TO BE HELD ON MARCH 18, 2008**

ABOUT THE ANNUAL MEETING OF STOCKHOLDERS

Who is soliciting my vote?

The Board of Directors of PHH Corporation, a Maryland corporation (we, our, us, PHH or the Company), is soliciting your vote at our Annual Meeting of Stockholders for 2007, and any adjournment or postponement thereof (the Annual Meeting), to be held on the date at the time and place, and for the purposes set forth in the accompanying notice. This Proxy Statement and appendices, the accompanying notice of annual meeting, the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2006 (the 2006 Annual Report) filed with the Securities and Exchange Commission (SEC) on May 24, 2007 are being mailed to stockholders on or about December 28, 2007.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act on the matters outlined in the accompanying notice. The only matter scheduled to be acted upon at the Annual Meeting is the Election of Directors (see page 7 of this Proxy Statement).

Who can attend the Annual Meeting?

Only stockholders as of December 21, 2007 (the Record Date), or their duly appointed proxies, may attend the Annual Meeting. Registration and seating will begin at 9:00 a.m. Stockholders will be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you must bring either a copy of the voting instruction card provided by your broker or nominee or a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the Annual Meeting.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for any purpose germane to the Annual Meeting beginning ten days prior to the Annual Meeting during ordinary business hours at 3000 Leadenhall Road, Mt. Laurel, New Jersey 08054, the Company's principal place of business, and ending on the date of the Annual Meeting.

proxy card enclosed with the Proxy Statement is the Annual Meeting ticket. If you are a beneficial owner and hold your shares in street name, or through an intermediary, such as a bank or broker, you should request tickets in writing from PHH Corporation, Attention: Investor Relations, 3000 Leadenhall Road, Mt. Stockholders who do not obtain

Table of Contents

tickets in advance may obtain them on the Annual Meeting date at the registration desk upon verifying their stock ownership as of the Record Date. In accordance with our security procedures, all persons attending the Annual Meeting must present a picture identification along with their admission ticket or proof of beneficial ownership in order to gain admission. Admission to the Annual Meeting will be expedited if tickets are obtained in advance. Tickets may be issued to others at our discretion.

How many votes do I have?

You will have one vote for every share of PHH Corporation common stock, par value \$0.01 per share (Common Stock), you owned on the Record Date.

How many votes can be cast by all stockholders?

54,077,064 votes may be cast at the Annual Meeting, representing one vote for each share of our Common Stock that was outstanding on the Record Date. There is no cumulative voting, and the holders of our Common Stock vote together as a single class.

How many votes must be present to hold the Annual Meeting?

A majority of the outstanding shares of our Common Stock entitled to vote at the Annual Meeting must be present, in person or by proxy, to constitute a quorum at the Annual Meeting. Stockholders of record who are present at the Annual Meeting, in person or by proxy, and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the Annual Meeting, will be included in the number of stockholders present at the Annual Meeting for purposes of determining whether a quorum is present.

How many votes are required to elect Directors and adopt any other proposals?

Directors are elected by the affirmative vote of a plurality of the shares of our Common Stock cast at the Annual Meeting, in person or by proxy, and entitled to vote in the election of Directors. Under applicable Maryland law, in determining whether such nominees have received the requisite number of affirmative votes, abstentions and broker non-votes will not be counted and will have no effect on the outcome of the vote.

Approval of any other matter that may come before the Annual Meeting generally requires the affirmative vote of a majority of the shares of our Common Stock cast, in person or by proxy, and entitled to vote at the Annual Meeting. Under applicable Maryland law, in determining whether such proposals have received the requisite number of affirmative votes, abstentions and broker non-votes will not be counted and will have no effect on the outcome of the vote.

How do I vote?

You can vote in person or by valid proxy received by telephone, via the Internet or by mail. If voting by mail, you must:

- indicate your instructions on the proxy;
- date and sign the proxy;
- mail the proxy promptly in the enclosed envelope; and

allow sufficient time for the proxy to be received before the date of the Annual Meeting.

