Item 1.01 Entry into a Material Definitive Agreement

On January 9, 2007, Stifel Financial Corp. announced that it has entered into a definitive agreement with BankAtlantic Bancorp, Inc. to acquire its wholly owned subsidiary, Ryan Beck Holdings, Inc. ("Ryan Beck"). Through its subsidiaries, including Ryan Beck & Co., Inc., Ryan Beck provides financial advice and innovative solutions to individuals, institutions, and corporate clients through the activities of approximately 1,100 employees in 43 offices located in 14 states. The transaction is expected to close during the first quarter of 2007. A copy of the related press release is attached hereto as Exhibit 99.1.

The principal economic terms of the transaction are as follows:

- Initial consideration consisting of approximately 2,531,000 shares of Stifel common stock. At closing, Stifel may substitute an amount of cash in lieu of up to approximately 150,000 shares.
- Five-year warrants to purchase up to 500,000 shares of Stifel's common stock, at an exercise price of \$36.00 per share.
- Contingent earn-out payments as follows:
 - ◆ A contingent payment based on defined revenues attributable to specified individuals in Ryan Beck's existing private client division over the two-year period following closing. Assuming such individuals achieve their 2006 revenues annually during the earn-out period, the private client earn-out would approximate \$20 million. This earn-out is capped at \$40 million.
 - ◆ A second contingent payment based on defined revenues attributable to specified individuals in Ryan Beck's existing investment banking division. The investment banking earn-out is equal to 25% of the amount of investment banking fees over \$25 million for each of the next two years.
 - ◆ Each of the contingent earn-out payments is payable, at Stifel's election, in cash or common stock.

The number of Stifel shares to be issued in the transaction was determined based upon Ryan Beck's November 30, 2006, net book value of approximately \$91.1 million and utilizing a Stifel stock price of \$36 per share (approximating the stock price during the period of negotiations).

In addition to the transaction consideration described above, Stifel has agreed to establish a retention program valued at approximately \$42 million. Stifel will seek shareholder approval to increase the number of shares available under its shareholder equity plans for such retention programs, as well for the warrants described above and the earn-out consideration, in the event Stifel elects to pay that amount in shares of its common stock. In the event shareholder approval to issue the warrants is not obtained before June 30, 2007, Stifel would substitute \$20 million in cash.

Stifel Financial Corp. will hold a conference call on Tuesday, January 9, 2007, at 11:00 a.m. EST. This call will be Web cast and slides can be accessed on the Investor Relations portion of the Stifel Financial Corp. website at www.stifel.com, as well as on all sites within Thomson/CCBN's Investor Distribution Network.
