Item 8.01 Other Events.

On May 3, 2018, the Board of Directors of the Company approved a \$50 million increase in its authorization to repurchase shares of Company common stock. As of the date of this report, and when combined with the remaining prior authorization of \$41.5 million, the Company has a total of \$91.5 million in share repurchase authorization. Share repurchases may be made from time-to-time in the public or private markets, through block trades, Rule 10b5-1 trading plans or other available means and may include the use of derivative contracts and structured and accelerated share repurchase agreements, all in accordance with applicable securities and other laws, including the Securities Exchange Act of 1934, as amended. There is no minimum number of shares required to be repurchased under the share repurchase program, and the share repurchase program may be suspended or discontinued at any time. The share repurchase program is scheduled to expire in December 2019.

This Current Report on Form 8-K contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including forward-looking statements regarding the share repurchase authorization and related programs. These statements are neither promises nor guarantees and involve risks and uncertainties that could cause actual results to differ materially from those stated or implied by the forward-looking statements, including, without limitation, risks relating to the Company's ability to implement and make appropriate, timely and beneficial decisions as to when, how and if to purchase shares under the repurchase authorization / program; and other risks described in the Company's filings with the SEC.