Alternatively, in lieu of returning signed proxy cards, our stockholders of record can vote their shares by telephone or via the Internet. If you are a registered stockholder (that is, if you hold your stock in certificate form), you may vote by telephone or electronically through the Internet by following the instructions included with your proxy card. The deadline for voting by telephone or electronically through the Internet is 11:59 p.m., eastern daylight time, on March 17, 2008. If your shares are held in street name such as in a stock brokerage account or by a bank or other nominee, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically through the Internet.

Can I change my vote?

Yes. A proxy may be revoked at any time prior to the voting at the Annual Meeting by submitting a later dated proxy (including a proxy by telephone or electronically through the Internet), by giving timely written notice of such revocation to our Corporate Secretary or by attending the Annual Meeting and voting in person. However, if you hold shares in street name, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the stockholder of record.

What if I do not vote for some of the matters listed on my proxy card?

Shares of our Common Stock represented by proxies received by us (whether through the return of the enclosed proxy card, by telephone or through the Internet), where the stockholder has specified his or her choice with respect to the proposals described in this Proxy Statement, including the election of Directors, will be voted in accordance with the specification(s) so made.

If your proxy is properly executed but does not contain voting instructions, or if you vote by telephone or via the Internet without indicating how you want to vote, your shares will be voted:

FOR the election of the two Class II Director nominees for the Board of Directors.

Could other matters be decided at the Annual Meeting?

The Board of Directors does not intend to bring any matter before the Annual Meeting other than those set forth above, and the Board is not aware of any matters that anyone else proposes to present for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Our Directors, officers and employees may solicit proxies on behalf of the Company in person or by telephone, facsimile or other electronic means. We have engaged Georgeson Shareholder Communications Inc. to assist us in the distribution and solicitation of proxies for a fee of \$6,500 plus expenses. In accordance with the regulations of the SEC and the New York Stock Exchange, we also reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of our Common Stock as of the Record Date.

Independence of the Board of Directors

Under the rules of the New York Stock Exchange (the NYSE), our Board of Directors is required to affirmatively determine which Directors are independent and to disclose such determination in the 2006 Form 10-K and in the proxy statement for each annual meeting of stockholders going forward. On April 24, 2007 and December 18, 2007, our Board of Directors reviewed each Director's relationships with us in conjunction with our previously adopted Independence Standards for Directors (the Independence Standards) and Section 303A of the NYSE's Listed Company Manual (the NYSE Listing Standards). A copy of our Independence Standards is attached to this Proxy Statement as Appendix B and is available on our corporate website at www.phh.com under the heading Investor Relations

Corporate Governance. A copy of our Independence Standards is also available to stockholders upon request, addressed to the Corporate Secretary at 3000 Leadenhall Road, Mt. Laurel, New Jersey, 08054 (telephone number: 1-866-PHH-INFO or 1-856-917-1PHH). At the meeting, the Board affirmatively determined that all non-employee

Directors Messrs. Brinkley, Krongard, Mariner and Van Kirk and Ms. Logan meet the categorical standards under the Independence Standards and are independent Directors under the NYSE Listing Standards.

Table of Contents

In the course of its determination of the independence of each non-management Director, the Board considered the following transactions, relationships and arrangements as required by our Independence Standards:

Mr. Brinkley became Vice Chairman of Smith Barney's Global Private Client Group following Citigroup Inc.'s acquisition of LMWW in December 2005. We have certain relationships with the Corporate and Investment Banking segment of Citigroup Inc. (Citigroup), including financial services, commercial banking and other transactions. The Board specifically evaluated our transactions with Citigroup, the fees paid to Citigroup and the amount of indebtedness to Citigroup during 2006 and determined that the fees paid to Citigroup were less than 0.1% of its annual revenues and the amount of indebtedness was less than 0.1% of its total consolidated assets. Based on this evaluation and the nature of Mr. Brinkley's position, our Board determined that this was not a material relationship for the purposes of determining his independence. In addition, Mr. Brinkley's son is a principal at Colliers Pinkard, a member firm of Colliers International (Colliers), which provides certain lease management services to us. The Board evaluated the relationship between Colliers and us, including the fees paid to Colliers, which were less than 0.1% of its annual revenues. The Board determined that this was not a material relationship for the purpose of determining his independence.

