1. Basis of Presentation and General Information

Euroseas Ltd. (the “Company”) was formed on May 5, 2005 under the laws of the Republic of the Marshall Islands to consolidate the beneficial owners of the ship owning companies in existence at that time (see list below). On June 28, 2005, the beneficial owners exchanged all their shares in the ship-owning companies for shares in Friends Investment Company Inc., a newly formed Marshall Islands company. On June 29, 2005, Friends Investment Company Inc. then exchanged all the shares in the ship-owning companies for shares in Euroseas Ltd., thus becoming the sole shareholder of Euroseas Ltd. The transaction described above constitutes a reorganization of companies under common control, and has been accounted for in a manner similar to a pooling of interests, as each ship-owning company was under the common control of the Pittas family prior to the transfer of ownership of the companies to Euroseas Ltd. All share counts are adjusted for the Company’s 1-for-3 reverse common stock split effected on October 6, 2006.

On August 25, 2005, Euroseas Ltd. sold 2,342,331 common shares at \$9.00 per share in an institutional private placement, together with 0.25 of detachable warrants for each common share to acquire up to 585,589 common shares. The total proceeds, net of issuance costs of \$3,500,309, amounted to \$17,510,400. The warrants allow their holders to acquire one share of Euroseas Ltd. stock at a price of \$10.80 per share and are exercisable for a period of five years from the issue of the warrant.

On August 25, 2005, as a condition to the institutional private placement described above, the Company and Cove Apparel, Inc. (Cove, an unrelated party and public shell corporation) signed an Agreement and Plan of Merger (the “Merger Agreement”). The Merger Agreement provided for the merger of Cove and Euroseas Acquisition Company Inc., a Delaware corporation and a wholly-owned subsidiary of Euroseas Ltd. formed on June 21, 2005, with the current stockholders of Cove receiving 0.0034323 shares of Euroseas Ltd. common shares for each share of Cove common stock they presently own. Euroseas Ltd., as part of the merger, filed a registration statement with the Securities and Exchange Commission (SEC) to register the shares issued in the merger to the Cove stockholders.

The SEC declared effective on February 3, 2006 the Company’s registration statement on Form F-4 that registered the Euroseas Ltd. common shares issued to Cove shareholders. The SEC also declared effective on February 3, 2006 the Company’s registration statement on Form F-1 that registered the re-sale of the 2,342,331 Euroseas Ltd. common shares and 585,589 Euroseas Ltd. common shares issuable upon the exercise of the warrants issued in connection with the institutional private placement as well as 272,868 Euroseas Ltd. common shares that were issued to certain Cove’s shareholders as part of the merger with Cove.

1. Basis of Presentation and General Information - continued

On March 27, 2006, Euroseas Ltd. consummated the merger with Cove and, as a result, Cove merged into Euroseas Acquisition Company Inc., and the separate corporate existence of Cove ceased. The Cove stockholders received Euroseas Ltd. common shares and received dividends totaling to \$140,334 related to dividends previously declared by Euroseas Ltd. Euroseas Acquisition Company Inc. changed its name to Cove Apparel, Inc. Also, following the completion of the merger, the common stock of Cove has been de-listed and no longer trades on the OTC Bulletin Board. On the date of the merger, Cove had cash of \$10,000, had no other assets and had no liabilities.

Euroseas Ltd. common share was approved to trade on March 2, 2006 and started trading on the OTC Bulletin Board on May 5, 2006. On October 6, 2006, the Company effected a 1-for-3 reverse split of its common stock. On January 31, 2007 upon the pricing of the Company's follow-on common stock offering of 5,750,000 shares the Euroseas Ltd. common share started trading on the NASDAQ Global Market. The total proceeds of the follow-on common stock offering, net of issuance costs of \$4,122,289, amounted to \$43,315,220. On June 29, 2007 the Company priced, and, on July 5, 2007 completed an additional follow-on offering of 5,750,000 shares of common stock. The total proceeds of this follow-on offering, net of issuance costs of \$4,609,428, amounted to \$73,015,572. On November 6, 2007 the Company priced, and, on November 9, 2007 completed an additional follow-on offering of 5,825,000 shares of common stock. The total proceeds of this follow-on offering, net of issuance costs of \$5,468,812, amounted to \$93,556,187.

The operations of the vessels are managed by Eurobulk Ltd. (the "manager"), a corporation controlled by members of the Pittas family. The Pittas family is the controlling shareholders of Friends Investment Company Inc. which owns 32.3% of the Company's shares as of March 31, 2008.

The manager has an office in Greece located at 40 Ag. Konstantinou Ave, Maroussi, Athens, Greece. The manager provides the Company with a wide range of shipping services such as technical support and maintenance, insurance consulting, chartering, financial and accounting services, as well as executive management services, in consideration for fixed and variable fees (see Note 8).

The Company is engaged in the ocean transportation of dry bulk and containers through ownership and operation of dry bulk and container carriers owned by the following ship-owning companies:

10. Commitments and Contingencies

There are no material legal proceedings to which the Company is a party or to which any of its properties are subject, other than routine litigation incidental to the Company's business. In the opinion of the management, the disposition of these lawsuits should not have a material impact on the consolidated results of operations, financial position and cash flows.

The distribution of the net earnings by one of the chartering pools which has one of the Company's vessels in its pool has not yet been finalized for the three month period ended March 31, 2008. The effect on the Company's income resulting from any future reallocation of pool income cannot be reasonably estimated, however, the effect on the results for the period is not expected to be significant.

12. Stock Incentive Plan

Under the Company's 2007 Stock Incentive Plan, the Board awarded 135,000 unvested restricted shares to twelve key persons on December 18, 2007 of which 50% vested on December 20, 2007, and, the remaining will vest on December 15, 2008 subject to continuous employment with the Company. Awards to officers and directors amounted to 80,000 shares; the remaining 55,000 shares were awarded to employees of Eurobulk, which are treated as non-employees for share-based compensation accounting purposes. An additional award of 150,000 unvested restricted shares was made to the same twelve key persons on February 7, 2008 of which 50% will vest on August 7, 2008 and 50% on August 7, 2009; awards to officers and directors amounted to 95,000 shares and the remaining 55,000 shares were awarded to employees of Eurobulk.

All unvested restricted shares are conditional upon the grantee's continued service as an employee of the Company, Eurobulk or as a director until the applicable vesting date. The grantee does not have the right to vote such unvested restricted shares until they vest or exercise any right as a shareholder of these shares, however, the unvested shares will accrue dividends as declared and paid, which will be retained by the Company until the shares vest at which time they are payable to the grantee. As of March 31, 2008, the unvested restricted shares accrued \$65,250 dividends. As unvested restricted share grantees accrue dividends on awards that are expected to vest, such dividends are charged to retained earnings.

The Company estimates the forfeitures of unvested restricted shares to be immaterial. The Company will, however, re-evaluate the reasonableness of its assumption at each reporting period.

The compensation cost that has been charged against income for those plans was \$0 and \$367,740 for the three month periods ended March 31, 2007 and 2008 respectively.
