The information in Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the “Securities Act”), solely as a result of being included in Exhibit 99.1.

HP’s GAAP consolidated condensed statements of earnings for the three and nine months ended July 31, 2011, HP’s GAAP consolidated condensed balance sheet as of July 31, 2011, and certain segment financial results for the three and nine months ended July 31, 2011 also are filed herewith as Exhibit 99.2. The information in Exhibit 99.2 is filed for purposes of Section 18 of the Exchange Act and therefore may be incorporated by reference into filings under the Securities Act.

To supplement HP’s consolidated condensed financial statements presented on a GAAP basis, HP provides non-GAAP operating profit, non-GAAP operating margin, non-GAAP net earnings, non-GAAP diluted earnings per share and gross cash. HP also provides forecasts of non-GAAP diluted earnings per share. A reconciliation of the adjustments to GAAP results for HP’s fiscal quarter ended July 31, 2011 and prior periods is included in the tables that are a part of Exhibit 99.1. In addition, an explanation of the ways in which HP management uses these non-GAAP measures to evaluate its business, the substance behind HP management’s decision to use these non-GAAP measures, the material limitations associated with the use of these non-GAAP measures, the manner in which HP management compensates for those limitations, and the substantive reasons why HP management believes that these non-GAAP measures provide useful information to investors is included under “Use of Non-GAAP Financial Information” in Exhibit 99.1. This additional non-GAAP financial information is not meant to be considered in isolation or as a substitute for operating profit, operating margin, net earnings, diluted earnings per share, or cash and cash equivalents prepared in accordance with GAAP.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On August 18, 2011, HP announced that it will discontinue the manufacture and sale of all of its webOS hardware products, including its webOS smartphones and the HP TouchPad, and will explore strategic alternatives for the webOS software. In connection with this decision, HP will record a one-time charge in its fourth fiscal quarter of 2011 of approximately \$1 billion for restructuring and related shutdown costs. Substantially all of these charges will be paid in HP’s fourth fiscal quarter. In addition, as HP works through strategic alternatives for the WebOS software, HP will evaluate the goodwill and other intangible assets related to the WebOS business for any potential impairment and, if appropriate, recognize a related non-cash charge in the appropriate period. The carrying value of the goodwill and other intangible assets related to the webOS software as of July 31, 2011 was approximately \$1.2 billion.