Mr. Krongard is an outside director of the global Board of Directors for DLA Piper, our principal outside law firm. The Board reviewed the fees paid by us to DLA Piper and determined that such fees represented less than 0.4% of DLA Piper's annual revenues for 2006. Based on the nature of his position, our Board considered Mr. Krongard's relationship with DLA Piper and determined that it was not a material relationship for the purpose of determining his independence.

Ms. Logan has a mortgage loan with us, which was originated prior to her appointment to our Board of Directors. The Board considered the terms of the mortgage loan, including the interest rate and collateral requirements, which were substantially the same as those prevailing at the time for comparable transactions, and determined that this was not a material relationship for the purpose of determining her independence.

Mr. Mariner served as director of BankAtlantic until May 2006. PHH Mortgage has certain mortgage banking relationships with BankAtlantic, the fees for which did not exceed 0.2% of BankAtlantic's annual revenues. Based on this evaluation, the Board determined that this was not a material relationship for the purpose of determining his independence.

See Certain Relationships and Related Transactions below for more information. Our Board also determined that Messrs. Edwards and Kilroy, who serve as executive officers, are not independent Directors. Accordingly, more than two-thirds of the members of our Board of Directors are independent as required by our Corporate Governance Guidelines.

Non-Executive Chairman

Mr. Krongard serves as our Non-Executive Chairman. The Non-Executive Chairman is not a corporate officer and leads all meetings of our Board of Directors at which he is present. The Non-Executive Chairman serves on appropriate committees as requested by the Board of Directors, sets meeting schedules and agendas and manages information flow to the Board of Directors to assure appropriate understanding of, and discussion regarding matters of interest or concern to the Board of Directors. The Non-Executive Chairman also has such additional powers and performs such additional duties consistent with organizing and leading the actions of the Board of Directors as the Board of Directors may from time-to-time prescribe.

PROPOSAL NO. 1 ELECTION OF CLASS II DIRECTORS

The Board of Directors has nominated Ms. Ann D. Logan and Mr. George J. Kilroy to be elected at the Annual Meeting to serve as Class II Directors for a three-year term ending at the annual meeting of stockholders for 2010 and until their successors are duly elected and qualified. Both nominees are currently incumbent Directors of the Company. The terms of the remaining Class I and Class III Directors expire at the annual meeting of stockholders for 2009 and 2008, respectively.

Table of Contents

Both nominees have consented to being named in this Proxy Statement and to serve if elected. If, prior to the Annual Meeting, either nominee should become unavailable to serve, the shares of our Common Stock represented by a properly executed and returned proxy (whether through the return of the enclosed proxy card, by telephone or electronically through the Internet) will be voted for such additional person as shall be designated by the Board of Directors, unless the Board of Directors determines to reduce the number of Directors in accordance with our amended and restated articles of incorporation and by-laws.

Directors shall be elected by the affirmative vote of a plurality of the shares of our Common Stock cast at the Annual Meeting, in person or by proxy, and entitled to vote in the election of Directors. Pursuant to applicable Maryland law, in determining whether such nominees have received the requisite number of affirmative votes, abstentions and broker non-votes will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NOMINEE AS A CLASS II DIRECTOR. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE ELECTION OF THE TWO NOMINEES LISTED ABOVE.

