PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

MAY 10, 2006

INFORMATION REGARDING THE ANNUAL MEETING

Time and Place of the Meeting

This proxy statement is being provided in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders (the "Annual Meeting") of Chemung Financial Corporation ("Chemung Financial" or "the Corporation") to be held on Wednesday, May 10, 2006 at 2:00 P.M., at the Holiday Inn Elmira - Riverview, 760 East Water Street, Elmira, New York.

This Proxy Statement and the accompanying Proxy and Notice of Annual Meeting of Shareholders are being mailed to shareholders on or about April 3, 2006. In the proxy statement, the "Bank" refers to Chemung Canal Trust Company, Chemung Financial's subsidiary bank.

Shareholders Entitled to Vote

The record date for the meeting is March 20, 2006. Only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting.

On the record date there were 3,590,881 shares of common stock of the Corporation outstanding. Each share of common stock is entitled to one vote on each matter that properly comes before the meeting.

Proxies and Voting Procedures

Shares represented by properly executed proxies will be voted as directed. If a proxy does not specify how it is to be voted, it will be voted as the Board recommends - that is, FOR the election of the four nominees for director named in the proxy statement. Abstentions are voted neither "for" nor "against," but are counted in the determination of a quorum. The Board of Directors knows of no other business to be brought before the Annual Meeting but if any other matters are properly presented at the meeting for consideration, the persons named as proxies will have discretion to vote on those matters according to their best judgment.

1

A shareholder may revoke a proxy vote at any time before it is voted by delivering written notice of revocation to the Secretary of the Corporation or by delivering a later dated proxy or by voting in person at the annual meeting.

Required Vote

There are no cumulative voting rights. Nominees for director will be elected by a plurality of votes cast at the annual meeting by holders of common stock present in person or represented by proxy and entitled to vote on such election. Any other matter requires the affirmative vote of a majority of the votes cast at the meeting, except as otherwise provided in the Corporation's bylaws or Certificate of Incorporation. Only shares affirmatively voted in favor of a nominee will be counted toward the achievement of a plurality. Votes withheld (including broker non-votes) and abstentions are counted as present for the purpose of determining a quorum but are not counted as votes cast.

ELECTION OF DIRECTORS

The Board is divided into three classes of directors as equal in number as possible, with one class to be elected each year for a term of three years. All the nominees currently serve as directors of the Corporation. The Board is not aware that any nominee named in this proxy statement will be unable or unwilling to accept nomination or election.

Shareholders will be entitled to elect four directors for a three-year term expiring at the 2009 Annual Meeting of Shareholders, or until their respective successors have been duly elected and qualified. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed proxy card, if properly executed and returned, will be voted FOR the election of the nominees. Should any nominee become unable to serve as a director, the persons named in the proxy to represent shareholders will vote for any nominee, if any, who may be nominated by the Board of Directors.

Includes 24,209 shares held with sole voting and dispositive powers and 387,758 shares held with shared voting power. There are 254,287 shares held with shared dispositive powers. Shares held in a co-fiduciary capacity by the Bank are voted by the co-fiduciary in the same manner as if the co-fiduciary were the sole fiduciary. Shares held by the Bank as sole trustee will be voted by the Bank only if the trust instrument provides for voting of the shares at the direction of the grantor or a beneficiary and the Bank actually receives voting instructions.

- 2 The Plan participants instruct the Bank, as trustee, how to vote these shares. If a participant fails to instruct the voting of the shares, the Bank votes these shares in the same proportion as it votes all of the shares for which it receives voting instructions. Plan participants have dispositive power over these shares subject to certain restrictions.

Smith are each listed as beneficial owners of 448,510 of the same shares; David J. Dalrymple and Robert H. Dalrymple are each beneficial owners of 507,926 of the same shares. ## COMPENSATION OF EXECUTIVE OFFICERS

### Report of the Compensation Committee on Executive Compensation

In accordance with its charter adopted by the Board of Directors, the Compensation Committee ("Committee") is responsible for determining the compensation of executive officers and the chief auditor. The Committee intends that executive compensation policies will enable the Bank and the Corporation to attract, develop and retain talented executive officers who will maximize the performance of the Corporation, thus enhancing shareholder value. In recommending to the Board the compensation and incentive bonuses of the executive vice presidents and chief auditor, the Committee reviews a recommendation by the Chief Executive Officer that is based on a number of factors including individual and organizational performance, merit increases and responsibility levels. The Committee also reviews the compensation policy for directors and recommends changes as appropriate.

