PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS

To Be Held On June 16, 2004

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies to be voted at the Annual Meeting of Stockholders of *SI International, Inc.* to be held on Wednesday, June 16, 2004 at 10:00 a.m., local time, at the Cheyenne Mountain Resort, 3225 Broadmoor Valley Road, Colorado Springs, Colorado 80906.

The purpose of the annual meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy card are being mailed to stockholders on or about April 30, 2004. We are also mailing to stockholders, along with this proxy statement, our Annual Report on Form 10-K for the fiscal year ended December 27, 2003. The enclosed proxy card is solicited by our Board of Directors and will be voted at the annual meeting and any adjournments thereof. Shares represented by a properly executed proxy card in the accompanying form will be voted at the annual meeting in accordance with any instructions specified by the stockholder. If no instructions are given, the stockholder's shares will be voted in accordance with the recommendations of the Board "FOR" each of the proposals presented in this proxy statement. Those recommendations are described later in this proxy statement.

SOLICITATION

SI International will bear the expenses in connection with the solicitation of proxies. Solicitation will be made by mail, but may also be made by telephone, personal interview, facsimile or personal calls by our officers, directors or employees who will not be specially compensated for such solicitation. We may request brokerage houses and other nominees or fiduciaries to forward copies of our proxy statement and Form 10-K to beneficial owners of common stock and we may reimburse them for reasonable out-of-pocket expenses incurred in doing so.

VOTING RIGHTS AND OUTSTANDING SHARES

The Board of Directors has fixed the close of business on April 21, 2004 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. The presence at the Annual Meeting, in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Votes cast in person or by proxy, abstentions and broker non-votes (which we define below) will be tabulated by the inspectors of election and will be considered in the determination of whether a quorum is present at the annual meeting. Ballots marked "abstain" will be counted as present and entitled to vote for purposes of determining whether a quorum exists for matters subject to a vote by the stockholders. If, with respect to any shares, a broker or other nominee submits a proxy card indicating that instructions have not been received from the beneficial owners or the persons entitled to vote, and if that broker or other nominee does not have discretionary authority to vote such shares (a "broker non-vote") on one or more proposals, those shares will not be treated as present and entitled to vote for purposes of determining whether a quorum exists for matters subject to a vote by the stockholders. As of April 1, 2004, we had 8,463,840 shares of common stock issued and outstanding. Each share of common stock is entitled to one vote.

ALL STOCKHOLDERS ARE INVITED TO ATTEND THE MEETING IN PERSON. WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY AS PROMPTLY AS POSSIBLE IN ORDER TO ENSURE YOUR REPRESENTATION AT THE MEETING. A RETURN ENVELOPE (WHICH IS POSTAGE PREPAID IF MAILED IN THE UNITED STATES) IS ENCLOSED FOR THAT PURPOSE.

IF YOUR SHARES ARE HELD OF RECORD BY A BROKER, BANK OR OTHER NOMINEE, AND YOU WISH TO VOTE AT THE ANNUAL MEETING, YOU MUST OBTAIN FROM THE RECORD HOLDER A PROXY ISSUED IN YOUR NAME.

YOU MAY REVOKE YOUR PROXY AT ANY TIME BEFORE IT IS VOTED. IF YOU ARE PRESENT AT THE MEETING, YOU MAY VOTE YOUR SHARES IN PERSON AND THE PROXY WILL NOT BE USED.

PLEASE READ THE PROXY STATEMENT CONTAINED IN THIS BOOKLET FOR FURTHER INFORMATION CONCERNING THE MATTERS TO BE ACTED UPON AT THE ANNUAL MEETING AND THE USE OF THE PROXY.