COMMITTEES OF THE BOARD

The Board of Directors has a standing Audit Committee, Compensation Committee and Corporate Governance Committee consisting of Directors who have been affirmatively determined to be independent as defined in the NYSE Listing Standards. Audit Committee

The Audit Committee assists our Board of Directors in the oversight of the integrity of our financial statements, our independent registered public accountants qualifications and independence, the performance of our independent registered public accountants and our internal audit function and our compliance with legal and regulatory requirements. The Committee is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Committee also oversees our corporate accounting and reporting practices by:

meeting with our financial management and independent registered public accountants to review our financial statements, quarterly earnings releases and financial data;

appointing and pre-approving all services provided by the independent registered public accountants that will audit our financial statements;

reviewing the selection of the internal auditors that provide internal audit services;

reviewing the scope, procedures and results of our audits; and

evaluating our key financial and accounting personnel.

The Audit Committee is comprised of Messrs. Van Kirk (Chairman) and Mariner and Ms. Logan. Each member of the Audit Committee is required to have the ability to read and understand fundamental financial statements. The Audit Committee is also required to have at least one member that qualifies as an audit committee financial expert as defined by the rules of the SEC. Our Board of Directors has determined that Messrs. Mariner and Van Kirk qualify as audit committee financial experts and are non-employee, independent Directors. During 2006, the Audit Committee met 26 times.

The Corporate Governance Committee's responsibilities with respect to its governance function include considering matters of corporate governance and reviewing and revising our Board of Directors' Corporate Governance Guidelines, Code of Business Conduct and Ethics for Directors and our Code of Conduct for Employees and Officers. The Corporate Governance Committee identifies, evaluates and recommends nominees for our Board of Directors for each annual meeting (see Nomination Process and Qualifications for Director Nominees below); evaluates the composition, organization and governance of our Board of Directors and its committees; and develops and recommends corporate governance principles and policies applicable to us. All of our Directors attended the annual meeting of stockholders for 2006 held on January 24, 2007.

Table of Contents**DIRECTOR COMPENSATION**

The Corporate Governance Committee is responsible for reviewing and recommending to the Board of Directors the compensation of our non-employee Directors. Members of our Board of Directors who are also our officers or employees do not receive compensation for serving as a Director (other than travel-related expenses for Board meetings held outside of our corporate offices). The following table sets forth the non-employee Director retainer and stipend schedule for 2006:

	Compensation
Annual Non-Executive Chairman of the Board Retainer	\$ 170,000
Annual Non-Executive Board Member Retainer	120,000
New Director Equity Grant	60,000
Audit Committee Chair Stipend	20,000
Audit Committee Member Stipend	12,000
Compensation Committee Chair Stipend	15,000
Compensation Committee Member Stipend	10,000
Corporate Governance Committee Chair Stipend	9,000
Corporate Governance Committee Member Stipend	7,000

The non-employee Director retainers and stipends set forth in the table above are paid in arrears at the end of each quarter (the Fee Payment Date), half in cash and half in restricted stock units (the Director RSUs) of PHH Common Stock, which are issued under our 2005 Equity and Incentive Plan and are required to be deferred under our Non-Employee Directors Deferred Compensation Plan. The Director RSUs may not be sold or otherwise transferred for value prior to the Director's termination of service on the Board. These Director RSUs are immediately vested and are paid in shares of our Common Stock one year after the Director is no longer a member of the Board of Directors. A non-employee Director may also elect to receive all or a portion of the cash retainer, stipends or any other compensation for service as a non-employee Director in the form of additional Director RSUs. These Director RSUs are also immediately vested and are paid in shares of our Common Stock 200 days after the Director is no longer a member of the Board of Directors. We do not maintain a pension plan for non-employee Directors, and they did not receive any other compensation for 2006.

