PROXY CIRCULAR

THIS PROXY CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF MANAGEMENT FOR USE AT THE ANNUAL MEETING OF SHAREOWNERS THAT IS TO BE HELD AT THE TIME AND PLACE, AND FOR THE PURPOSES, DESCRIBED IN THE ACCOMPANYING NOTICE OF THE MEETING. This proxy circular and the accompanying proxy are being mailed to our shareowners on or about March 23, 2005.

All dollar amounts are in United States dollars unless otherwise stated. All information contained in this document is as of February 28, 2005 unless otherwise indicated.

VOTING AT THE MEETING

WHO CAN VOTE

March 16, 2005 is the record date to determine shareowners who are entitled to receive notice of the meeting. Shareowners at the close of business on that date will be entitled to vote at the meeting.

As at February 28, 2005, 71,524,720 common shares were outstanding. Each common share entitles the holder to one vote on all matters to be presented at the meeting.

VOTING BY REGISTERED SHAREOWNERS

The following instructions are for registered shareowners only. IF YOU ARE A NON-REGISTERED BENEFICIAL SHAREOWNER, PLEASE FOLLOW YOUR INTERMEDIARY'S INSTRUCTIONS ON HOW TO VOTE YOUR SHARES.

VOTING IN PERSON

Registered shareowners who attend the meeting may vote the shares registered in their name on resolutions put before the meeting. If you are a

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

registered holder who will attend and vote in person at the meeting, you do not need to complete or return the form of proxy. Please register your attendance with the scrutineer, Computershare Trust Company of Canada, upon your arrival at the meeting.

VOTING BY PROXY

If you are a registered shareowner but do not plan to come the meeting, you may vote by using a form of proxy to appoint someone to come to the meeting as your proxyholder. You either can tell that person how you want your shares to be voted or let that person choose how to vote your shares.

WHAT IS A PROXY?

A proxy is a document that authorizes another person to attend the meeting and cast votes on behalf of a registered shareowner at the meeting. If you are a registered shareowner, you can use the accompanying proxy form. You may also use any other legal form of proxy.

HOW DO YOU APPOINT A PROXYHOLDER?

Your proxyholder is the person you appoint to cast your votes for you at the meeting. The persons named in the enclosed form of proxy are directors or officers of Cott. You may choose those individuals or any other person to be your proxyholder. Your proxyholder does not have to be a shareowner of Cott. If you want to authorize a director or officer of Cott who is named on the enclosed proxy form as your proxyholder, please leave the line near the top of the

1

proxy form blank, as their names are pre-printed on the form. IF YOU WANT TO AUTHORIZE ANOTHER PERSON AS YOUR PROXYHOLDER, fill in that person's name in the blank space located near the top of the enclosed proxy form.

Your proxy authorizes the proxyholder to vote and otherwise act for you at the meeting, including any continuation of the meeting that may occur if the meeting is adjourned.

HOW WILL A PROXYHOLDER VOTE?

If you mark on the proxy how you want to vote on a particular issue (by checking FOR, AGAINST or WITHHOLD), your proxyholder must cast your votes as instructed. By checking "WITHHOLD" on the proxy form, you will be abstaining from voting.

IF YOU DO NOT MARK ON THE PROXY HOW YOU WANT TO VOTE ON A PARTICULAR MATTER, YOUR PROXYHOLDER IS ENTITLED TO VOTE YOUR SHARES AS HE OR SHE SEES FIT. IF YOUR PROXY DOES NOT SPECIFY HOW TO VOTE ON ANY PARTICULAR MATTER, AND IF YOU HAVE AUTHORIZED A DIRECTOR OR OFFICER OF COTT TO ACT AS YOUR PROXYHOLDER, YOUR SHARES WILL BE VOTED AT THE MEETING:

- FOR ELECTION OF THE NOMINEES NAMED IN THE CIRCULAR AS DIRECTORS, AND
- FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS.

For more information on these matters, please see "Election of Directors" on page 4 and "Auditors -- Appointment of Auditors" on page 23.

If any amendments are proposed to these matters, or if any other matters properly arise at the meeting, your proxyholder can generally vote your shares as he or she sees fit. The notice of the meeting sets out all the matters to be

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

presented at the meeting that are known to management as of March 21, 2005.

HOW DO YOU DEPOSIT A PROXY?

To be valid, the proxy must be filled out, correctly signed (exactly as your name appears on the proxy form) and returned to the Toronto office of our transfer agent, Computershare Trust Company of Canada, by delivering it to:

100 University Avenue
9th Floor
Toronto, Ontario
M5J 2Y1

Attention: Secretary of Cott Corporation
Fax: (416) 263-9524 or 1-866-249-7775 (toll-free in Canada and the U.S.)

by 4:30 p.m. (Toronto time) on April 20, 2005 (or the last business day before any reconvened meeting if the meeting is adjourned) or by presenting it to the Chairman of the meeting before commencement of the meeting (or before the reconvened meeting if the meeting is adjourned).

HOW DO YOU REVOKE YOUR PROXY?

If you want to revoke your proxy after you have delivered it, another properly executed form of proxy bearing a later date should be delivered by you as set out above under "How do You Deposit a Proxy?" or you can clearly indicate in writing that you want to revoke your proxy and deliver this written document to our principal executive office at:

207 Queen's Quay West
Suite 340
Toronto, Ontario
Canada
M5J 1A7

Attention: Secretary
Fax: (416) 203-5609

This revocation must be received by us before the meeting (or before the date of the reconvened meeting if the meeting is adjourned) or be given to the Chairman of the meeting before commencement of the meeting (or before the reconvened meeting if the meeting is adjourned), or in any other way permitted by law.

2

If you revoke your proxy and do not replace it with another form of proxy that is properly deposited, you may still vote shares registered in your name in person at the meeting.

