## Edgar Filing: DELTA & PINE LAND CO - Form 8-K

### Item 1.01. Entry into a Material Definitive Agreement.

On April 15, 2005, Delta and Pine Land Company ("D&PL") and certain of its subsidiaries entered into an unsecured \$75 million credit agreement (the "Credit Agreement") with Bank of America, N.A (the "Bank"). The Credit Agreement is summarized in Item 2.03 of this report, which is incorporated by reference into this Item 1.01.

The Bank has performed in the past, and may perform in the future, banking, investment banking and/or advisory services for the Company and its affiliates from time to time for which it has received customary fees and expenses.

A copy of the Credit Agreement is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

### Item 2.03. Creation of a Direct Financial Obligation of a Registrant.

The Credit Agreement provides for unsecured revolving loans up to a maximum aggregate amount outstanding of \$75 million, plus Letters of Credit which were outstanding prior to the execution of the Credit Agreement in the amount of approximately \$2 million. Of the total commitment, \$50 million represents a seasonal commitment. The Credit Agreement expires on July 31, 2006, at which time all outstanding amounts under the Credit Agreement will be due and payable, subject to the Company's right to request a one-year extension and the Bank's acceptance of that request.

In general, borrowings under the Credit Agreement will bear interest at a rate calculated according to a Eurodollar rate, plus an applicable margin. The Eurodollar rate is generally determined by reference to the British Bankers Association LIBOR rate. The applicable margin on a Eurodollar borrowing is 0.55%. The Company will also be required to pay unused fees of 0.125% annually, calculated on the daily unused portion of the Credit Agreement.

The Credit Agreement also contains customary representations, warranties and covenants for a transaction of this type. The primary financial covenant requires the Company's funded indebtedness under the Credit Agreement to not exceed 50% of certain current and long-term assets, defined in the Credit Agreement and determined as of the last day of each fiscal quarter.

The Credit Agreement also contains customary events of default, including a cross default provision and a change of control provision. In the event of a default, the Bank may declare the obligations under the Credit Agreement immediately due and payable. For certain events of default relating to insolvency and receivership, the commitment of the Bank is automatically terminated and all outstanding obligations become due and payable.

As of the date hereof, there are no loans outstanding under the Credit Agreement. The foregoing summary of the Credit Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.
