structured so that compensation opportunities are related to (i) our performance versus the objectives established in the corporate scorecard (80%) and (ii) a performance appraisal (20%).

The components in each scorecard are weighted individually based on relevance to our ultimate performance and the achievement of our corporate strategy as well as the strategic development of our primary client, Residential. Within each component of the scorecard, there are three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement is tied to a relative point on a percentage scale which indicates the executive officer's level of goal achievement within each component of the scorecard. Achieving the threshold level of achievement will earn the executive officer 50% of the target incentive compensation tied to such goal; the target level of achievement will earn the executive officer 100% of the target incentive compensation tied to such goal and the outstanding level of achievement will earn the executive officer 150% of the target incentive compensation tied to such goal. Any achievement below the threshold level will not entitle the executive to compensation for the associated goal.

The goals and initiatives are further cascaded down through the organization to all of our incentive eligible employees in their personal scorecards which are tied to performance against goals that are directly linked to the achievement of our corporate strategic initiatives and the corporate strategic initiatives of Residential. The scorecards are communicated to all incentive eligible employees by the Human Resources Department or the employee's immediate supervisor. This incentive compensation structure is intended to align the goals of our incentive eligible employees with the overall success of AAMC and Residential while establishing clear performance standards within their respective business or support units.

The 2014 personal scorecards for our Chief Executive Officer and each of Messrs. Najour and Gray, with their corresponding levels of achievement are provided below. The performance achievement for Mr. Saabneh and Mr. Appleby are not included in the table below, because they received no annual cash incentive compensation due to their departure prior to the end of 2014. Mr. Lowe is not included in the table below because his employment arrangement required that his bonus compensation for 2014 was to be based on a target incentive award for one-half year's employment, although his employment commenced on October 8, 2015.

As noted above, the Chief Executive Officer and other named executive officers have 20% of their incentive compensation determined by their performance appraisal for the service year. Human Resources performs an assessment as to each executive officer's performance against his or her goals for the applicable year. Our Chief Executive Officer utilizes these assessments, as well as his own observations, to prepare a written performance

appraisal for each of the other executive officers. These performance appraisals rate performance based on objective criteria related to two key factors: (i) the executive's ability to improve and develop their organization throughout the year and (ii) the executive's strategic contributions to the direction of the Company. The Chief Executive Officer's scorecard performance and personal performance appraisal are determined by the Compensation Committee, taking into consideration whether our performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our executives other than the Chief Executive Officer, the Chief Executive Officer presents the personal scorecard performance and the performance appraisal scores to the Compensation Committee and makes recommendations as to the incentive compensation for each executive officer. The Compensation Committee evaluates the recommendations in light of overall performance and the executive's business unit or support unit's performance and makes the final compensation award determinations for each executive. Annual incentive compensation is paid to our executives and other incentive eligible employees following this determination. For 2014, incentive compensation was awarded accordingly. Please see the Summary Compensation Table under "Executive Compensation" for the actual amounts awarded in 2014.

Following these procedures and the ratings of achievement against their 2014 scorecards, the compensation committee determined to award the following: Mr. Pandey received 75% of his aggregate target cash bonus opportunity, Mr. Gray received 109% of his aggregate target cash bonus opportunity and Mr. Najour received 64% of his target cash bonus opportunity. These amounts were paid I March 2015.

2015 Annual Incentive Compensation. Generally, at the first Board of Directors meeting of the fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. Given the changes that we were in the process of making to the Asset Management Agreement between Residential and AAMC, our Compensation Committee determined to reconsider our 2015 annual incentive compensation parameters. Although the definitive metrics have not yet been determined, the Compensation Committee determined that the following strategic initiatives were important and would be considered in determining the 2015 cash incentive compensation for our named executive officers:

- AAMC's financial performance;
- Residential's financial performance;
- achieving targeted growth of Residential's NPL and rental portfolio;
- raising equity for Residential;
- diversifying sources of our revenue and
- maintaining REIT, corporate governance and regulatory compliance.

Equity Incentive Plan

Prior to our separation from Altisource, our prior Board of Directors and Altisource, as AAMC's sole stockholder, approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. The 2012 Equity Incentive Plan is administered by the Compensation Committee, who authorizes the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either "incentive stock options" as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to

grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

In line with the objectives of our compensation philosophy, on October 8, 2014, Mr. Lowe was granted 21,898 restricted shares of common stock with an aggregate grant date fair value of \$14,399,269 and on February 17, 2015, Mr. Ellison was granted 44,132 restricted shares of common stock with an aggregate grant date fair value of

21

\$7,989,524. Mr. Saabneh forfeited 19,049 shares of his restricted stock in connection with his resignation in October 2014 and Mr. Appleby forfeited all of his restricted stock in connection with his resignation in December 2014.