VOTING BY NON-REGISTERED BENEFICIAL SHAREOWNERS

You may be a non-registered beneficial shareowner (as opposed to a registered shareowner) if your shares are held on your behalf, or for your account, by an intermediary, such as a broker, a securities dealer, a bank or a trust company. Intermediaries generally are required to forward meeting materials to the persons for whom they hold shares. If you are a non-registered beneficial shareowner, it is your intermediary that legally will be entitled to vote your shares at the meeting. To vote your shares, you must carefully follow the instructions that your intermediary provides you. Instead of completing the form of proxy that we have provided, you likely will be asked to complete and deliver a different form to your intermediary. This form will instruct the intermediary how to vote your shares at the meeting on your behalf.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

As a non-registered beneficial shareowner, while you are invited to attend the meeting, you will not be entitled to vote at the meeting unless you make the necessary arrangements with your intermediary to do so.

CONFIDENTIALITY OF VOTE

Computershare Trust Company of Canada counts and tabulates proxies in a manner that preserves the confidentiality of your votes. Proxies will not be submitted to management unless:

- there is a proxy contest,
- the proxy contains comments clearly intended for management, or
- it is necessary to determine a proxy's validity or to enable management and/or the board of directors to meet their legal obligations to shareowners or to discharge their legal duties to Cott.

QUORUM

The annual meeting requires a quorum, which for this meeting means:

- at least two persons personally present, each being a shareowner entitled to vote at the meeting or a duly appointed proxy for an absent shareowner so entitled, and
- persons owning or representing not less than a majority of the total number of our shares entitled to vote.

HOW WILL RESOLUTIONS BE PASSED?

All matters that are scheduled to be voted upon at the meeting are ordinary resolutions. Ordinary resolutions are passed by a simple majority: if more than half of the votes that are cast are in favour, the resolution passes. (Special resolutions require approval of at least two-thirds of the votes cast. NO SPECIAL RESOLUTIONS ARE CONTEMPLATED AT THE MEETING.) Directors who receive the highest vote totals will be elected as directors. Cumulative voting in the election of directors is not permitted. All other matters must be approved by a majority of the votes cast by shareowners that are present or represented and entitled to vote at the meeting. Abstentions (including abstentions by brokers) are counted as present and entitled to vote for purposes of establishing a quorum, but they are not counted as votes for or against any proposal.

PLEASE COMPLETE YOUR PROXY

Our management, with the support of the board of directors, requests that you fill out your proxy to ensure your votes are cast at the meeting. THIS SOLICITATION OF YOUR PROXY (YOUR VOTE) IS MADE ON BEHALF OF MANAGEMENT. We will pay the cost of proxy solicitation, which primarily will be by mail. Proxies also may be solicited by telephone, in writing or in person by our employees or our transfer agent.

PROCEDURE FOR CONSIDERING SHAREOWNERS PROPOSALS

If you want to propose any matter for a vote by shareowners at our 2006 annual meeting, you must send your proposal to our Secretary. In order for your proposal to be considered for inclusion in the 2006 proxy circular and proxy, it must be received by our Secretary by no later than December 23, 2005 at Cott Corporation, 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The filing reports sole voting power as to 5,262,300 shares and sole dispositive power with respect to 6,151,600 shares.
- (2) Based on information provided on an amended Schedule 13G filed February 14, 2005 with the Securities and Exchange Commission. - (3) Franklin Resources, Inc. FRI reported that the advisory contracts grant to the applicable investment advisory subsidiaries all investment and/or voting power over the securities owned by their investment advisory clients. Accordingly, these subsidiaries may be deemed to be the beneficial owner of these shares. FRI also reported that Charles B. Johnson and Rupert H. Johnson Jr. (the "FRI Principal Shareholders") each own in excess of 10% of the outstanding common stock of FRI and are the principal shareholders of FRI, and therefore may be deemed to be the

FRI reported that Franklin Templeton Investments Corp., an investment advisory subsidiary, holds sole voting power as to 2,086,375 shares and sole dispositive power with respect to 3,973,500 shares. FRI, the FRI Principal Shareholders and the investment advisory subsidiaries disclaim any economic interest or beneficial ownership in the shares and are of the view that they are not acting as a "group" for purposes of Section 13(d) under the Securities Exchange Act of 1934. The address of Franklin Templeton Investments Corp. is 1 Adelaide Street East, Suite 2101, Toronto, Ontario, Canada M5C 3B8. ELECTION OF DIRECTORS

The Corporate Governance Committee of the board reviews annually the qualification of persons proposed for election to the board and submits its recommendations to the board for consideration. In the opinion of the Corporate Governance Committee and the board, each of the eleven nominees for election as a director is well qualified to act as a director of Cott and, together, the nominees bring the mix of independence, expertise and experience necessary for the board and its committees to function effectively. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Our directors and executive officers and beneficial owners of more than 10% of our common shares, as well as certain affiliates of those persons, must file reports with the Securities and Exchange Commission showing the number of common shares they beneficially own and any changes in their beneficial ownership.

Based on our review of these reports, and written representations, if any,

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

of our directors and executive officers and beneficial owners of more than 10% of our common shares, as well as certain affiliates of those persons, we believe that all required reports were filed in 2004 in a timely manner except that a report of two trades made by Mark Benadiba on February 26, 2004 and February 27, 2004 was not filed until March 2, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Seven of the nominees for director, Colin J. Adair, W. John Bennett, Serge Guoin, Betty Jane Hess, Philip B. Livingston, Christine A. Magee and Andrew Prozes are unrelated and outside directors whom the board has determined are independent within the meaning of the rules of the New York Stock Exchange. An "unrelated director" is a person who is independent of management and is free from any interest or any business or other relationship, other than interests and relationships arising from owning our shares, which could, or could reasonably be perceived to, materially interfere with his or her ability to act with a view to our best interests. A director is "independent" in accordance with the rules of the New York Stock Exchange if the board affirmatively determines that such director has no material relationship with us (either directly or as a partner, shareowner or officer of an organization that has a relationship with us).

