Section 1 - Registrant's Business and Operations

Item Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;
5.02(e) Compensatory Arrangements of Certain Officers.

On March 31, 2008, Sypris Solutions, Inc. (the "Company") offered eligible participants, including executive officers and directors of the Company, the opportunity to surrender certain vested outstanding, unexercised stock options which have exercise prices greater than \$4.31 per share in exchange for shares of common stock or new options to acquire common stock with an exercise price of \$4.31 per share, pursuant to the 2004 Sypris Equity Plan. Participants, including executive officers and directors of the Company, may participate in the offer if they remain in office until the date on which the Company cancels eligible options under the offer, currently expected to occur on May 13, 2008. At the participant's election, the participant may exchange all of the eligible options received by such participant on any single grant date having the same exercise price for either (i) shares of common stock having a fair value equivalent to the fair value of each such eligible option or (ii) new options to purchase shares of Sypris common stock having a fair value equivalent to the fair value of each such eligible option. The ratio of shares subject to eligible options cancelled to common stock and new options issued is calculated using the Black-Scholes Merton Option Valuation Model. A participant's election to receive shares of common stock or new options will become effective and final on May 12, 2008. Each share of common stock and new option granted with respect to an exchanged option is fully vested. All new options will be exercisable through March 30, 2012.

The Standard Terms of Awards Granted Executives under the 2008 Stock Option Exchange Program are attached hereto as Exhibit 10.1, and incorporated by reference herein.