Table of Contents**Director Compensation Table**

The following table sets forth the compensation paid to or earned by each non-employee Director for 2006:

Non-Employee Director	Fees Earned or Paid in Cash	Stock Awards(1)	Total
James W. Brinkley	\$ 71,133	\$ 70,864	\$ 141,997
A.B. Krongard	94,710(2)	94,386	189,096
Ann D. Logan	71,133	70,864	141,997
Jonathan D. Mariner	69,648	69,373	139,021
Francis J. Van Kirk	70,097	69,870	139,967

- (1) Following the announcement of the delay in filing our Annual Report on Form 10-K for the year ended December 31, 2005, the Board of Directors determined that the award of Director RSUs to be granted to non-employee Directors will be postponed until the expiration of the blackout period for our executive officers and directors pursuant to Regulation BTR (the "Blackout Period"). (See our Current Report on Form 8-K filed with the SEC on July 2, 2007 for more information regarding the Blackout Period.) We have included these amounts in the Director Compensation Table above because they have been earned and will be awarded upon the earlier of the consummation of the proposed merger (the "Merger") of Jade Merger Sub, Inc. ("Jade"), an indirect wholly owned subsidiary of General Electric Capital Corporation ("GE Capital"), with and into the Company pursuant to the Agreement and Plan of Merger (the "Merger Agreement"), dated as of March 15, 2007, by and between the Company, GE Capital and Jade or the expiration of the Blackout Period. The amounts shown reflect the fair value of the Director RSUs earned, but not awarded to Directors for 2006, and are calculated using the closing price for our Common Stock on the Fee Payment Date. The table below sets forth the fair value for the Director RSUs earned for each quarter of 2006:

Non-Employee Director	3/31/2006	6/30/2006	9/30/2006	12/31/2006
James W. Brinkley	\$ 17,702	\$ 17,708	\$ 17,728	\$ 17,726
A.B. Krongard	23,577	23,602	29,591	23,617
Ann D. Logan	17,702	17,708	17,728	17,726
Jonathan D. Mariner	17,328	17,350	17,344	17,351
Francis J. Van Kirk	17,462	17,460	17,481	17,467

During 2006, the number of Director RSUs was calculated by dividing the amount of deferred compensation by the average of the highest and lowest price for our Common Stock on the last trading day prior to the Fee Payment Date. The Board has revised the method for calculating the number of Director RSUs for all future awards by using the closing price for our Common Stock on the Fee Payment Date. As of December 31, 2006, Messrs. Brinkley, Krongard, Mariner and Van Kirk and Ms. Logan had an aggregate of 7,834, 14,396, 7,724, 5,981 and 7,834 Director RSUs, respectively, including those earned but not awarded in 2006.

- (2) Mr. Krongard elected to defer \$65,450 of the cash portion of his retainer and stipends pursuant to the Non-Employee Directors Deferred Compensation Plan and received 2,375 Director RSUs which will vest 200 days after he is no longer a member of our Board of Directors. The number of Director RSUs was

calculated by dividing the amount of cash deferred by the average of the highest and lowest price for our Common Stock on the last trading day prior to the Fee Payment Date. The fair values of these Director RSUs were \$16,340 on March 31, 2006, \$16,359 on June 30, 2006, \$16,358 on September 30, 2006 and \$16,340 on December 31, 2006, which were less than the amount of cash deferred on each Fee Payment Date.

The Board of Directors has established certain procedures and criteria for the selection of nominees for election to our Board of Directors. Pursuant to its charter, the Corporate Governance Committee is required to identify individuals qualified to become members of the Board, which shall be consistent with the Board's criteria for selecting new Directors. The Committee considers criteria such as diversity, age, skills and experience so as to enhance the Board of Directors' ability to manage and direct our affairs and business, including, when applicable, to enhance the ability of Committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE requirement. The Committee is also responsible for conducting a review of the credentials of individuals it wishes to recommend to the Board of Directors as a Director nominee, recommending Director nominees to the Board of Directors for submission for a stockholder vote at either an annual meeting of stockholders or at any special meeting of stockholders called for the purpose of electing Directors, reviewing the suitability for continued service as a Director of each Board member when his or her term expires and when he or she has a significant change in status, including but not limited to an employment change, and recommending whether such a Director should be re-nominated to the Board or continue as a Director.