Mr. Adair has business relationships with certain members of management through his position as an investment advisor at CIBC World Markets Inc. The board has determined that Mr. Adair is an unrelated, independent director on the basis that such relationships are not sufficiently significant to Mr. Adair's role with CIBC World Markets Inc. (and account for well below 2% of the gross revenues test in the rules of the New York Stock Exchange) to affect his ability to act with a view to our best interests and were not material to us, Mr. Adair or CIBC World Markets Inc.

Donald G. Watt is an unrelated and outside director. Prior to June 2003, Mr. Watt was Chairman of Watt International Inc. ("WII"), which has a purchase and restricted services agreement with us with an approximate remaining term of four years. Under the terms of that agreement, WII provides us with packaging and collateral material and store design services. We have agreed that we will not, subject to certain exceptions, engage another party to provide the services described in the purchase and restricted services agreement in Canada, the U.S. and Mexico during the ten-year period ending June 1, 2009. We may, however, perform the services under the purchase and restricted services agreement using our own employees. During the last fiscal year, we paid WII \$203,796 under that agreement. In 2002, we paid Deuteronomy Inc. (of which Mr. Watt is the sole shareowner) C\$208,333 for consulting services. Payments to Deuteronomy Inc. for these services ceased in June 2002. As a result of the "look back" provisions of the rules of the New York Stock Exchange, as of November 4, 2004 Mr. Watt is currently considered not independent. However, Mr. Watt is eligible to be considered an independent director under the rules of the New York Stock Exchange in June 2005. DW + Partners Inc., a company of which Mr. Watt is chairman and chief executive officer and a significant shareowner, was also engaged by us in late 2003 and early 2004 for one project for which that company was paid C\$25,000. The board does not consider this arrangement to render Mr. Watt ineligible to be considered independent in June 2005.

Mr. Weise and Mr. Sheppard are related inside directors, as each is an employee and officer or past employee or officer. Mr. Halperin is an outside director but, as the brother of Mark R. Halperin, our senior vice-president, general counsel and secretary, he may be considered to be a related director. Mr. Halperin is also a partner of Goodmans LLP, a law firm that provides counsel to us on a regular basis. None of Messrs. Weise or Sheppard (because of their past and present executive positions with us) or Halperin (because of his relationship to one of our executive officers) is an independent director within the meaning of the rules of the New York Stock Exchange.

STOCK OPTION GRANTS

During the fiscal year ended January 1, 2005, options to purchase a total of 1,538,750 common shares were granted to employees and directors. The following table provides a summary of grants in 2004 of options to purchase common shares under the Restated 1986 Common Share Option Plan, as amended, to each of the named executive officers. The amounts in the columns headed "5%" and "10%" represent hypothetical gains that could be achieved if the options were to be exercised at the end of the option term. The gains are based on assumed rates of stock appreciation of 5% and 10% compounded annually from the dates on which the respective options were granted to their respective expiration dates. The dollar amounts in the table below are in Canadian dollars because the exercise price of the options is in Canadian dollars.

EMPLOYMENT AGREEMENTS

John K. Sheppard, Mark Benadiba, Raymond P. Silcock, Mark R. Halperin and Colin D. Walker have individual contracts of employment for an unspecified term, which provide for annual base salaries at rates not less than the amounts reported in the Summary Compensation Table for 2004. Each of these agreements provides for:

- the payment of bonuses consistent with market and industry standards from time to time and which are based upon the achievement of agreed upon criteria established from time to time by the Human Resources and Compensation Committee, and
- customary allowances and perquisites.

Each of the named executive officers participates in both short-term and

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

long-term incentive programs that we provide. The level of participation is determined by our Human Resources and Compensation Committee and varies by named executive officer.

If we terminate Mr. Sheppard's employment for any reason other than for just cause, disability or death or if Mr. Sheppard terminates his employment for good reason (which includes a reduction in salary or benefits, a relocation

11

of his principal place of business in certain instances, or a material diminution in his duties), he will receive a severance payment equal to the aggregate of:

- 24 months of base salary and base bonus,
- a pro rated bonus for the year in which the termination occurs, and
- the amount contributed to the executive investment share purchase plan on his behalf for the year immediately preceding the termination, and

subject to the terms of our benefit plans in existence from time to time we will continue all group insurance benefits for a period of up to 24 months following the termination date (unless he finds alternate employment that provides comparable benefits). In addition, if Mr. Sheppard's employment is terminated for any reason (other than just cause or his voluntary resignation other than for good reason prior to his 55th birthday), beginning on the later of the date of the termination or Mr. Sheppard's 55th birthday, Mr. Sheppard and his spouse (as long as either of them live) and his daughter (until her 21st birthday) will be entitled to health insurance benefits (medical, dental, and vision care, including prescriptions) to the level provided for in Mr. Sheppard's employment agreement.

If, following a change of control, Mr. Sheppard's employment is (i) terminated by us other than for just cause, or is deemed terminated, or (ii) Mr. Sheppard terminates his employment for good reason, he shall be entitled to receive a payment equal to:

- 36 months of his base salary,
- 36 months of bonuses, based on the average of the bonuses paid to him over the prior two years (or for any termination of employment prior to January 1, 2006, based upon certain target bonus amounts), and
- 36 months of past contributions to the executive investment share purchase plan made on Mr. Sheppard's behalf (such contributions to be calculated, for any termination of employment prior to January 1, 2006 as \$600,000 per year and for any termination thereafter as the average contributions to such plan made on Mr. Sheppard's behalf for the prior two years).

In addition, Mr. Sheppard shall be entitled to a continuation of his benefits, as discussed above. All unvested options and other amounts, benefits or entitlements under Mr. Sheppard's employment agreement vest immediately upon a change of control.

A "change of control" means any person or group of persons acquiring more than 50% of our outstanding voting shares, a sale by us of all or substantially all of our undertakings and assets or the voluntary liquidation, dissolution or winding-up of Cott.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

If we terminate Mr. Benadiba's employment without cause, other than by reason of his death prior to July 6, 2006 (the "window period"), he is entitled to receive the aggregate of:

- two times his base salary paid to him plus two times the cash value of benefits and perquisites during the most recently completed 12 months, and
- two times the greater of:
 - his target base bonus at the date of termination or deemed termination, and
 - C\$500,000.