Our restricted shares of common stock vest subject to the achievement of stock performance hurdles for our company, generally related to the performance of AAMC stock price since the date of grant.

If an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that if (i) an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders.

The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

Other Compensation

The Compensation Committee's policy with respect to other employee benefit plans is to provide benefits to our employees, including executive officers, which are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each executive officer, assuming the executive's employment had terminated under various scenarios as of December 31, 2014 (the last business day of fiscal year 2014). Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Pandey, Ellison, Lowe Najour and Gray, in the event that his employment is terminated by us without "cause," he may receive severance benefits of up to six months' base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to being relocated to the U.S. Virgin Islands. If any of our executives' employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive's termination provisions, the executive would first be required to execute a release of claims with us that will include a waiver and release of any and all claims he may have against us. As of December 31, 2014, the separation payment each executive would have received upon termination, other than for cause, based on a six-month separation payment, would have been \$175,000 for Mr. Pandey, \$225,000

Edgar Filing: Altisource Asset Management Corp - Form DEF 14A

for Mr. Ellison, \$225,000 for Mr. Lowe, \$103,075 for Mr. Najour and \$175,000 for Mr. Gray, as well as six months of medical insurance benefits for continued medical insurance benefits with a value of approximately \$3,378 for Mr. Pandey, \$6,846 for Mr. Lowe, and \$10,488 for each of Messrs. Ellison , Najour and Gray.

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above.

Option Exercises

There were no option exercises by any of our named executive officers during the year ended December 31, 2014.

APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION
TO INCREASE THE AUTHORIZED CAPITAL STOCK
OF THE COMPANY TO 300,000,000 SHARES, CONSISTING OF 200,000,000 SHARES
OF COMMON STOCK
AND 100,000,000 SHARES OF PREFERRED STOCK
(Proposal Two)

Our Board of Directors has approved an amendment to our Articles of Incorporation to increase the Company's authorized capital stock to 300,000,000 shares, consisting of 200,000,000 shares of common stock and 100,000,000 shares of preferred stock (the "Charter Amendment"), subject to approval of our stockholders. Prior to the proposed Charter Amendment, AAMC's authorized capital stock is 6,000,000 shares, consisting of 5,000,000 shares of common stock and 1,000,000 shares of preferred stock.

We believe that the proposed increase to our authorized capital stock will provide AAMC with more structural flexibility. For example, although we currently have no plans to do so, an increase in the authorized capital stock could enable AAMC to issue additional shares in a stock split to provide more liquidity in the Company's securities, or enable us to issue securities in connection with an acquisition or other transaction to grow AAMC and its business opportunities.

The full text of the proposed Charter Amendment, marked to show the proposed changes, is attached to this Proxy Statement as Appendix A. The foregoing description of the material terms of the Charter Amendment is qualified in its entirety by reference to the text of the Charter Amendment. If approved by our stockholders at this Annual Meeting, the Charter Amendment will be filed with the Lieutenant Governor's Office of the United States Virgin Islands promptly after the Annual Meeting and will take effect immediately upon filing.

Stockholder Approval Requirements

The General Corporation Law of the United States Virgin Islands requires any amendment that changes the authorized capital stock of the Company to obtain approval of a majority of the votes cast at a meeting of stockholders to approve such amendment. Accordingly, we are seeking stockholder approval of the Charter Amendment.

If the stockholders do not approve the Charter Amendment, the Charter Amendment will not be filed, and our authorized capital stock will remain unchanged.

Vote Required for Approval

The affirmative vote of a majority of the shares cast with respect to this proposal is required to approve the charter Amendment. An abstention from voting on this matter will be treated as "present" for purposes of determining the presence or absence of a quorum, but it will have the practical effect of a vote against this proposal because the abstention results in one less vote for such proposal

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO OUR ARTICLES OF INCORPORATION
TO INCREASE OUR AUTHORIZED CAPITAL STOCK TO 300,000,000 SHARES, CONSISTING OF
200,000,000 SHARES OF COMMON STOCK AND 100,000,000 SHARES OF PREFERRED STOCK.

APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2015. The Audit Committee has further directed that such appointment be submitted for approval by our stockholders at the Annual Meeting of Stockholders.

Representatives of Deloitte & Touche LLP will be present at the Annual Meeting of Stockholders, will be given the opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions from our stockholders. To ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2015, the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal is required.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU
VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2015

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. For the fiscal year ended December 31, 2014, all fees associated with the independent registered public accounting firm's services were pre-approved by the Audit Committee.

BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

The Board of Directors has adopted a policy and procedure for the review, approval and monitoring of transactions involving AAMC and related persons (Directors and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock) within our written Code of Business Conduct and Ethics, which is available at www.altisourceamc.com. The policy and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as the policies and procedures broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who, in consultation with management and the Audit Committee chair and with outside counsel, as appropriate, must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chair of the Audit Committee if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including, but not limited to, (i) whether the transaction is in the best interests of AAMC; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to AAMC.

Relationship with Chairman of the Board of Directors

Mr. Erbey served as the non-executive Chairman of AAMC, as Executive Chairman of Ocwen and as non-executive Chairman of Residential and Altisource throughout the year ended December 31, 2014. As of January 16, 2015, Mr. Erbey stepped down from his positions as Chairman of each of Ocwen, Altisource, Residential and us in connection with Ocwen's settlement of a regulatory action by the New York State Department of Financial Services. These agreements and relationships and transactions were considered related party relationships and transactions during 2014. Due to the shared senior management and the relationship of AAMC as Residential's asset manager, relationships and transactions between Residential and us will continue to be related party transactions and agreements.

Relationship with Residential

Asset Management Agreement with Residential

On December 21, 2012, we entered into the Original AMA. On March 31, 2015, we entered into the New AMA with Residential and its subsidiary, Altisource Residential, L.P.

Terms of the New AMA

The New AMA, which became effective on April 1, 2015, provides for a new management fee structure which replaces the incentive fee structure under the Original AMA as follows:

-

AAMC is entitled to a quarterly base management fee equal to 1.5% of the product of (i) our average invested capital for the quarter multiplied by (ii) 0.25, while we have fewer than 2,500 single family rental properties actually rented (“Rental Properties”). The base management fee percentage increases to 1.75% of invested capital while we have between 2,500 and 4,499 Rental Properties and increases to 2.0% of invested capital while we have 4,500 or more Rental Properties;

AAMC is entitled to a quarterly incentive management fee equal to 20% of the amount by which our return on invested capital exceeds a hurdle return rate of between 7% and 8.25% (depending on the 10-year treasury rate). The incentive management fee increases to 22.5% while we have between 2,500 and 4,499 Rental Properties and increases to 25% while we have 4,500 or more Rental Properties; and

30

AAMC is entitled to a quarterly conversion fee equal to 1.5% of the market value of the single-family homes leased by us for the first time during the quarter.

Residential has the flexibility to pay up to 25% of the incentive management fee to AAMC in shares of its common stock.

Under the New AMA, AAMC will continue to be the exclusive asset manager for Residential for an initial term of 15 years from April 1, 2015, with two potential five-year extensions, subject to Residential achieving an average annual return on invested capital of at least 7% under our management. Under the New AMA, Residential will not be required to reimburse AAMC for the allocable compensation and routine overhead expenses of our employees and staff, all of which will now be covered by the base management fee described above.

Neither party is entitled to terminate the New AMA prior to the end of the initial term, or each renewal term, other than termination by (a) Residential and/or AAMC “for cause” for certain events such as a material breach of the New AMA and failure to cure such breach, (b) Residential for certain “good reason events” such as its failure to achieve a return on invested capital of at least 7% for two consecutive fiscal years after the third anniversary of the New AMA, and (c) Residential in connection with certain change of control events.

In connection with the entry into the New AMA, we paid \$2,000,000 to Residential towards certain costs related to the New AMA and the termination of the Original AMA. Residential and we also agreed that the first quarter management fees payable to us for the first quarter of 2015 would be \$15,650,000, which is the average of the amounts payable under Original AMA and that would have been payable under the New AMA.

Terms of the Original AMA

Under the original AMA, AAMC provided substantially the same services to us as under the New AMA but with the following fee and other structures:

Incentive Management Fees

Under the Original AMA, Residential paid us a quarterly incentive management fee as follows:

- (i) 2% of all cash available for distribution by us to our stockholders and to AAMC as an incentive management fee, which we refer to as “available cash,” until the aggregate amount per share of available cash for the quarter (based on the average number of shares of our common stock outstanding during the quarter), which we refer to as the “quarterly per share distribution amount,” exceeds \$0.161, then
- (ii) 15% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.193, then
- (iii) 25% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.257, and thereafter
- (iv) 50% of all additional available cash for the quarter.