Our by-laws provide the procedure for stockholders to make Director nominations either at any annual meeting of stockholders or at any special meeting of stockholders called for the purpose of electing Directors. A stockholder who is a stockholder of record on the date of notice as provided for in our by-laws and on the record date for the determination of stockholders entitled to vote at such meeting who gives timely notice can nominate persons for election to our Board of Directors either for an annual meeting of stockholders or at any special meeting of stockholders called for the purpose of

any other information relating to the stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors pursuant to Regulation 14A of the Exchange Act and the rules and regulations promulgated thereunder.

In addition, the notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a Director if elected.

Laurel, New Jersey, 08054. The Corporate Secretary shall review all such stockholder and interested party communications and discard those which (i) are not related to our business or governance of our company, (ii) are commercial solicitations which are not relevant to the Board's responsibilities and duties, (iii) pose a threat to health or safety or (iv) the Chairman of the Corporate Governance Committee has otherwise instructed the Corporate Secretary not to forward. LEGAL PROCEEDINGS

In March and April 2006, several purported class actions were filed against us, our Chief Executive Officer and our former Chief Financial Officer in the U.S. District Court for the District of New Jersey. The first of these putative class actions was voluntarily dismissed without prejudice by the plaintiff on November 7, 2007. In the other two cases, the remaining plaintiffs seek to represent an alleged class consisting of all persons (other than our officers and directors and their affiliates) who purchased our Common Stock during certain time periods beginning March 15, 2005 in one case and May 12, 2005 in the other and ending March 1, 2006. The plaintiffs allege, among other matters, that the defendants violated Section 10(b) of the Exchange Act and Rule 10b-5 thereunder. Additionally, two derivative actions were filed in the U.S. District Court for the District of New Jersey against us, our former Chief Financial Officer and each member of our Board of Directors. Both of these derivative actions have since been voluntarily dismissed by the plaintiffs.

Following the announcement of the Merger in March 2007, two purported class actions were filed against us and each member of our Board of Directors in the Circuit Court for Baltimore County, Maryland (the Court). The first of these actions also named GE Capital and Blackstone as defendants. The plaintiffs sought to represent an alleged class consisting of all persons (other than our officers and Directors and their affiliates) holding our Common Stock. In support of their request for injunctive and other relief, the plaintiffs alleged, among other matters, that the members of the Board of Directors breached their fiduciary duties by failing to maximize stockholder value in approving the Merger Agreement. On or about April 10, 2007, the claims against Blackstone were dismissed without prejudice. On May 11, 2007, the Court consolidated the two cases into one action. On July 27, 2007, the plaintiffs filed a consolidated amended complaint. This pleading did not name GE Capital or Blackstone as defendants. It essentially repeated the allegations previously made against the members of our Board of Directors and added allegations that the disclosures made in the preliminary proxy statement filed with the SEC on June 18, 2007 omitted certain material facts. On August 7, 2007, the Court dismissed the consolidated amended complaint on the ground that the plaintiffs were seeking to assert their claims directly, whereas, as a matter of Maryland law, claims that directors have breached their fiduciary duties can only be asserted by a stockholder derivatively. The plaintiffs have the right to appeal this decision.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Committee Oversight of Executive Compensation

The Compensation Committee of the Board of Directors is comprised of three independent, non-executive directors and is responsible for overseeing our executive compensation policies, including evaluating and approving the compensation of our Named Executive Officers (as defined in Summary Compensation Table below). The Board of Directors has adopted a Compensation Committee Charter which sets forth the purpose, composition, authority and

responsibilities of the Compensation Committee. The Compensation Committee reviews and determines the base salary, annual and long-term incentive awards, equity awards and other compensation for each Named Executive Officer, including our President and Chief Executive Officer, and evaluates our compensation policies. The Compensation Committee also has the authority to engage and retain executive compensation consultants to assist with such evaluations.

Table of Contents

Executive Compensation Objectives

The primary objective of our executive compensation policies is to attract, retain and motivate qualified executive officers to manage our business in order to maximize stockholder value. Our executive compensation policies are intended to facilitate the achievement of our short-term and long-term business strategies through aligning compensation with performance by:

- § providing base salaries and other compensation that are competitive and designed to attract and retain executive talent;
- § rewarding executive performance through variable, at-risk compensation that is dependant upon meeting specified performance targets; and
- § aligning the interests of our executive officers with the interests of our stockholders by providing equity-based compensation as a component of total compensation.

