PROSPECTUS SUMMARY

This summary highlights certain information appearing elsewhere in this prospectus. This summary does not contain all the information you should consider before investing in the securities. Before making an investment decision, you should read the entire prospectus carefully together with the documents incorporated by reference into this prospectus and described in “Information Incorporated by Reference” and the additional information described under the heading “Where You Can Find More Information.” Unless otherwise stated in this prospectus, references to “registrant,” “we,” “us” or “our company” refer to India Globalization Capital, Inc. and its subsidiaries.

Background of India Globalization Capital, Inc.  
(IGC)

IGC, a Maryland corporation, was organized on April 29, 2005 as a blank check company formed for the purpose of acquiring one or more businesses with operations primarily in India through a merger, capital stock exchange, asset acquisition or other similar business combination or acquisition. On March 8, 2006, we completed an initial public offering. On February 19, 2007, we incorporated India Globalization Capital, Mauritius, Limited (IGC-M), a wholly owned subsidiary, under the laws of Mauritius. On March 7, 2008, we consummated the acquisition of 63% of the equity of Sricon Infrastructure Private Limited (Sricon) and 77% of the equity of Techni Bharathi Limited (TBL). The shares of the two Indian companies, Sricon and TBL, are held by IGC-M.

Most of the shares of Sricon and TBL acquired by IGC were purchased directly from the companies. IGC purchased a portion of the shares from the existing owners of the companies. The founders and management of Sricon own 37% of Sricon and the founders and management of TBL own 23% of TBL.

In connection with the acquisitions, IGC borrowed approximately \$17,000,000 from Sricon. As the money was borrowed from Sricon, the repayment of the loan would not leave the consolidated balance sheet but would go towards expansion capital for the subsidiary. However, non repayment could result in a decrease of our ownership of Sricon

The acquisitions were accounted for under the purchase method of accounting. Under this method of accounting, for accounting and financial purposes, IGC-M, Limited was treated as the acquiring entity and Sricon and TBL as the acquired entities. The financial statements provided here and going forward are the consolidated statements of IGC, which include IGC-M, Sricon, TBL and our other subsidiaries. However, historical description of our business for periods and dates prior to March 7, 2008 include information on Sricon and TBL.

Unless the context requires otherwise, all references in this report to the “Company”, “IGC”, “we”, “our”, and “us” refer to India Globalization Capital, Inc, together with its wholly owned subsidiary IGC-M, and its direct and indirect subsidiaries (Sricon, TBL, IGC-IMT, IGC-MPL and IGC-LPL).

Background of Indian Subsidiaries

Sricon Infrastructure Private Limited (“Sricon”) was incorporated as a private limited company on March 3, 1997 in Nagpur, India. Sricon is an engineering and construction company that is engaged in three business areas: 1) civil construction of highways and other heavy construction, 2) mining and quarrying and 3) the construction and maintenance of high temperature cement and steel plants. Sricon present and past clients include various Indian government organizations.

Techni Bharathi Limited (“TBL”) was incorporated as a public (but not listed on the stock market) limited company on June 19, 1982 in Cochin, India. TBL is an engineering and construction company engaged in the execution of civil construction and structural engineering projects. TBL has a focus in the Indian states of Andhra Pradesh, Karnataka, Assam and Tamil Nadu. Its present and past clients include various Indian government organizations.

Indian IGC Materials, Private Limited (IGC-MPL) and IGC Logistics, Private Limited (IGC-LPL), are based in Nagpur India and were incorporated in June 2009. They are wholly owned subsidiaries of IGC-M. The two companies focus on infrastructure materials like rock aggregate, bricks, concrete and other material as well as the logistical support for the transportation of infrastructure material. IGC India Mining and Trading (IGC IMT) was incorporated in December 2008 in Chennai, India. IGC-IMT is involved with the export of iron ore to China.

PLAN OF DISTRIBUTION

Pursuant to the terms of the warrants, the shares of common stock will be distributed to those warrant holders who surrender the certificates representing the warrants and provide payment of the exercise price through their brokers to our warrant agent, Continental Stock Transfer & Trust Company. Pursuant to the terms of the unit purchase option, the units will be distributed to the option holder delivering a duly executed and completed exercise form to us together with payment for the exercise price.

The Selling Stockholders may, from time to time, sell any or all of their shares of common stock or warrants on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Stockholders may use any one or more of the following methods when selling shares or warrants:

- Ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- Block trades in which the broker dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- Purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- An exchange distribution in accordance with the rules of the applicable exchange;
- Privately negotiated transactions;
- Short sales;
- Broker-dealers may agree with the selling stockholders to sell a specified number of such shares or warrants at a stipulated price per share or warrant;
- A combination of any such methods of sale; and
- Any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell shares or warrants under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of shares or warrants, from the purchaser) in amounts to be negotiated. The Selling Stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares of common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by a Selling Stockholder. The Selling Stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of shares if liabilities are imposed on that person under the Securities Act.

The Selling Stockholders may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them or warrants and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock or warrants from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act supplementing or amending the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

The Selling Stockholders also may transfer the shares of common stock or warrants in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus and may sell the shares of common stock or warrants from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act supplementing or amending the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

The Selling Stockholders and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares of common stock or warrants purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

Table of Contents

We are required to pay all fees and expenses incident to the registration of the shares of common stock or warrants. We have agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The Selling Stockholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares of common stock or warrants, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock or warrants by any Selling Stockholder. If we are notified by any Selling Stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares of common stock or warrants, if required, we will file a supplement to this prospectus. If the Selling Stockholders use this prospectus for any sale of the shares of common stock or warrants, they will be subject to the prospectus delivery requirements of the Securities Act.

The anti-manipulation rules of Regulation M under the Exchange Act of 1934 may apply to sales of our common stock and activities of the Selling Stockholders.