Residential distributed any quarterly distribution to its stockholders after the application of the incentive management fee payable to us. Under the terms of the Original AMA, we accrued \$67.9 million in incentive management fee payables from RESI for the year ended December 31, 2014.

Expense reimbursement

Residential was required to reimburse us for the (i) direct and indirect expenses we incurred or payments it made on Residential's behalf, including, but not limited to, the allocable compensation and routine overhead expenses of our employees and staff and (ii) all other reasonable operating and overhead expenses we incurred related to the services provided to Residential.

For the year ended December 2014, we accrued \$7.9 million in expenses reimbursable by Residential in the under the Original AMA.

31

Termination

Residential could terminate the Original AMA without cause upon the determination of at least two-thirds of its independent directors that (i) there had been unsatisfactory performance by us as manager that was materially detrimental to Residential, or (ii) the compensation payable to us under the Original AMA was unreasonable, unless we agreed to compensation that at least two-thirds of our independent directors determined was reasonable.

We could have terminated the Original AMA without cause by providing written notice to Residential no later than 180 days prior to December 21 of any year during the initial term or a renewal term, and the Original AMA would terminate effective on the December 21 next following the delivery of such notice.

Residential did not pay us any termination fee in connection with the termination of the Original AMA and entry into the New AMA.

Relationship with Altisource

Support Services Agreement

Under the support services agreement, Altisource may provide services to us in such areas as human resources, vendor management operations, corporate services, consumer psychology, legal, tax, compliance and other support services where we may need assistance and support. The support services agreement provides generally that Altisource will undertake to provide the support services in a manner generally consistent with the manner and level of care with which such service, if any, was performed or provided prior to our separation from Altisource. The term of the support services agreement was two years with automatic one-year renewals, but may be terminated earlier under certain circumstances including a default. The fees for all support services provided pursuant to the support services agreement is based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Altisource will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent on our business activity and the level of services required in connection therewith. In the event our asset management agreement with Residential expires or is terminated, the support services agreement will terminate within 30 days.

Trademark License Agreement

Under the trademark license agreement, Altisource granted us a non-exclusive, non-transferable, non-sublicensable, royalty free license to use the name "Altisource." The agreement has no specified term and may be terminated by either party upon 30 days written notice, with or without cause. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use "Altisource" in our name will terminate.

In the event our asset management agreement with Residential expires or is terminated, the trademark license agreement will terminate within 30 days.

Technology Services Agreement

Under the technology products and services agreement, Altisource provides us with the use of certain technology systems and services. The technology products and services agreement generally provides that Altisource will undertake to provide the technology systems and services in a manner generally consistent with the manner and level of care with which such technology systems and services, if any, were performed or provided prior to the separation. The technology products and services agreement has a term of 15 years but may be terminated earlier under certain circumstances including a default. We expect that all services provided pursuant to the technology products and services agreement will be based on the fully-allocated cost of providing the service.

The total fees incurred by us under this agreement are dependent upon our business activity and the level of services required in connection therewith.

Relationship with Ocwen

Support Services Agreement

Under the support services agreement, Ocwen may provide services to us in such areas as business consulting with respect to purchases of assets for clients, capital markets, quantitative asset analytics, compliance and other support services where we may need assistance and support. The support services agreement is terminable at will by either party upon 30 days prior notice. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Ocwen will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent on our business activity and the level of services required in connection therewith.

Aircraft Time Sharing Agreement with Ocwen

On November 15, 2013, we entered into an Aircraft Time Sharing Agreement, or the "Timeshare Agreement," with Ocwen pursuant to which Ocwen will make its corporate plane available to us for business-related travel from time to time. Under the Time Sharing Agreement, Ocwen agreed to provide us, on a time sharing basis, access to its plane in consideration of our reimbursement to Ocwen of the sum of its direct expenses of operating the plane plus an additional charge equal to 100% of such expenses. The amounts actually charged to us in any period will directly correlate to our use of the aircraft in each period, which will vary depending on our business needs.

Equity Plans

Options Granted in Separation from Altisource

We adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan in connection with the separation from Altisource in December 2012. In order to effect the exchange ratio in connection with the separation, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share at December 31, 2012 under the 2012 Equity Plan to Altisource employees holding Altisource stock options immediately prior to the separation and receiving shares of common stock in the separation from Altisource, including options to purchase 3,003 shares to Mr. Pandey that expire on July 18, 2018 and options to purchase 89,972 shares to Mr. Erbey that expire on varying dates between January 2015 and July 2018. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of Altisource stock options. These options expire on the same dates as they expired under the Altisource plans. Because the options were granted as part of the separation to holders of Altisource stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. No additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.