If Mr. Benadiba voluntarily terminates his employment prior to the end of the window period (other than in the case of a deemed termination), he is entitled to the aggregate of:

- his base salary paid to him plus the cash value of benefits and perquisites during the most recently completed 12 months, and
- the greater of:
 - his target base bonus at the date of termination or deemed termination, and
 - C\$500,000.

If we terminate Mr. Silcock's employment for any reason other than just cause, he will receive a severance payment equal to 24 months' base salary, bonus, car allowance and benefits, excluding short and long term disability and out of country benefits.

12

If we terminate Mr. Halperin's employment for any reason other than just cause, he will receive a severance payment equal to 24 months' base salary, bonus, car allowance and benefits, excluding short and long term disability and out of country benefits.

If we terminate Mr. Walker's employment for any reason other than just cause, he will receive a severance payment equal to 24 months' base salary, bonus, car allowance and benefits, excluding short and long term disability and out of country benefits.

Messrs. Sheppard, Silcock, Halperin and Walker have each agreed to a restrictive covenant which generally limits their ability to compete with us in Canada, the United States and the United Kingdom (or in the case of Mr. Sheppard in any countries in which we conduct business) during the term of their employment and for a period of 24 months following the termination of their employment (regardless of the cause of the termination).

As stated earlier, Mr. Weise resigned as our chief executive officer on August 31, 2004. Pursuant to an employment agreement with Mr. Weise that was effective while he was our chief executive officer, we are responsible for the cost of health insurance benefits (medical, dental, and vision care, including prescriptions) for Mr. Weise and his spouse, for as long as either of them shall live, equal to the greater of health insurance benefits provided from time to time to our chief executive officer (or other highest paid officer if there is no chief executive officer) and the health insurance benefits received by Mr.

REPORT ON EXECUTIVE COMPENSATION

HUMAN RESOURCES AND COMPENSATION COMMITTEE

The Human Resources and Compensation Committee is responsible for reviewing, developing and recommending to the board the appropriate management compensation policies, programs and levels. The committee develops performance objectives in conjunction with the chief executive officer and assesses the performance of the chief executive officer and reviews the performance of the other senior executive officers at least annually in relation to these objectives.

The committee is ultimately responsible for determining the level and nature of Cott's executive compensation. The committee has access, at Cott's expense, to independent, outside compensation consultants for both advice and competitive data for the purpose of making such determinations. The committee believes that the compensation policies and programs as outlined below ensure that levels of executive compensation truly reflect Cott's performance, thereby serving the best interests of Cott's shareowners.

COMPENSATION PRINCIPLES

Cott is committed to the philosophy of partnership and to sharing the benefits of success with those who help Cott grow. Cott's strength and ability to sustain growth is based on an organization that perceives people as its single most important asset. The committee's goal is to provide sufficient compensation opportunities for executives in order to attract, retain and motivate the best possible management team to lead Cott in the achievement of both its short and long-term performance goals. The committee believes that compensation significantly based on performance is more likely to enhance Cott's financial success, which leads to the improvement of shareowner value. With these goals in mind, Cott has adopted an annual bonus plan, an employee share option plan, an employee share purchase savings plan and an executive investment share purchase plan to:

- increase the risk/reward ratio of Cott's executive compensation program,
- focus management on long-term strategic issues, and
- align management's interests with those of Cott's shareowners in the sustained growth of shareowner value.

COMPENSATION ELEMENTS AND DETERMINATION PROCESS

Compensation for executive officers, including the chief executive officer, consists of a base salary, opportunities for bonus cash compensation, and long-term compensation in the form of stock options, the share purchase savings plan and the executive investment share purchase plan. As set out under "Employment Agreements" each of the named executive officers has a written agreement. The committee's role is to determine what adjustments to base salary, the amount of bonus, performance targets for performance-based compensation, and the appropriate level and targets for other compensation, if any, would be appropriate for the executives. The committee negotiated and approved

the arrangement with Mr. Sheppard in connection with his appointment as Chief Executive Officer effective in September 2004. Management negotiates, and the committee approves, arrangements with each of Cott's other named executive

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

officers.

In reviewing and determining executive compensation, the committee examines each component individually as well as total compensation as a whole. The committee determines each executive officer's compensation with reference to relevant industry norms, experience, past performance, level of responsibility and personal requirements and expectations. The committee reviews salary levels periodically and may make adjustments, if warranted, after an evaluation of executive and company performance, salary increase trends in our geographic marketplace, current salary competitive positioning, and any increase in responsibilities assumed by the executive. The committee has, from time to time, considered the advice of independent consultants with respect to compensation matters. In appropriate circumstances, the committee may augment cash compensation with the payment of bonuses to more closely align an individual's overall compensation with his or her performance, or the profitability of the business unit for which the individual is accountable. The committee may determine bonuses and levels of other compensation using overall corporate or business segment performance targets. The committee sets performance objectives and target levels on an annual basis, and assesses executives against these targets in determining their overall compensation.

In supporting the philosophy of linking executives and officers and shareowners, the committee has established certain required minimum holding levels of Cott's common shares for executives and officers. These levels are to be met by the later of December 31, 2005 and three years after the executive became a member of management. All of the named officers currently comply with these requirements or it is anticipated that they will comply within the timeline provided. The minimum holding levels that the committee requires are:

POSITION	SALARY MULTIPLE
Chief Executive Officer	5X
Executive Vice Presidents, Senior Vice Presidents	3X
Other officers and vice presidents of Cott and its subsidiaries	1 1/2X - 2X

LONG-TERM INCENTIVES

The Human Resources and Compensation Committee considers long-term incentives to be an essential component of executive compensation so that a proper balance exists between short and long-term considerations and enhancing shareowner value. There are several components to Cott's long-term incentive program. The committee considers the level of each executive's participation in the program by assessing his or her current level of participation and, in light of that participation, the extent to which further participation will assist in achieving the goals of the program.