REVOCABILITY OF PROXIES

The proxy may be revoked at any time before it is exercised pursuant to the delivery of a written notice of revocation to our Corporate Secretary. All written notices of revocation or other communications with respect to revocation of proxies should be addressed to our Corporate Secretary at our principal executive offices as follows: *SI International, Inc.*, 12012 Sunset Hills Road, Suite 800, Reston, Virginia, 20190, Attention: Corporate Secretary. If you attend the annual meeting in person, you may revoke your proxy by either giving notice of revocation to the inspectors of election at the annual meeting or by voting at the annual meeting in person. The only items of business that the Board intends to present or knows will be presented at the annual meeting are the items discussed in this proxy statement. The proxy confers discretionary authority upon the persons named in it, or their substitutes, to vote on any other items of business that may properly come before the meeting. All holders of record of our common stock at the close of business on April 21, 2004 will be eligible to vote at the annual meeting.

HOUSEHOLDING OF PROXY MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this proxy statement or our annual report may have been sent to multiple stockholders in your household. We will promptly deliver to you a separate copy of either document if you write the Corporate Secretary at the following address: *SI International, Inc.*, 12012 Sunset Hills Road, Reston, Virginia 20190, Attention: Corporate Secretary. If you and any other stockholders of the Company want to receive separate copies of our annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address.

BENEFICIAL OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of the shares of our common stock as of April 1, 2004 by:

Each person we know to beneficially own more than 5% of our common stock,

Each director and nominee for director,

Each of our executive officers named in the Summary Compensation Table under "Executive Compensation" below, and

All of our directors and executive officers as a group.

The number of shares of common stock outstanding on April 1, 2004 was 8,463,840 shares. Except as noted, all information with respect to beneficial ownership has been furnished by the respective director, executive officer or beneficial owner of more than 5% of our common stock, or is based on filings with the Securities and Exchange Commission. Unless otherwise indicated below, the persons named below have sole voting and investment power with respect to the number of shares set forth opposite their names. Beneficial ownership of the common stock has been determined for this purpose in accordance with the Securities Exchange Act of 1934, as amended, which provides, among other things, that a person is deemed to be the beneficial owner of the common stock if that person, directly or indirectly, has or shares voting power or investment power with respect to such stock or has the right to acquire such ownership within sixty days. Accordingly, the amounts shown in the table do not purport to represent beneficial ownership for any purpose other than compliance with Securities and Exchange Commission reporting requirements. Further, beneficial ownership as determined in this manner does not necessarily bear on the economic incidence of ownership of the common stock. Unless otherwise indicated below, the address of those identified in the table is *SI International, Inc.*, 12012 Sunset Hills Road, Suite 800, Reston, Virginia 20190.

ELECTION OF DIRECTORS

(PROPOSAL 1)

General. The Company's Second Restated Certificate of Incorporation, which we refer to as our Charter, and the Company's Amended and Restated Bylaws, which we refer to as our Bylaws, provide for the classification of the Board of Directors into three classes (designated as Class I directors, Class II directors and Class III directors), with members of each class holding office for staggered three-year terms. Vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders of a majority of the then-outstanding shares of *SI International* or by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum of the Board of Directors.

Our Board of Directors currently consists of seven (7) members. The Board has adopted written charters for our Board committees described below. The Charter, the Bylaws, and the Board committee charters provide the framework for the Board's governance of the Company. The written charters of our Board committees are available on the "Investors" section of our website at www.si-intl.com.

There are currently two Class II directors, whose terms expire at the Annual Meeting, two Class III directors, whose terms expire at the 2005 Annual Meeting of Stockholders, and three Class I directors, whose terms expire at the 2006 Annual Meeting of Stockholders (in all cases subject to the election and qualification of their successors and to their earlier death, resignation or removal).

Each of the nominees for election as a Class II director is currently on the Board of *SI International* and has indicated his willingness to serve, if elected. If any of the nominees for election as a Class II director should be unable or unwilling to serve, proxies may be voted for a substitute nominee designated by the Board of Directors. If elected at the Annual Meeting, each of the two nominees would serve until the 2007 Annual Meeting (subject to the election and qualification of his successor and to his earlier death, resignation or removal).

If a quorum is present and no stockholder has exercised cumulative voting rights, the directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. Abstentions and broker non-votes have no effect on the vote. If a stockholder has exercised cumulative voting rights, the two candidates receiving the highest number of affirmative votes of the shares entitled to be voted for such directors will be elected directors of the Company. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board of Directors may propose. It is not anticipated that any nominee will be unable or unwilling to serve as a director.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS.

