developer to the global Internet gaming industry.

Offered through CryptoLogic's wholly-owned subsidiary, WagerLogic® Limited, Bonus Pack 12 features stunning visual graphics, dynamic bonus rounds, growing jackpots, and a chance for office workers everywhere to relieve their frustrations in cyberspace.

Today, CryptoLogic delivers more innovation, more excitement and more chances to win more often than ever before, said Javaid Aziz, CryptoLogic President and CEO. Bonus Pack 12 shows why CryptoLogic earned *Gambling Online Magazine's* Top Casino Software Award for the last two years. CryptoLogic's software development team is at the top of its game and that means games that will top every player's list.

Online gamers will be whisked away to a distant land with **Rajah's Rubies**, a rapid-fire video slot that features rubies, daggers, magic carpets and mysterious visitors all under a spectacular desert sunset. **Double Panda** will take them deep into the jungle for an action-packed adventure with exotic tigers, bears and fish.

Players can witness a warrior rising from the flames with **Native Treasure**, a game with an amazing animated sequence with a dream catcher, a mystical charm used to protect sleeping children. And frustrated office workers will be able to blow off some steam with **Computer Rage**, a hilarious online slot game that includes stressed-out workers, a screaming boss and crashing computers. During the bonus rounds, anyone who fought a malfunctioning machine can live out a fantasy by smashing computers with a sledgehammer and earn prizes while doing so.

With our distinctive, first-to-market casino innovations, CryptoLogic is staying ahead of the curve," said Justin Thouin, CryptoLogic's Vice President Casino and Poker. "By delivering games that appeal to an incredible range of players and interests, CryptoLogic is providing every customer with the tools they need to compete and to win the battle for players' hearts and minds.

CryptoLogic has one of the most comprehensive casino gaming suites on the Internet. With more than 200 games available, including fan favourites Bejeweled®, Cubis®, Jewel Quest®, and the first-ever version of Multi-Hand Video Blackjack, the company has introduced some of the most popular games available on the Internet today.

CryptoLogic has earned top honours for its world-class Internet software, including Top Casino Software from *Online Gambling Magazine* in each of the last two years. The award, based on the votes of readers, players and website visitors, is widely considered the industry's top award.

About CryptoLogic® (www.cryptologic.com)

Focused on integrity and innovation, CryptoLogic Limited is a world-leading, blue-chip public developer and supplier of Internet gaming software. Its leadership in regulatory compliance makes it one of the very few companies with gaming software that is certified to strict standards similar to land-based gaming. WagerLogic Limited, a wholly-owned subsidiary of CryptoLogic, is responsible for the licensing of its gaming software and services to blue-chip customers who offer their games around the world to non-U.S. based players.