OPTION PLAN

The board of directors and the committee believe that the grant of equity incentives is one component of an overall compensation plan and is standard and expected in Cott's industry. The directors and the committee believe that awards

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

under the plan play an important part in enabling Cott to attract, retain and motivate employees in the extremely competitive industry in which Cott operates. To that end, Cott maintains a stock option plan that is administered by the committee.

ADMINISTRATION

The committee administers the Option Plan and has the power and authority to construe and interpret the Option Plan and any awards made under the Option Plan. The committee determines who is eligible to participate in the Option Plan, the number of common shares for which options are granted, the date of grant of options and the vesting period for each option. The board of directors may amend the Option Plan at any time provided that shareholder and regulatory or stock exchange approval of the amendments, if required, is received prior to the issuance of options under the amended Option Plan.

14

OPTION AWARDS

The grant of options and the issuance of shares under the Option Plan are subject to the following limitations:

- the number of common shares subject to outstanding options may not exceed 15% of the common shares outstanding on the date of grant of the option;
- the aggregate number of common shares which may be issued to any one person pursuant to options granted under the Option Plan and any other share compensation arrangement shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant;
- the aggregate number of common shares which may be issued to directors who are not also officers or employees shall not exceed 0.5% of the aggregate number of common shares outstanding on the date of the grant;
- the aggregate number of common shares which may be issued, within a one year period, pursuant to options granted under the Option Plan and any other share compensation arrangement (A) to insiders, shall not exceed 10% of the aggregate number of common shares outstanding on the date of grant, and (B) to any one insider, together with such insider's associates, shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant, excluding, in each case, common shares issued pursuant to share compensation arrangements over the preceding one year period.

Options to acquire common shares are granted at the closing price on the Toronto Stock Exchange on the last trading day preceding the date of grant (other than options granted to U.S. participants who own more than 10% of our total combined voting power, which are granted at 110% of the Toronto Stock Exchange closing price). Options are nontransferable and have a term of not more than ten years. If a participant ceases to be a director, officer, employee or service provider, all vested unexercised options awarded to such participant will expire on the earliest of:

- the expiry date of such options;
- 60 days following the date the participant ceases to be a director, officer, employee or service provider (the "termination date"), or in the event of the death of a participant, 365 days following the date

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

of the death of such participant; and

- three years from the date of total and permanent disability or the retirement of a participant.

All unvested options held by a participant will be forfeited on the date the participant ceases to be a director, officer, employee or service provider for reasons other than death, and all unvested options will fully vest upon the death of a participant. In addition, all unvested options held by participants will fully vest in the case of:

- a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity;
- a sale of all (or substantially all) of Cott's undertakings and assets; or
- a proposal made in connection with Cott's liquidation, dissolution, or winding-up.

If the number of outstanding shares is materially affected as a result of Cott's merger with another entity, or as a result of a rights offering or a reclassification, consolidation or subdivision of shares, participants will be entitled to receive the same consideration paid to the holders of shares in connection with the amalgamation, merger, rights offering, reclassification, consolidation or subdivision, as if they had exercised their options immediately prior to such event. Also, participants will have the right to exercise all vested and unvested options held by them if a take-over bid is made with a per-share offer price greater than (or equal to) their option exercise price, provided the take-over bid permits tendering by notice of guaranteed delivery. Any such exercise will be conditioned upon completion of the take-over bid.

At February 28, 2005, there were approximately 173 holders of options under the Option Plan and approximately 3,236 people (being all of Cott's directors, officers and employees, as well as certain service providers) were eligible to participate in the Option Plan. The market value of common shares underlying options outstanding as of February 28, 2005 was \$100,669,488.

EXECUTIVE INVESTMENT SHARE PURCHASE PLAN

Cott has adopted an Executive Investment Share Purchase Plan for the purpose of retaining and rewarding those of Cott's officers and senior management employees as are designated by the committee each year and who exceed certain pre-determined annual performance objectives. This plan replaced the former Executive Incentive Share Compensation Plan. Under this plan, Cott contributes an amount, determined by the committee, in cash to an independent trust. The trust uses the contributed funds to purchase Cott's common shares on the open market on behalf of participants in the plan who exceed the annual performance objectives determined by the committee. Once purchased, the trustee will allocate, when directed by the committee, the number of common shares acquired on behalf of each participant based upon the amount contributed to the trust on behalf of each participant for that particular year. Generally, common shares in the trust will vest over a period of three years in favour of those participants for whom the amount was originally contributed (30% on the anniversary of the first day of the fiscal year after the grant for each of the two years immediately following the year in which common shares were purchased and 40% on the anniversary of the first day of the fiscal year after the grant

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

for the third year following the year in which the shares were purchased).

The maximum number of common shares that can be purchased under the plan in any year is, for the first fiscal year in which the plan was in effect, not more than 0.5% of the total number of common shares outstanding on the first day of that fiscal year and, for each subsequent fiscal year, the maximum number of common shares for the preceding year plus 0.5% of the total number of common shares outstanding on the first day of the fiscal year.

No shares are issued from treasury but are instead purchased on the open market so that the plan is not dilutive to shareowners.

Cott has contributed approximately C\$577,589 to the plan in respect of 2004 for the benefit of 31 participants in the plan.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Prior to September, 2004, Frank E. Weise III was Cott's chief executive officer. Mr. Weise's base salary as chief executive officer under his employment agreement was \$425,000 in 2004, however pursuant to an agreement between Cott and Mr. Weise, Mr. Weise agreed to receive a base salary of \$1.00. Mr. Weise suggested that the board consider establishing a scholarship fund in his and his wife's name. This scholarship fund was established last year. The cash bonus paid to Mr. Weise reflects the achievement of the applicable performance targets for a portion of the year prior to September 2004, as established by the committee. Mr. Sheppard assumed the position of chief executive officer effective September 1, 2004. Mr. Sheppard's base salary as chief executive officer in 2004 was based on an annual salary of \$550,000, which began on September 1, 2004. The cash bonus paid to Mr. Sheppard reflects the achievement of the applicable performance targets for the full year, as established by the committee. The committee has targeted Mr. Sheppard's total compensation, including base salary, bonuses and stock options at a level it believes is competitive with the amount paid by companies in the beverage industry and other similar industries.