NOMINATION OF CLASS II DIRECTORS

The names, ages as of April 1, 2004, principal occupations and other information concerning each nominee for Class II director, are set forth below.

Mr. Florence currently serves on the board of directors of each of Altrio Communications, Inc. and ypOne Publishing, LLC.

Election of Additional Directors

SI International is seeking up to two additional persons to serve as independent directors of the Board. The nomination of a candidate for these Board of Directors positions is subject to recommendation by the Corporate Governance Committee and the appointment of the Board of Directors. The nominees will not be elected by stockholder vote. Newly created directorships may be filled by the affirmative vote of the directors then in office even if less than a quorum of the Board. A director elected by the Board to fill a vacancy shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Independence and Composition

Our Charter, and the National Association of Securities Dealers listing standards, which we refer to as the NASD listing standards, each require that a majority of our Board of Directors are "independent" Directors, as that term is defined in our Charter and the NASD listing standards. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee at a meeting of the full Board, has determined that Messrs. Bowsher, Crawford, Florence, Marsh, and Sproat, representing a majority of our Board of Directors, are "independent" as that term is defined in the NASD listing standards and our Charter.

Stockholder Communications with Directors

The Company has a process whereby our stockholders can send communications to our Directors. This process is described in detail on our website at www.si-intl.com.

Board and Committee Meetings

During fiscal year 2003, there were ten meetings of the Board, six of which were telephonic meetings. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served that were held during the period for which he was a director or committee member, respectively. In addition, the Board took action by unanimous written consent in lieu of meeting four times during fiscal year 2003. Our Board has adopted the position that it is the responsibility of individual Directors to make themselves available to attend scheduled and special Board meetings and the Annual Meeting of Stockholders on a consistent basis. All of our Directors attended the 2003 Annual Meeting of Stockholders.

Committees of the Board

The Board has an audit committee, a compensation committee and a corporate governance committee, each of which deals with specific areas of the Board's responsibility.

Audit Committee

The Board of Directors has established an Audit Committee, which is governed by a written charter, a copy of which is available on our website at www.si-intl.com. The Audit Committee reviews the professional services provided by our independent accountants, the independence of the accountants from our management, our annual financial statements and our system of internal accounting controls. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated by the SEC thereunder, which we collectively refer to as the Exchange Act, and the NASD listing standards. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Audit Committee meet the audit committee composition and independence requirements of the Exchange Act and the NASD listing standards and that Mr. Charles A. Bowsher is an "audit committee financial expert" and an "independent director" as those terms are defined in the Exchange Act.

The Audit Committee met seven times during fiscal year 2003. From January 1, 2003 until June 6, 2003, the members of the Audit Committee were General R. Thomas Marsh (USAF, Retired), who served as Chairman, and Messrs. Walter Florence and Edward Sproat. Mr. Florence resigned from the Audit Committee on June 6, 2003 and was replaced by Mr. Charles Bowsher. The current members of the Audit Committee are Charles A. Bowsher, who serves as Chairman, General Marsh and Mr. Sproat.

Compensation Committee

The Board of Directors has established a Compensation Committee, which is governed by a written charter, a copy of which is available on our website at www.si-intl.com. The proposed NASD listing standards require that the Compensation Committee consist solely of independent Directors. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Compensation Committee are "independent" as that term is defined in the NASD listing standards.

The Compensation Committee met four times during fiscal year 2003. The current members of the Compensation Committee are Mr. James Crawford, who serves as Chairman, and Messrs. Walter Florence and Edward Sproat.

Corporate Governance Committee

The Board of Directors has established a Corporate Governance Committee. The Corporate Governance Committee is governed by a written charter, a copy of which is available on our website at www.si-intl.com. The Corporate Governance Committee oversees and reviews nominations for our board of directors and evaluates and recommends corporate governance compliance policies and procedures applicable to *SI International*.

