IInnofone.com, Incorporated (the "Company") is incorporated under the laws of the State of Nevada. The Company, through its legal subsidiary Innofone Canada Inc. ("Innofone Canada"), operated in Canada in the telecommunications business of providing long distance telephone services, cellular services and internet services until May 3, 2001 as described below.

1. BASIS OF PRESENTATION:

The unaudited pro forma balance sheet has been prepared by management to give effect to the effective disposition of the assets of Innofone Canada as at March 31, 2001 as a result of it being deemed bankrupt on

Edgar Filing: INNOFONE COM INC - Form 8-K/A

May 3, 2001. The pro forma income statement has been adjusted to exclude the operations of Innofone Canada commencing from July 1, 1999. These pro forma adjustments reflect only direct costs and assets and liabilities of Innofone Canada. On February 26, 2001, a Petition for a Receiving Order ("Petition") under the Bankruptcy and Insolvency Act (Canada) was filed by 9024-9574 Quebec Inc. against Innofone Canada Inc. The effect of issuing a Receiving Order against Innofone Canada Inc. could render the company bankrupt as determined by the bankruptcy courts. On April 11, 2001, Innofone Canada filed a Notice of Intent to File a Proposal ("NOI") to its creditors, and subsequently filed a cash flow statement with the bankruptcy authorities. The effect of filing the NOI staid the hearing of the petition, and gave the company time to consider how it intended to restructure its debt. On May 2, 2001, the company attended a hearing at which a creditor was filing a motion to have the stay of the NOI lifted and have Innofone Canada declared bankrupt. The company was unsuccessful in defeating the motion and on May 3, 2001, Innofone Canada Inc. was declared bankrupt. The trustee, Raymond Chabot Inc. is in the process of liquidating the assets of Innofone Canada Inc.

As a result of the bankruptcy of Innofone Canada, the Company has lost control of the assets of its legal subsidiary. These pro forma financial statements have been prepared to give effect to the disposition of the operating assets of Innofone Canada.

1. BASIS OF PRESENTATION (CONTINUED)

During the period from January 15, 2001 to May 3, 2001, Innofone Canada Inc. was delayed in billing all of its customers for long distance, cellular and internet services rendered. The Trustee has now rendered these bill runs and has paid the claims of Innofone Canada's secured and preferred creditors, leaving funds to be disbursed to the unsecured creditors. Innofone.com, Incorporated is a major unsecured creditor and has submitted a claim in the amount of CDN\$5,481,467.27 representing approximately 2/3 of the total unsecured claims against Innofone Canada. At this time it cannot be determined the extent of any recoveries that may be available to Innofone.com, Inc. from the realization of the disposition of the assets of Innofone Canada Inc.