The committee annually reviews with the chief executive officer his objectives for the upcoming year. In reviewing such objectives, the committee determines the structure of the chief executive officer's bonus plan. As part of its determination of bonus targets, the committee considers Cott's strategic plan as well as the chief executive officer's personal objectives. The committee sets targets for the chief executive officer to achieve within the framework of Cott's bonus plan. Both a target for achievement as well as a "stretch" target are set. For fiscal 2004, the committee considered what objectives would best drive Cott's results and shareowner value and in its view earnings per share was the most effective means of achieving those goals. Accordingly, the committee determined that the objectives for each of Mr. Weise and Mr. Sheppard as chief executive officer would be based on Cott's earnings per share.

COMPENSATION OF DIRECTORS

The lead independent director receives an annual retainer of C\$100,000. The other outside directors receive meeting fees in addition to their annual retainers as set out below, except for Mr. Weise. Pursuant to a letter agreement between us and Mr. Weise, Mr. Weise receives an annual fee of \$250,000 to serve as the chairman of our board. Under the letter agreement, we have agreed to submit Mr. Weise for election to the board at each annual meeting of our shareowners and to recommend to the board and any appropriate committee that he continue as chairman provided that (1) Mr. Weise is not disqualified by applicable law from acting as a director, (2) he is not in breach of the letter agreement, (3) he was elected to the board by the shareowners at the most recent meeting held for this purpose, and (4) we have not otherwise determined that it is not in our best interest to make such submissions or recommendations. The letter agreement will terminate on the earlier of (1) the date on which our shareowners do not elect Mr. Weise as a director; (ii) our directors (or any applicable committee) fail to appoint Mr. Weise as chairman of our board; and (iii) upon receipt of 120 days notice by either us or Mr. Weise that such party intends to terminate the letter agreement. Mr. Sheppard is a management director and as such does not receive directors' fees.

Directors are reimbursed for certain business expenses, including their travel expenses in connection with board and committee meeting attendance. Directors are required to own personally at least C\$50,000 worth of our common shares, which must be acquired within three years of joining the board or by December 2006, whichever is later. The shares may be acquired through our Share Plan for Non-Employee Directors.

Our Share Plan for Non-Employee Directors allows directors who are neither our employees nor our full-time officers to elect to receive their fees in the form of our common shares. Fees that would otherwise be payable to directors who elect to participate in the plan are paid to a third party trustee who uses the funds to purchase shares on the open market. The trustee allocates the number of shares attributable to each participant based on the amount of fees contributed in respect of that participant. A participant may only receive the shares purchased under the plan (or direct the trustee to sell the shares purchased on his or her behalf and receive the proceeds from the sale of such shares) upon ceasing to be a director. No shares are issued from treasury in connection with this plan and it is not dilutive to shareowners.

DIRECTORS AND OFFICERS INSURANCE

We provide insurance for the benefit of our directors and officers against certain liabilities that may be incurred by them in their capacity as directors and officers, as specified in the policy. The current annual policy limit is \$35,000,000. We are reimbursed for amounts paid to indemnify directors and officers, subject to a deductible of \$1,500,000 for securities claims and a deductible of \$500,000 for all other claims. The deductible is our responsibility. There is no applicable deductible if we are unable to indemnify. The annual premium, which is currently \$847,800, including sales taxes, is paid by us.

CORPORATE GOVERNANCE

GENERAL

The Toronto Stock Exchange has issued guidelines for effective corporate governance and requires listed companies annually to disclose their corporate governance practices. The guidelines address matters such as the composition, role and independence of corporate boards, their committees and the effectiveness and education of their members. Our board of directors is committed to instituting and maintaining corporate governance practices for the effective and prudent operation of Cott and for enhancing shareowner value. We believe that our governance practices meet the Toronto Stock Exchange guidelines.

BOARD AND MANAGEMENT ROLES

The board of directors has explicitly assumed responsibility for the stewardship of Cott, including:

- the adoption of a strategic planning process,
- the identification of the principal risks for Cott and the implementation of appropriate risk management systems,
- succession planning and monitoring of senior management,
- ensuring that we have in place a communications policy to enable us to communicate effectively and in a timely manner with our shareowners, other stakeholders and the public generally, and
- the integrity of our internal control and management information systems.

All decisions materially affecting Cott, our business and operations, including long-term strategic and operational planning, must be approved by the board prior to implementation. Each year management prepares a statement of

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

objectives, plans, performance standards and policies. This statement is submitted to the board of directors for its review and approval prior to implementation.

To assist in discharging its responsibilities effectively, the board has established three committees: the Audit Committee, the Corporate Governance Committee and the Human Resources and Compensation Committee. The roles of the committees as part of our governance process are outlined below, and their charters may be viewed on our website at www.cott.com. Each committee has the authority to retain special legal, accounting or other advisors.

ALLOCATION OF RESPONSIBILITY BETWEEN THE BOARD AND MANAGEMENT

There is no specific mandate for the board. The business and affairs of Cott are managed by or under the supervision of the board in accordance with all applicable laws and regulatory requirements. The board is responsible for providing direction and oversight, approving our strategic direction and overseeing the performance of our business and management. Management is responsible for presenting strategic plans to the board for review and approval and for implementing our strategic direction. The board has approved a job description for the chief executive officer, which specifically outlines the responsibilities of this position. One of these responsibilities is to prepare on behalf of management a written statement of management's objectives, plans, standards of performance and policies. This report is reviewed and approved annually by both the Human Resources and Compensation Committee and the entire board. Additionally, we have established a lead independent director role.

