ITEM 5. OTHER EVENT

On April 27, 2003, the Company announced that it closed the general syndication of its Senior Secured Credit Facility dated as of April 1, 2003 with a total of nine industry banks. Due to strong interest in syndication, the Credit Facility has been increased from \$225,000,000 to \$250,000,000. A copy of the press release announcing the new Credit Facility is filed with this Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

ITEM 7. EXHIBITS

EXHIBIT 99.1 PRESS RELEASE DATED JUNE 27, 2003

EXHIBIT 99.2 CONTRACT STATUS SUMMARY AT JUNE 27, 2003

ITEM 9. REGULATION FD DISCLOSURE

Current contracts for ATWOOD HUNTER in Israel and the ATWOOD SOUTHERN CROSS in Italy are expected to be completed during July 2003. Currently, neither drilling unit has immediate on-going work following completion of their current contracts. There is a short-term contract opportunity for one of the rigs commencing around September 2003. Contract opportunities for both drilling units are being pursued in the Mediterranean Areas, as well as in other areas of the world.

Additional information with respect to the Company's Contract Status Summary June 27, 2003 is attached hereto as Exhibit 99.2 which is being furnished in accordance with Rule 101 (e)(1) under Regulation FD and should not be deemed to be filed.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors; the Company's dependence on the oil and gas industry; the risks involved in the construction of a rig; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism; risks associated with a possible disruption in operations due to a war with Iraq; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2002, filed with the Securities and Exchange Commission.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

June 2003

FOR IMMEDIATE RELEASE:

Atwood Oceanics, Inc. (Houston based International Drilling Contractor, NYSE: ATW), announced today that general syndication of its Senior Secured Credit Facility dated as of April 1, 2003 successfully closed with a total of nine industry banks. Due to strong interest in syndication, the Credit Facility has been increased from \$225,000,000 to \$250,000,000. Consequently, the Credit Facility consists of a 5-year \$150,000,000 amortizing Term Loan Facility and a 5-year \$100,000,000 non-amortizing Revolving Loan Facility. The Credit Facility carries an interest rate, which varies depending upon the ratio of outstanding debt to earnings before interest, taxes and depreciation, from a range of 1.5% to 2.75% over LIBOR. In connection with the increase in the Credit Facility, the allowed ratio of outstanding debt to earnings, before interest, income taxes and depreciation was increased to 5.75 to March 30, 2004, thereafter reducing to 4.75 to June 29, 2004, thereafter reducing to 4.0 to December 30, 2004 and thereafter to 3.0.