In 2005 the Committee was comprised of five directors, each of whom the Board determined to be independent as defined by and current Nasdaq listing standards. One meeting of the Committee was held in 2005. The Committee charter can be viewed at the Corporate Governance link on the Bank's website at [www.chemungcanal.com](http://www.chemungcanal.com).

### Compensation of the Chief Executive Officer

The Board of Directors, upon recommendation of the Committee, sets the annual compensation of the Chief Executive Officer. The recommendation of the Committee follows substantial review of comparative information including executive compensation for similarly situated banks and bank holding companies. Key criteria include Return on Average Tier I Equity, Return on Average Assets and dividend performance. The Committee determined

that the performance of the Bank was within the range reported by its peers and that the compensation paid by the Bank was appropriate in comparison to the peer group. Incentive compensation to the CEO is determined at the beginning of the year based upon performance relative to measurable goals.

#### Compensation Committee Interlocks and Insider Participation

Jan P. Updegraff participates in the deliberations of the Committee for the purpose of providing evaluations and recommendations with respect to the compensation paid to executive officers and the chief auditor. Mr. Updegraff, however, neither participates nor is otherwise involved in the deliberations of the Committee with respect to his own compensation, and those deliberations are conducted by the Committee in executive session without Mr. Updegraff present.

Maximum number of years allowed under the terms of the Pension Plan.

The Pension plan provides an annual benefit of 1.2% for each year of credited service to a maximum of 25 years, and, for each additional year to a maximum of 10 years, 1%, times average annual compensation (exclusive of bonuses); plus, for each year of credited service to a maximum of 35 years, 0.65% of average compensation in excess of the average of the taxable wage base in effect under Section 230 of the Social Security Act for each year in the 35-year period ending with the year in which the participant attains Social Security retirement age. The average taxable wage base was \$48,696 for a participant attaining age 65 in 2005.

The named executive officers of the Corporation and the Bank had the following credited full years of service under the Plan as of December 31, 2005: Jan P. Updegraff - 34; John R. Battersby, Jr. - 17; James E. Corey III - 17; Thomas C. Karski - 40 and Melinda A. Sartori - 11.

The Bank's non-qualified Executive Supplemental Pension Plan provides a benefit equal to the benefit which would have been paid under the terms of the Bank's Pension Plan without regard to limitations under the Internal Revenue Code less the amount payable under the Pension Plan. From time to time the Board of Directors may select executives as participants in the plan. Currently, Mr. Updegraff is the only active employee participating. Based on projected service and current compensation, \$57,440 would be payable to Mr. Updegraff annually as a supplemental retirement benefit commencing at age 65. The annual qualified benefit is estimated to be \$119,569 for a total of \$177,009.

## Employment Agreements

Each of the named executive officers has an employment agreement with Chemung Canal Trust Company; they do not have employment agreements with Chemung Financial Corporation. The Bank entered into employment agreements with Messrs. Updegraff, Battersby, Corey, Karski and Mrs. Sartori effective November 8, 2000.

Under their respective employment agreements, each executive officer may receive fringe benefits generally provided to all full-time employees of the Bank with similar years of service. In the event the executive officer is unable to work due to illness, injury or other incapacity, the executive officer may receive his salary for up to twelve months, minus any payments made under the Bank's disability fringe benefit program. After twelve months, the executive officer is entitled to disability payments only. In the event of death, the Bank shall pay to the executive officer's estate the executive officer's salary for a period of six months, based on the executive officer's salary on the date of death.

The employment agreements for Messrs. Updegraff, Battersby, Corey, Karski and Mrs. Sartori provide for initial terms of three years ending December 31, 2004, with renewals for one additional year following each anniversary date upon the Bank's thirty days written notice prior to January 1 that the terms of the employment agreement will be extended, unless the executive officer gives thirty days prior written notice of termination. The employment agreements were last renewed in 2003 and, therefore, now extend to December 31, 2006.

