ITEM 8.01 OTHER EVENTS.

On May 8, 2006, Thermo Electron Corporation ("Thermo Electron") and Fisher Scientific International Inc. ("Fisher Scientific") issued a joint press release announcing the execution of the Agreement and Plan of Merger, dated as of May 7, 2006, between Thermo Electron, Trumpet Merger Corporation, a wholly owned subsidiary of Thermo Electron, and Fisher Scientific.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Additionally, Thermo Electron hereby files the Investor Presentation attached

Edgar Filing: THERMO ELECTRON CORP - Form 8-K

hereto as Exhibit 99.2.

ADDITIONAL INFORMATION ABOUT THIS TRANSACTION

In connection with the proposed merger, Thermo Electron will file with the Securities and Exchange Commission (the "SEC") a Registration Statement on Form S-4 that will include a joint proxy statement of Thermo Electron and Fisher Scientific that also constitutes a prospectus of Thermo Electron. Thermo Electron and Fisher Scientific will mail the joint proxy statement/prospectus to their respective stockholders. Investors and security holders are urged to read the joint proxy statement/prospectus regarding the proposed merger when it becomes available because it will contain important information. You may obtain a free copy of the joint proxy statement/prospectus (when available) and other related documents filed by Thermo Electron and Fisher Scientific with the SEC at the SEC's website at www.sec.gov. The joint proxy statement/prospectus (when it is available) and the other documents may also be obtained for free by accessing Thermo Electron's website at <http://www.thermo.com> under the heading "About Thermo" and then under the heading "Investors" or by accessing Fisher Scientific's website at <http://www.fisherscientific.com> under the tab "Investor Info."

Thermo Electron, Fisher Scientific and their respective directors and executive officers may be soliciting proxies from stockholders in favor of the merger. Information regarding the persons who may, under the rules of the SEC, be considered participants in the solicitation of the stockholders in connection with the proposed merger will be set forth in the joint proxy statement/prospectus when it is filed with the SEC. You can find information about Thermo Electron's executive officers and directors in Thermo Electron's definitive proxy statement filed with the SEC on April 11, 2006. You can find information about Fisher Scientific's executive officers and directors in their definitive proxy statement filed with the SEC on April 6, 2006. You can obtain free copies of these documents from Thermo Electron or Fisher Scientific using the contact information above.

FORWARD-LOOKING STATEMENTS

Information set forth in this press release contains forward-looking statements, which involve a number of risks and uncertainties. Thermo Electron and Fisher Scientific caution readers that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking information. Such forward-

looking statements include, but are not limited to, statements about the benefits of the business combination transaction involving Thermo Electron and Fisher Scientific, including future financial and operating results, the new company's plans, objectives, expectations and intentions and other statements that are not historical facts.

Important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are set forth in Thermo Electron's and Fisher Scientific's filings with the SEC, including their respective Quarterly Reports on Form 10-Q for the first quarter of 2006. These include risks and uncertainties relating to: the ability to obtain regulatory approvals of the transaction on the proposed terms and schedule; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers; competition and its effect on pricing, spending, third-party relationships and revenues; the need to develop new products and adapt to significant technological change; implementation of strategies for improving internal growth; use and protection of intellectual property; dependence on