19

BOARD'S EXPECTATIONS OF MANAGEMENT

The board expects management to pursue the following objectives:

- produce timely, complete and accurate information on our operations and business and on any other specific matter that may, in management's opinion, have material consequences for us and our shareowners and other stakeholders,
- act on a timely basis and make appropriate decisions with regard to our operations, in accordance with all the relevant requirements and obligations and in compliance with our policies, with a view to increasing shareowner value,
- apply a rigorous budget process and closely monitor our financial performance in terms of the annual budget approved by the board,
- develop and implement a strategic plan in light of trends in the market, and
- promote high ethical standards and practices in conducting our business.

SHAREOWNER COMMUNICATIONS

We seek to maintain a transparent and accessible exchange of information with all of our shareowners and other stakeholders with regard to our business and performance, subject to the requirements of all applicable laws and any other limitations of a legal or contractual nature. In addition to our timely and continuous disclosure obligations under applicable law, we regularly distribute information to our shareowners and the investment community through conferences, webcasts made available to the public and press releases. Shareowners are invited to communicate with any of our directors, including the

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

lead independent director, by sending a letter to the attention of the director, c/o the Secretary of Cott, 207 Queen's Quay West, Suite 340, Toronto, Ontario M5J 1A7. The letter should indicate that you are a Cott shareowner. Unless the letter is primarily commercial in nature or if it relates to an improper or irrelevant topic, the Secretary or his designee will:

- forward it to the director or directors to whom it is addressed (or, if it is not directed toward a specific director, to our lead independent director), or
- attempt to have management respond directly, for example where a shareowner requests information about Cott or a share-related matter.

All communications not forwarded to the directors will be summarized for the directors and made available to the directors upon their request.

At each board meeting, a member of management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the directors upon request.

COMPOSITION OF THE BOARD

The Toronto Stock Exchange guidelines recommend that a majority of the directors be "unrelated". According to these guidelines, an "unrelated" director is one who is independent of management and free from any interest in any business or other relationship that could, or could reasonably be perceived to, materially interfere with his or her ability to act with a view to our best interests, other than interests and relationships arising from shareholding. The guidelines also recommend that the board should include a number of directors who do not have interests in or relationships with either us or any of our significant shareowners and that fairly reflect the investment in us by shareowners other than any significant shareowner. The board believes that it is appropriately constituted to meet the Toronto Stock Exchange guidelines.

Our articles permit a minimum of three and a maximum of 15 directors. There are eleven nominees for election to the board, a number that the board considers to be adequate given our size and the nature of our shareowner constituency.

Board members are encouraged to attend each annual meeting of shareowners. Last year 10 of the then 12 directors attended the annual meeting.

INDEPENDENCE OF THE BOARD

Mr. Weise is the chairman of our board. Mr. Gouin, an unrelated, independent director, serves as our lead independent director and presides at meetings of non-management directors.

20

At all meetings of the board and committees of the board, any outside board member may request that all members of management, including management directors, be excused so that any matter may be discussed without any representative of management being present. The outside directors meet independently of management as part of each regularly scheduled quarterly meeting of the board.

The Toronto Stock Exchange guidelines suggest that every board should have in place appropriate structures and procedures to ensure that it can function independently of management. Each of the Human Resources and Compensation Committee, the Corporate Governance Committee and the Audit Committee is comprised of entirely unrelated, independent directors, which helps the board to

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

function independent of management. The board oversees the establishment and function of all committees, the appointment of committee members and their conduct. The board has considered the independence of each of its members for purposes of the rules of the New York Stock Exchange. See "Certain Relationships and Related Transactions".

BOARD COMMITTEES

HUMAN RESOURCES AND COMPENSATION COMMITTEE

Members -- Serge Gouin (Chair), Betty Jane Hess, Christine A. Magee

The board has determined that each member of the committee is an unrelated outside director who is independent within the meaning of the rules of the New York Stock Exchange. See "Certain Relationships and Related Transactions". The committee's mandate includes:

- reviewing, approving and, where appropriate, recommending compensation levels for our senior officers and directors, including our chief executive officer,
- reviewing and approving incentive compensation to be allocated to our employees, including senior officers, and
- reviewing and recommending the remuneration to be paid to members of the board.

The committee also is responsible for reviewing and reporting annually to the board of directors on our organizational structure and ensuring that an appropriate succession plan for the chief executive officer and our senior officers has been developed. The committee met 7 times in 2004.

CORPORATE GOVERNANCE COMMITTEE

Members -- Colin Adair, Serge Gouin (Chair), Philip B. Livingston

The board has determined that each member of this committee is an unrelated outside director who is independent within the meaning of the rules of the New York Stock Exchange. The Corporate Governance Committee is responsible for developing and monitoring our approach to corporate governance issues in general. Specifically, the Corporate Governance Committee is responsible for:

- reviewing and recommending changes to the mandates of the board committees,
- ensuring compliance with the guidelines, rules and requirements that are applicable to us,
- identifying and recommending the nomination of new members to the board and its committees and identifying and proposing to the board nominees for each annual meeting of shareowners (and as such functions as a nominating committee),
- ensuring that management develops, implements and maintains (a) appropriate orientation and education programs for directors and (b) a continuing education policy designed to foster a more extensive knowledge of the business on the part of the board,
- monitoring and assessing the individual and collective effectiveness of the board and its committees,
- monitoring the quality of relationship between management and the board

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

and recommending any areas for improvement,

- reviewing and assessing annually our Corporate Governance Guidelines, and
- reviewing and, as appropriate, modifying the Code of Business Conduct and Ethics, and pre-approving any request for a waiver of such Code.