Our Board has adopted a policy that the Corporate Governance Committee endeavor to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills and experience of the other members of the Board. The Corporate Governance Committee's assessment of the composition of the Board includes the following considerations: (a) the skills of each member of the Board, which includes an analysis of each director's business and management experience, information technology and government contractor industry experience, professional services industry experience, accounting experience, finance and capital markets experience, and level of understanding of corporate governance regulations and public policy matters, (b) the characteristics of each member of the Board, which includes an analysis of each director's ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) the general composition of the Board of Directors, which includes an analysis of the diversity, age and public company experience of the directors. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders.

The Corporate Governance Committee also considers Directors nominees recommended by stockholders. The deadline for submissions of proposals for the 2005 annual meeting can be found under the section of this proxy statement captioned "Deadline for Stockholder Proposals."

Please note that proposals must comply with all of the requirements of Rule 14a-8 as promulgated under the Exchange Act. In addition, any proposals must include the following:

the name and address of the stockholder submitting the proposal, as it appears on our stock records, and of the beneficial owner thereof;

the number of shares of stock of each class that are owned beneficially and of record by the stockholder and the beneficial owner;

a description of all arrangements or understandings between the stockholder and the Director nominee and any other person pursuant to which the nomination is to be made by the stockholder; and

all information relating to the Director nominee that is required to be disclosed in solicitations of proxies for election of Directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a Director nominee and to serving as a Director if elected).

The Corporate Governance Committee does not evaluate Director candidates recommended by stockholders any differently than it evaluates Director candidates recommended by our Directors, management or employees.

The NASD listing standards require that the Corporate Governance Committee consist solely of independent Directors. The Board of Directors, upon the unanimous recommendation of the Corporate Governance Committee, has determined that all current members of the Corporate Committee are "independent" as that term is defined in the NASD listing standards.

During fiscal 2002, the Corporate Governance Committee met one time with the full Board in attendance. The members of the Corporate Governance Committee are Mr. James Crawford, who serves as its Chairman, and Messrs. Walter Florence and Edward Sproat.

Code of Ethics

Our Directors, as well as our officers and employees, are also governed by our Code of Ethics, which we refer to as our Code. The Code is available on our website at www.si-intl.com. Amendments to, or waivers from, a provision of the Code that apply to our Directors, executive officers or corporate controller will be posted to our website within five business days following the date of the amendment or waiver.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee. Messrs. Crawford, Marsh, and Sproat served as the members of the Compensation Committee of our Board of Directors during our recently completed fiscal year 2003. None of these individuals has ever served as an officer or employee of the company.

Director Compensation

Directors who are also employees do not receive any cash compensation from us for their services as members of the Board. Directors are entitled to reimbursement of expenses for attending each meeting of the Board and each committee meeting. In addition, for fiscal 2004, each non-employee Director, will receive \$18,000, payable in equal quarterly installments as compensation for their services on the Board and receive \$1,000 for their personal attendance at a meeting of the Board. Further, the Chair of the Audit Committee will receive \$12,000, payable in equal quarterly installments as compensation for his services as Chairman of the Audit Committee. The chairs of the Compensation and Corporate Governance committees will receive \$6,000, payable in equal quarterly installments, as compensation for service as chairmen of these committees.

Currently, our non-employee Directors are eligible to receive non-qualified stock option grants under our 2002 Stock Incentive Plan. Pursuant to this plan, as currently in effect for fiscal 2004, new non-employee Directors will receive an initial stock option to purchase 10,000 shares of common stock, to be vested over a three (3) year period. Since neither Mr. Crawford nor Mr. Florence previously received an initial stock option grant for their service as non-employee Directors of the Corporation, in January 2004, Messrs. Crawford and Florence received a stock option grant for 10,000 shares of common stock, with 2,500 shares of each grant vesting immediately and the remaining shares vesting in three (3) equal annual installments. In addition, Messrs. Bowsher, Marsh, and Sproat received a stock option grant for 2,500 shares of common stock in January 2004 to vest three years from the grant date of such stock option grants. The exercise price of the options is to be 100% of the fair market value of our common stock on the date of grant.