The Bank may terminate an executive officer's employment agreement at any time, upon thirty days prior written notice, for misconduct or neglect of duties. In the event of such a termination, the executive officer will no longer receive a salary, but will be eligible for retirement and other benefits earned up to the date of termination of employment. ## INFORMATION REGARDING THE BOARD OF DIRECTORS

### Board Organization and Operation

Chemung Financial Corporation is managed under the direction of its Board of Directors (the "Board"). All members of the Board also serve on the Board of Directors of Chemung Canal Trust Company. The Board establishes policies and strategies and regularly monitors the effectiveness of management in carrying out these policies and strategies. Members of the Board are kept informed of the Corporation's business activities through discussions with key members of the management team, by reviewing materials provided to the Board and by participating in meetings of the Board and its committees. Currently, the Board of Directors is composed of thirteen members.

The Board has determined that Messrs. Agan, Eggers, Lounsberry, Meier, Meyer, Potter, Streeter, Swan, Ms. Drinkwater and Mrs. van den Blink are "independent" for purposes of Section 10A(3) of the Securities Exchange Act of 1934 and Nasdaq listing standards and that none of said persons have any relationship with the Corporation that would impair their independence as so defined.

During 2005 the Board of Directors of the Corporation held eleven scheduled meetings. The Board of Directors of the Bank held fifteen meetings in 2005. The Board also regularly holds executive sessions of only those members of the Board who meet current independence standards. With the exception of Mr. Streeter and Dr. Meier, each director attended at least 75% of the total board meetings and meetings of the board committees on which he or she served.

#### Board Committees

The committees of the Corporation's Board of Directors are the Executive, Audit, Compensation, and Nominating and Governance. In addition, the Bank has the following committees: Asset/Liability, Loan, Personnel and Trust and Employee Benefits.

##### Executive Committee:

The Committee serves in a dual capacity as the Executive Committee for the Corporation and the Bank. The Executive Committee may, during the interval between Board meetings, exercise all of the authority of the Board, except those powers that are expressly reserved to the Board under law or the Corporation's bylaws. Current members of the Committee include Messrs. Agan, D. Dalrymple (Chair), R. Dalrymple, Meier, Swan and Updegraff. There were four meetings of the Committee in 2005.

##### Audit Committee:

The responsibilities of the Audit Committee include the appointment of independent auditors, the pre-approval of all audit services and permitted non-audit services provided to the Corporation by the Corporation's independent auditors, reviews of the independence of the Corporation's independent auditors and reviews of the adequacy of internal accounting and disclosure controls of the Corporation. Current members of the Committee include Messrs. R. Dalrymple, Lounsberry, Meyer, Potter, Streeter (Chair) and Swan. Mr. Meyer has been designated by the Board as the Audit Committee's "financial expert" in accordance with applicable law, the Committee having determined that Mr. Meyer meets all required qualifications within the meaning of pertinent regulations. See the report of the Audit Committee on [page 19](#).

##### Compensation Committee:

The Compensation Committee is responsible for discharging the Board's duties relating to the compensation of the chief executive officer, executive vice presidents and chief auditor. The members of the Compensation Committee are all independent as defined by Rule 4200(a)(15) of the NASD listing standards. Current members of the Compensation Committee include Messrs. Agan, Eggers, Lounsberry, Meier, Meyer (Chair), and Mrs. van den Blink.

##### Nominating and Governance Committee:

The Nominating and Governance Committee met three times in 2005. Current members are Messrs. Eggers (Chair), Lounsberry, Meyer, Potter, Streeter, Ms. Drinkwater and Mrs. van den Blink. The members of the Nominating and Governance Committee are all independent as defined by Rule 4200(a) (15) of the NASD listing standards. In general,

the Committee oversees the Corporation's corporate governance matters on behalf of the Board and is responsible for the identification and recommendation of individuals qualified to become members of the Board. The Committee's functions include:

identifying, evaluating and recommending qualified Director nominees for shareholder approval;

the consideration of shareholder nominees for election to the Board;

reviewing the committee structure and making recommendations to the Board for committee membership;

recommending corporate governance guidelines to the Board; and

recommending a self-evaluation process for the Board and its committees.

The Committee utilizes the following process when identifying and evaluating the individuals that it recommends that the Board of Directors select as director nominees.

The Committee reviews the qualifications of any candidates who have been properly recommended or nominated by the shareholders, as well as those candidates who have been identified by management, individual members of the Board of Directors or, if the Committee determines, a search firm.

The Committee evaluates the performance and qualifications of individual members of the Board of Directors eligible for re-election at the annual meeting of shareholders.

The Committee considers the suitability of each candidate, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors. In evaluating the suitability of the candidates, the Committee considers many factors including issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The Committee evaluates such factors, among others,

15

and considers each individual candidate in the context of the current perceived needs of the Board of Directors as a whole.

