[KIMCO LETTERHEAD]

October 13, 2006

Dear CTOP Limited Partner:

As you may know, Kimco Realty Corporation has agreed to acquire Pan Pacific Retail Properties, Inc. and its indirect interest in CT Operating Partnership, L.P. ("CTOP"). In the transaction, the Pan Pacific stockholders will receive \$70 in consideration for each of their Pan Pacific shares. The consideration will be paid with at least \$60 in cash and up to \$10 in Kimco common stock at Kimco's option (based on the 10 day average before the closing). The Pan Pacific stockholders have approved the transaction, and Kimco and Pan Pacific plan to complete the merger on October 31, 2006.

You currently have the right to redeem your CTOP units for either shares of Pan Pacific common stock or the equivalent cash value, as decided by the general partner. We are writing to let you know of the upcoming merger, as you may wish to exercise this right and receive shares of Pan Pacific common stock or cash on or before the closing of the Kimco transaction. If you wish to do so, please complete the attached redemption form and return it promptly to Pan Pacific. WE STRONGLY URGE YOU TO CONSULT WITH YOUR ADVISORS REGARDING THESE TRANSACTIONS, PARTICULARLY WITH RESPECT TO THE TAX CONSEQUENCES OF AN EXERCISE OF YOUR REDEMPTION RIGHT.

You should be aware that Kimco is presently in discussions with certain of the limited partners of CTOP regarding the terms and provisions governing CTOP (or its successor entity). These discussions are ongoing and Kimco may or may not reach agreement with these limited partners. Accordingly, Kimco cannot tell you whether, if it were to reach an agreement, such agreement would be consummated and if consummated what the terms would be, although it is expected that these terms would only be available to accredited investors within the meaning of the securities laws. The terms that will be available to such eligible limited partners if an agreement is reached may be more favorable than the current terms of the CTOP partnership agreement. In addition, Kimco and Pan Pacific may not effect any transaction involving CTOP, in which case you will remain a limited partner of CTOP in accordance with the terms of the governing documents of CTOP unless you exercise your redemption right.

On August 23, 2006, Kimco filed with the SEC a definitive proxy statement/prospectus in connection with these transactions. The definitive proxy statement/prospectus contains detailed information about, among other things, the terms of the merger agreement, the terms and background of the transactions

and the transaction participants and the Kimco stock which will be issued. The definitive proxy statement/prospectus is included in this mailing and we urge you to read it carefully.

Sincerely,

/s/ Thomas A. Caputo