We currently have reserved 1,760,000 shares of our common stock for issuance under this plan, subject to increase by an amount determined and approved by the Board not to exceed 160,000 shares in any fiscal year. In March 2004, the Board of Directors increased the number of reserved shares by 160,000 so that the total number of reserved shares increased from 1,600,000 to 1,760,000. In addition to our non-employee Directors, all of our employees are eligible to receive stock option grants under this plan. The Board may terminate the plan at any time.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 29, 1998, Frontenac VII Limited Partnership, Frontenac Masters VII Limited Partnership and our management team, along with other unaffiliated investors, entered into a limited liability company agreement to govern the affairs of *SI International*, L.L.C., or the L.L.C., which held a significant number of shares of our common stock and all of the outstanding shares of our preferred stock prior to our initial public offering. Frontenac VII Limited Partnership was the managing member and a unitholder of the L.L.C. and Frontenac Masters VII Limited Partnership, an affiliate of Frontenac VII Limited Partnership, was a unitholder of the L.L.C. Two members of our board of directors, Messrs. Crawford and Florence, are affiliated with Frontenac Company VII, L.L.C., the sole general partner of each of Frontenac VII Limited Partnership and Frontenac Masters VII Limited Partnership. Each of our Directors, with the exception of Messrs. Bowsher and Sproat, and each of our executive officers, with the exception Mr. Brubaker, beneficially owned, directly or indirectly, units of the L.L.C.

Immediately prior to the closing of our initial public offering, the L.L.C. distributed substantially all of its assets, consisting almost entirely of our common stock, to its unitholders in accordance with its limited liability company agreement, as amended. On November 22, 2002 the L.L.C. distributed all of its remaining assets to its unitholders.

This right may be exercised on three occasions following our initial public offering. These stockholders also have the right to require us on unlimited occasions to file additional registration statements on Form S-3 in order to permit their shares to be sold in the public markets. In addition, in the event that we decide to register any of our securities under the Securities Act, we are required, with certain exceptions, to include in our registration the registrable securities of any holder who so requests. The expenses incurred in such registrations will be borne by us.

On March 22, 2004, we filed with the Securities and Exchange Commission a registration statement on Form S-3, pursuant to which we may from time to time offer, in one or more series, separately or together, common stock, preferred stock, preferred stock represented by depositary receipts, warrants to purchase common or preferred stock and debt securities. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall it be incorporated by reference into any filing by SI International under the Securities Act or the Exchange Act.

Executive Compensation Philosophy

The Committee is responsible for reviewing and approving the compensation of the Chief Executive Officer, the other executive officers of the Company, and those officers reporting directly to the Chief Executive Officer. The Chief Executive Officer and his management team make recommendations to the Committee regarding base compensation and other short-term and long-term incentive plans designed to reward performance achievements. The Committee also considers peer company compensation data as well as salary and other survey tools provided or available to the Committee.

Our compensation program and policies are designed to help us attract, motivate and retain executives of outstanding ability in order to maximize return to stockholders. The primary objectives of our executive compensation program are to:

Provide total compensation opportunities that are competitive with opportunities provided to executives of comparable companies at comparable levels of performance;

Ensure that our executives' total compensation levels vary based on both our short-term financial performance and growth in stockholder value over time;

Focus and motivate executives on the achievement of defined objectives; and

Reward executives in accordance with their relative contributions to achieving strategic milestones and upholding key mission-related objectives.

In designing and administering its executive compensation program, we attempt to strike an appropriate balance among these objectives.

The Board, through the Compensation Committee, will annually revisit the manner in which it implements our compensation policies in connection with executive staff. Our policies will continue to be designed to align the interests of our executives and senior staff with the long-term interests of the stockholders.

Our executive compensation programs consist of three principal elements: base salary, short-term incentive cash payments and long-term stock options, each of which is discussed below.