21

In selecting candidates for the board, the Corporate Governance Committee applies a number of criteria, including:

- each director should be an individual of the highest character and integrity,
- each director should have sufficient experience to enable the director to make a meaningful contribution to the board and to Cott,
- each director should have sufficient time available to devote to our affairs in order to carry out his or her responsibilities as a director,
- each person who is nominated as an independent director should meet all of the criteria established for independence under applicable securities or stock exchange laws, rules or regulations,
- whether the residency of the nominee will impact residency and qualification requirements under applicable legislation relating to the composition of the board and its committees, and
- whether the person is being nominated, or is precluded from being nominated, to fulfill any contractual obligation we may have.

The committee considers suggestions as to nominees for directors from any source, including any shareowner. Shareowners wishing to suggest a candidate for a director should write to our Secretary at our executive office and include:

- a statement that the writer is a shareowner and is proposing a candidate for consideration by the Corporate Governance Committee,
- the name and contact information for the candidate,
- a statement of the candidate's business and educational experience,
- information regarding each of the factors listed above, other than those in respect of board size and composition, to enable the committee to evaluate the candidate,
- a statement detailing the relationship between the candidate and us or any of our customers, suppliers or competitors,
- detailed information about any relationship or understanding between the writer and the proposed candidate, and
- a statement that the candidate is willing to be considered as a candidate and willing to serve as a director if nominated and elected.

The Corporate Governance Committee may from time to time engage outside advisors to assist in identifying and evaluating potential nominees to the board. In 2004, we engaged an outside advisor to assist in identifying potential candidates to the board and with the assistance of that advisor the Corporate

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Governance Committee recommended Ms. Betty Jane Hess and Mr. Andrew Prozes to the board. The advisor worked jointly with the Corporate Governance Committee to identify, interview and check the references for potential candidates. Ms. Hess joined our board after a successful business career at Arrow Electronics, Inc. where she rose to the position of Senior Vice President, Worldwide Operations. Ms. Hess's operational knowledge, in addition to her prior board experience, will supplement the strengths of our other board members. Mr. Prozes joined our board in January 2005. He is currently the chief executive officer of LexisNexis Group. His international experience as well as his experience as an operating chief executive officer for a multinational company is expected to add significant value, making him an important resource to our board and management.

The Corporate Governance Committee met 4 times in 2004.

AUDIT COMMITTEE

Members -- W. John Bennett, Philip B. Livingston (Chair), Andrew Prozes

The Audit Committee reports directly to the board. Each member is an unrelated outside director and has been determined by the board to be independent within the meaning of the rules of the New York Stock Exchange.

The committee, on behalf of the board, oversees the integrity of our annual and interim consolidated financial statements, compliance with applicable legal and regulatory requirements, significant financial reporting issues, the internal audit function, the annual independent audit of our financial statements, the independent auditors'

qualifications and independence, the performance of our internal auditors and independent auditors and is responsible for satisfying itself that we have implemented appropriate systems of internal controls. The committee reviews the terms of engagement and proposed overall scope of the annual audit with management and the independent auditor. See "Auditors -- Audit Committee Report".

The committee operates pursuant to a written charter that was approved and adopted by the board on March 7, 2001 and updated in March, 2004. As required by the New York Stock Exchange rules, the board has determined that each member of the committee is financially literate and that Mr. Livingston qualifies as an "audit committee financial expert" within the meaning of the rules of the U.S. Securities and Exchange Commission. The committee met 8 times in 2004.

PRE-APPROVAL POLICIES AND PROCEDURES

In engaging our independent auditor, the Audit Committee considers the following guidelines:

- For audit services, the independent auditor is to provide the committee with an engagement letter during the last quarter of each fiscal year outlining the scope of the audit services proposed to be performed in the next fiscal year. If agreed to by the committee, this engagement letter will be formally accepted by the committee. The independent auditor is to submit an audit services fee proposal for approval by the committee.
- For non-audit services, management will periodically submit to the committee for approval in advance a description of particular non-audit services that it is recommending be provided by the independent auditor. Management and the independent auditor will each confirm to the committee that each proposed non-audit

service is permissible under applicable legal requirements. The committee must approve permissible non-audit services in order for us to engage the

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

independent auditor for such services. The committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this process.

- If management proposes that the committee engage the independent auditor to provide a non-audit service that is not contemplated or approved by the committee pursuant to the process outlined above, management will submit the request to the committee. Our management and the independent auditor will each confirm to the committee that such non-audit service is permissible under all applicable legal requirements. Management will also provide an estimate of the cost of such non-audit service. The committee must approve the engagement for the non-audit service and the fees for such service prior to our engagement of the independent auditor for the purposes of providing such non-audit service.

Any amendment or modification to an approved permissible non-audit service must be approved by the committee or the chair of the committee prior to the engagement of the auditors to perform the service.

All of our audit related fees and tax fees in 2004 were pre-approved by the Audit Committee in 2004. The Audit Committee has determined that the provision of the non-audit services for which these fees were rendered is compatible with maintaining the independent auditor's independence.

One or more representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have an opportunity to make a statement as he or she may desire and will be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Cott's audited financial statements and Management's Report on Internal Control over Financial Reporting.

The committee reviewed with the independent auditor their judgment as to the quality, not just the acceptability, of Cott's accounting principles and such other matters as the committee and the auditors are required to discuss under generally accepted auditing standards, in particular those matters required to be discussed by Statement of Auditing Standards No. 61, "Communications with Audit Committees", as amended by Statement of Auditing Standards No. 90, "Audit Committee Communications". The committee also reviewed with management and PricewaterhouseCoopers LLP the critical accounting policies underlying Cott's financial statements and how these policies were applied to the financial statements.

The audit committee received the written disclosures and the letter from the auditor required by the Independence Standards Board Standard No. 1. The committee discussed with the auditors the auditor's independence from Cott and management, including the matters that are required to be disclosed in writing by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

Based on the foregoing reviews and discussions, the committee recommended to the board of directors that the audited financial statements and Management's Report on Internal Control over Financial Reporting be included in Cott's annual report on Form 10-K for the year ended January 1, 2005 for filing with the U.S. Securities and Exchange Commission.