The Compensation Committee does not rely upon a fixed formula or specific numerical criteria in determining each Named Executive Officer's total compensation or the allocation of compensation among the various components of compensation described below. Moreover, we do not have a specific policy for the allocation of compensation between short-term and long-term compensation or cash and equity compensation. Rather, the Compensation Committee exercises its business judgment in determining total compensation based upon the following criteria

- § our long-term strategic objectives, financial and other performance criteria and individual performance goals;
- § the competitive compensation levels for executive officers at companies in similar businesses and/or of similar size;
- § the overall economic environment and industry conditions; and
- § the recommendations of executive compensation consultants.

Based upon its analysis of these criteria, the Compensation Committee determines on an annual basis each component of executive compensation (as discussed below) for the Named Executive Officers taking into consideration the total compensation relative to the median for the Peer Group (as defined in [Benchmarking](#) below).

Role of Management in Executive Compensation Decisions

The Compensation Committee is responsible for reviewing and approving the compensation for our Named Executive Officers and stock equity awards for all employees. Generally, our Chief Executive Officer makes recommendations to the Compensation Committee as it relates to the compensation of the other executive officers. In addition, our executive officers, including our Chief Executive Officer, Chief Financial Officer and Senior Vice Presidents of Human Resources, provide input and make proposals regarding the design, operation, objectives and values of the various components of compensation in order to provide appropriate performance and retention incentives for key employees. These proposals may be made on the initiative of the executive officers or upon the request of the Compensation Committee.

Executive Compensation Consultants

The Compensation Committee retained Mercer Human Resource Consulting, Inc. (Mercer) to assist it with the evaluation of executive compensation for 2006. Mercer analyzes and provides comparative executive compensation data and compensation program proposals for the Compensation Committee's consideration in evaluating and setting the compensation of the Named Executive Officers and the overall structure of our compensation policies. Upon the Compensation Committee's prior approval, Mercer also provides human resource consulting services to management from time-to-time. The Compensation Committee does not believe that these other services compromise Mercer's ability to provide the Compensation Committee with an independent perspective on executive compensation.

Table of Contents***Benchmarking***

To ensure that we are competitive in attracting and retaining executive talent, during 2006 we benchmarked our executive compensation against a peer group consisting of 14 companies in similar businesses, including mortgage, leasing and financial services companies, and/or of similar size based on total sales and total assets (the Peer Group). The Peer Group consisted of the following companies:

§ AMERCO	§ Fiserv, Inc.	§ Radian Group, Inc.
§ American Home Mortgage Investment Corp.	§ GATX Corp.	§ Rent-A-Center, Inc.
§ Astoria Financial Corporation	§ Golden West Financial Corp.	§ Ryder System, Inc.
§ CIT Group Inc.	§ IndyMac Bancorp, Inc.	§ Sovereign Bancorp, Inc.
	§ MGIC Investment Corp.	§ Westcorp, Inc.

Mercer provided the Compensation Committee with executive compensation information for the Peer Group as well as survey data from multiple national compensation surveys (the Survey Data) in order to assist in the compensation evaluation due to the unique nature of our business segments and the lack of peer companies with a similar business segment mix for comparison. The Compensation Committee evaluated the base salary, short-term and long-term incentives and actual and target total compensation levels for the Peer Group and Survey Data, including the median and percentile ranges for each compensation component, for comparison with that of our Named Executive Officers. The Compensation Committee determined that total executive compensation for the Named Executive Officers should be targeted at or slightly above the median of the compensation of the Peer Group in order to be competitive with the compensation structure of the Peer Group and to attract and retain executive talent. These targets may be adjusted based upon the specific responsibilities, experience and performance of each Named Executive Officer as well as other factors in the Compensation Committee's discretion.