Base Compensation

Executive compensation is reviewed annually by the Compensation Committee. In fiscal year 2003, executive compensation recommendations were presented to and approved by the Compensation Committee in July 2003, and we anticipate that executive compensation will be reviewed by the Committee this year on or about July 2004.

The Chief Executive Officer presents to the Committee recommendations for base compensation adjustments for the executive officers and those officers reporting directly to the Chief Executive Officer. Individual adjustments are reviewed and approved by the Committee based upon individual achievement and contribution. In addition, the Committee reviews third party studies providing benchmark data for executive compensation, which it uses in determining the appropriate total executive compensation.

As part of the annual compensation review during fiscal year 2003, the Committee approved the establishment of executive salary grades with corresponding salary ranges for each grade. The revised structure approved by the Committee was based upon an analysis of the executive compensation of the Company's peer group as set forth in 2003 proxy statement materials. In addition, management engaged a nationally-recognized compensation consultant to assist in developing the salary grade and range information.

Short-Term Incentive Compensation

Our compensation philosophy emphasized incentive pay to leverage both individual and organizational performance. Our short-term incentive compensation program rewards executives for accomplishing primarily annual, organizational and individual business unit objectives. The program is defined to reward individual achievement of performance objectives based upon the achievement of organizational and business unit goals.

Bonus eligibility and plan requirements are established at the beginning of each fiscal year. Bonus goals are based upon recommendations made by the Chief Executive Officer and approved by the Board of Directors. The Committee is responsible for reviewing the recommendations made to it based upon the actual fiscal year performance as compared to the bonus goals established by the Board of Directors at the beginning of the fiscal year. The Committee is responsible for approving bonus awards recommended to it for Chief Executive Officer, the other executive officers, and those officers reporting directly to the Chief Executive Officer, and for approving the total actual bonus pool. Bonus awards for fiscal year 2003 were reviewed and approved by the Committee at its meeting in January 2004, and bonus payments were made in February 2004.

Long-Term Incentive Compensation

The 2002 Stock Incentive Plan is designed to reward executives and other employees for long-term growth consistent with Company performance and stockholder return. The ultimate value of the long-term incentive compensation awards is dependent upon the actual performance of our stock price over time.

During fiscal year 2003, incentive stock option grant recommendations for the executive officers and the direct reports of the Chief Executive Officer were made and approved in January 2003, with the exception of the stock option grant for Mr. Brubaker, which was approved by the Committee upon his hiring in December 2003. The Committee anticipates that stock option grants to the executive officers and direct reports of the Chief Executive Officers will continue to be reviewed annually at the beginning of each fiscal year.

During fiscal 2003, approximately 470 employees of *SI International* received an aggregate of 165,741 stock options at a weighted exercise price of \$12.60 per share. All such grants were subject to the terms of the 2002 Stock Incentive Plan or other stock option plans of the Company under which stock options are no longer being issued. Our Chief Executive Officer and our four other highest paid executive officers received stock options during fiscal year 2003 totaling 90,640 shares at prices ranging from \$11.19 to \$19.25 per share.

Compensation of Chief Executive Officer

Mr. Oleson has served as the Chairman and Chief Executive Officer since the company was founded in October 1998. The compensation of the Chief Executive Officer was developed based upon data obtained from the 2003 proxy materials of the Company's peer group. This information was further supported by information provided from a nationally recognized compensation consultant engaged by the Company, as well as national and local area salary surveys. In conjunction with this review and based upon this information, the Committee unanimously approved an increase in the base

salary of the Chief Executive Officer to \$370,000, effective July 2003. In January 2004, the Compensation Committee reviewed the financial and other performance achievements of the Company as compared to the performance objectives established by the Board of Directors at the beginning of fiscal year 2003. Based upon this review and a determination that the Company exceeded both revenue and profitability targets established at the beginning of fiscal year 2003, the Committee approved a bonus in the amount of \$335,276 for the Chief Executive Officer for fiscal year 2003 and which was paid in February 2004. In July 2002, *SI International* entered into an employment agreement with Mr. Oleson, which provides for consecutive one year terms of employment and which may be terminated by