After such review and consideration, the Committee recommends that the Board of Directors select the slate of director nominees.

It is the policy of the Nominating and Governance Committee to consider both recommendations and nominations for candidates to the Board of Directors from shareholders. Shareholder recommendations for candidates to the Board of Directors must be directed in writing to the Corporate Secretary, One Chemung Canal Plaza, Elmira, New York 14901, and must include:

a statement that the writer is a shareholder and is proposing a candidate for consideration by the Nominating and Governance Committee;

the qualifications of the candidate and why the candidate is being proposed;

the name and address of the shareholder as they appear on the Corporation's books and number of shares of the Corporation's common stock that are beneficially owned by such shareholder (evidence of the shareholder's ownership will be required if the shareholder is not a holder of record);

the name, address and contact information for the candidate, and the number of shares of common stock of the Corporation that are owned by the candidate (evidence of the candidate's ownership will be required if the shareholder is not a holder of record);

a statement of the candidate's principal occupation or employment;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;

a statement detailing any relationship between the candidate and the Corporation and between the candidate and any customer, supplier or competitor;

detailed information about any relationship or understanding between the proposing shareholder and the candidate; and

a statement that the candidate is willing to be nominated and is willing to serve as a director if elected.

Chemung Financial Corporation's bylaws establish an advance notice procedure with regard to certain matters, including shareholder proposals and director nominations, which are properly brought before an annual meeting of shareholders. To be timely, a shareholder's notice must be delivered to or mailed and received at the Corporation's principal executive offices not less than 120 calendar days prior to the date proxy statements were mailed to shareholders in connection with the previous year's annual meeting of shareholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the shareholder to be timely must be so received a reasonable time before the solicitation is made.

A copy of the Nominating and Governance Committee charter can be viewed at the Corporate Governance link on the Bank's website at [www.chemungcanal.com](http://www.chemungcanal.com).

*Asset/Liability Committee:* The Asset/Liability Committee passes on all questions of policy relating to the oversight of the Bank's investment portfolio and funds management policies. Current members include Messrs. D. Dalrymple, Eggers, Lounsberry, Potter (Chair), Streeter and Updegraff. There were four meetings of the Committee in 2005.

*Loan Committee:*

The Loan Committee establishes policy for the Bank's lending functions as determined under applicable regulation and/or the bylaws. Current members include Messrs. D. Dalrymple, R. Dalrymple (Chair), Meyer, Potter, Swan and Updegraff. There were fourteen meetings of the Committee in 2005.

*Personnel Committee:* The Personnel Committee considers management's recommendations for elections and promotions of officers for proposal to the full Board. The Committee also reviews the Bank's overall compensation and employee benefit programs. Current members include Messrs. Agan, D. Dalrymple, Meier, Meyer (Chair), Swan and Mrs. van den Blink. There were seven meetings of the Committee in 2005.

*Trust and Employee Benefits Committee:*

The Trust and Employee Benefit Committee passes on all questions of the policy bearing upon the investment of trust funds and the general conduct of the estate, agency and fiduciary business of the Bank. The Committee also has responsibility for the Bank's benefit plans and reviews the trust and investment policies and performance. Current members include Messrs. Eggers, Lounsberry, Meier, Streeter, Updegraff, Ms. Drinkwater and Mrs. van den Blink (Chair). There were twelve meetings of the Trust and Employee Benefits Committee in 2005.

**Board Compensation**

Each non-employee director of the Bank receives an annual retainer of \$5,500 and a fee of \$300 for each meeting of the Board of Directors and its committees attended. The chair of each committee receives \$350 for each committee

meeting attended. One fee is paid for attendance at meetings that serve both the Corporation and the Bank. Employee directors receive no cash compensation for services as directors.

In December 2005, the Compensation Committee recommended and the Board of Directors approved additional compensation to each director payable in shares of the Corporation's common stock in an amount equal to the total amount of cash fees earned by each director during 2005 and valued as of December 31, 2005. Mr. Updegraff was paid in shares of Corporation common stock an amount equal in market value to the average of those shares issued to each member of the Board of Directors of the Bank and Corporation who served for twelve months during the prior year.

