Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 19, 2016, the Board of Directors (the Board) of Zoetis Inc. (the Company) approved amendments to the Company's By-laws (the By-Laws) to implement new "proxy access" provisions that would apply to annual meetings of shareholders after the Company's 2016 Annual Meeting. As amended, the By-laws will permit eligible shareholders, including qualifying groups of up to 20 shareholders, that have continuously owned at least 3% of the Company's outstanding common stock for at least three years to nominate director nominees constituting up to the greater of two directors or 20% of the number of directors serving on the Board, and have such nominees included in the Company's proxy materials, provided that the shareholder(s) and the nominee(s) satisfy the requirements specified in the amended By-laws and subject to the terms and conditions therein.

The By-laws were also amended to make various technical and administrative changes relating to the implementation of proxy access, including to clarify the application of plurality voting to contested elections with respect to proxy access nominations and otherwise. Additionally, the By-laws were amended to remove residual references to "Pfizer Inc.," which the Board determined are no longer applicable.

The foregoing description of the Company's By-laws does not purport to be complete and is qualified in its entirety by reference to the full text of the By-laws, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated by reference herein.
