### (b) Pro Forma Financial Information.

The accompanying unaudited pro forma combined financial statements and related notes thereto are presented to reflect the merger of Cody Company with a subsidiary of Cabot Oil & Gas Corporation ("Cabot").

Effective August 16, 2001, Cabot, COG Colorado Corporation, a wholly owned subsidiary of Cabot ("Merger Sub"), and Cody Company consummated their Agreement and Plan of Merger (the "Merger Agreement"), whereby (i) Cody Company distributed to its shareholders certain assets and liabilities (the "Assignment and Assumption"), and thereafter (ii) Merger Sub merged with and into Cody Company (the "Merger"), with Cody Company surviving as a wholly owned subsidiary of Cabot.

The Merger has been accounted for in the unaudited pro forma combined financial statements using the purchase method of accounting. Consequently, the unaudited pro forma combined balance sheet as of June 30, 2001 reflects the recording of assets acquired and liabilities assumed of Cody Company at estimated fair value as if the Merger had occurred on that date. The unaudited pro forma combined statements of operations are prepared for the six months ended June 30, 2001 and for the year ended December 31, 2000 and illustrate the effects of the Merger as if it had occurred on January 1, 2000. The management of Cabot believes that the assumptions utilized provide a reasonable basis for presenting the significant effects of the Merger and that the pro forma adjustments give appropriate effect to those assumptions and are properly applied in the unaudited pro forma combined financial statements. The unaudited pro forma combined financial statements do not purport to be indicative of the financial position or results of operations of Cabot had the Merger occurred on the dates mentioned above, nor are the unaudited pro forma combined financial statements necessarily indicative of the future financial position or results of operations of Cabot.

The unaudited pro forma combined financial statements should be read in conjunction with the notes thereto and the historical financial statements of Cody Company, referred to in Item 7(a) of this Form 8-K/A. In addition, reference should be made to the historical financial statements of Cabot included in its Form 10-K for the year ended December 31, 2000 and its Form 10-Q for the six months ended June 30, 2001 filed with the Securities and Exchange Commission.