A Deferred Directors Fee Plan for non-employee directors provides that directors may elect to defer receipt of all or any part of their fees. Deferrals are either credited with interest compounded quarterly at the Applicable Federal Rate for short-term debt instruments or converted to units, which appreciate or depreciate, as would an actual share of the Corporation's common stock purchased on the deferral date. Cash deferrals will be paid into an interest bearing account and paid in cash. Units will be paid in shares of common stock.

#### Shareholder Communication with the Board

Shareholders may communicate in writing with the Board of Directors or with individual directors by contacting the Corporation's Corporate Secretary, Jane H. Adamy, One Chemung Canal Plaza, Elmira, New York 14901. The corporate secretary will relay the question or message to the specific director identified by the shareholder or, if no specific director is requested, to a director selected by the chief executive officer.

#### Directors Attendance at Annual Meetings

The Corporation does not have a formal policy regarding attendance by a member of the Board of Directors at the Corporation's annual meeting of shareholders. The Corporation will continue to encourage such attendance. In 2005, nine directors attended the annual meeting.

#### Code of Ethics

The Board of Directors has adopted a Code of Ethics for Senior Financial Officers which applies to Chemung Financial's chief executive officer, the chief auditor and other senior officers performing accounting, auditing, financial management or similar functions. This Code of Ethics supplements a Code of Business Conduct and Ethics, which governs all employees, officers and directors. Both Codes can be viewed at the Corporate Governance link on the home page of the Bank's website at [www.chemungcanal.com](http://www.chemungcanal.com).

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934 requires directors and certain officers of Chemung Financial and persons who beneficially own more than ten percent of the outstanding shares of Chemung Financial's common stock to file reports of beneficial ownership and changes of beneficial ownership of shares of common stock with the Securities and Exchange Commission. SEC regulations require such persons to furnish the Corporation with copies of all Section 16(a) reports they file. Based solely on review of the copies of such reports furnished to Chemung Financial and its representatives and certain representations that no other reports were required, all persons subject to

the SEC reporting requirements filed the required reports on a timely basis.

#### CERTAIN TRANSACTIONS WITH EXECUTIVE OFFICERS AND DIRECTORS

A number of Chemung Financial's directors, members of executive management and their associates are customers of Chemung Canal Trust Company. Any extensions of credit made to them are made in the ordinary course of business, are made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with others and do not involve more than normal risk of collectibility or present other unfavorable features.

#### AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the Chemung Financial Corporation's Audit Committee ("Committee") assists the Board in fulfilling its oversight responsibilities for the integrity of the Corporation's financial statements, systems of internal accounting and financial controls, compliance with legal and regulatory requirements and the independent auditor's qualifications and independence as well as the performance of its internal audit function and independent auditors. The charter can be viewed at the Corporate Governance link on the Bank's website at [www.chemungcanal.com](http://www.chemungcanal.com).

The Committee is comprised of six directors, each of whom the Board has determined to be "independent" as defined by the Sarbanes-Oxley Act and the Nasdaq Listing Standards. Eight meetings of the Committee were held during 2005.

The Committee has reviewed and discussed with management and the independent auditors, KPMG LLP ("KPMG"), the Corporation's audited consolidated financial statements for the year ended December 31, 2005. As required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, the Committee has obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Corporation. It also has discussed the quality and adequacy of the Corporation's internal controls with management and the independent auditors. In addition, the Committee has reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, and has discussed and reviewed the results of the independent auditors' examination of the financial statements.

---

Based upon the above-mentioned reviews and discussions with management and KPMG, the Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Chemung Financial Corporation's Annual Report on Form 10-K for the year ended December 31, 2005 to be filed with the SEC. A representative of KPMG is not expected to be present at the annual meeting.

On October 19, 2005 the Audit Committee recommended, approved and appointed Crowe Chizek and Company LLC as the Corporation's Independent Auditors for the fiscal year ending December 31, 2006. The Corporation has engaged KPMG for professional services relating to tax returns, tax compliance and tax advice for 2006.

These services may include audit services, non-audit services, audit-related services, tax services and other services. The independent auditor and management periodically report to the Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit Committee, the Committee Chair or a delegated sub-committee is authorized to pre-approve such services on behalf of the Committee provided that such pre-approval is ratified by the Audit Committee at its next regularly scheduled meeting.

#### Solicitation of Proxies

The cost of soliciting proxies will be borne by the Corporation. In addition to solicitations by mail, some of the directors, officers or employees of the Corporation may conduct solicitations in person or by telephone or other appropriate means without remuneration.