Components of Executive Compensation

The primary components of the executive compensation arrangements for our Named Executive Officers are base salaries, variable compensation programs and long-term incentive awards.

Base Salaries. The Compensation Committee is responsible for determining the base salary of our Chief Executive Officer and other Named Executive Officers, which includes the review and approval of annual adjustments to their base compensation. Base salaries are intended to provide a level of cash compensation that is externally competitive in relation to the responsibilities of the executive's position in order to attract and retain executive talent. The Compensation Committee determines salary levels based upon competitive compensation levels for companies in the Peer Group and Survey Data as well as consideration of the nature of the executive officer's position and the contribution, achievement, experience and tenure of the executive officer. Mr. Edwards has served as our President and Chief Executive Officer since the Spin-Off and prior to that was the President and Chief Executive Officer of PHH Mortgage from February 1996 until the Spin-Off. In August 2005, Mr. Edwards resumed his role as President and Chief Executive Officer of PHH Mortgage in addition to his corporate role. Each of our other Named Executive Officers, except for Mr. Raubenstine, has been in their current position since the Spin-Off. Mr. Raubenstine was appointed to serve as our Executive Vice President and Chief Financial Officer on February 23, 2006. See Executive Officers for more information regarding positions held by each Named Executive Officer in the past five years. Our Named Executive Officers do not have employment agreements with us in accordance with the policy adopted by the Board following the Spin-Off. See Employment, Termination, Severance and Change in Control Arrangements Employment Agreements below for more information.

For 2006, the Compensation Committee evaluated our financial performance, the performance of our Named Executive Officers and Peer Group and Survey Data with regard to the base salaries and total compensation of executive officers in comparable positions. The Compensation Committee reviewed Mr. Edwards' compensation and, upon his request, made no adjustments to his base salary for 2006, which remained at the 2005 level of \$564,635. Based upon its review of the Peer Group and Survey Data, the Compensation Committee increased the base salaries for Messrs. Kilroy, Danahy and Brown to the amounts set forth in the table below, effective February 25, 2006, to bring their base salaries in line with the median base salaries of executive officers holding comparable positions in the Peer Group. The Compensation Committee set Mr. Raubenstine's annual base salary at \$1,000,000 for 2006, effective on February 23, 2006. See Executive Compensation Decisions in 2006 and

Table of Contents

2007 for more information regarding Mr. Raubenstine's compensation arrangements. The following table sets forth the annual base salaries for the Named Executive Officers for 2006.

Name	Title	Annual Base Salary for 2006
Terence W. Edwards	President and Chief Executive Officer; President and Chief Executive Officer PHH Mortgage	\$ 564,635
Clair M. Raubenstine	Executive Vice President and Chief Financial Officer	1,000,000
George J. Kilroy	President and Chief Executive Officer PHH Arval	450,000
Mark R. Danahy	Senior Vice President and Chief Financial Officer PHH Mortgage	325,000
William F. Brown	Senior Vice President, General Counsel and Corporate Secretary; Senior Vice President, General Counsel and Secretary PHH Mortgage	300,000

Variable Compensation Programs. Our Named Executive Officers may receive additional cash compensation through participation in our annual management incentive plans (MIPs) that are designed to motivate eligible recipients to achieve our short-term objectives. Each executive officer is eligible to receive an annual cash incentive payout calculated as a percentage of the executive officer's base salary and based upon the achievement of performance targets for the individual executive officer and operating segment, consolidated results and/or other performance goals established by the Compensation Committee in its discretion. The payout target increases as a percentage of base salary with the executive officer's duties and responsibilities in order to tie a greater percentage of the executive officer's compensation to the achievement of our annual performance objectives.

The Compensation Committee generally sets the performance targets under the MIPs at levels which are considered to be challenging based on historical performance, industry and market conditions and adjusts such targets each year to coincide with our overall strategy, financial performance targets and other factors. For the three years prior to 2006, the performance targets established for the PHH Mortgage MIPs were met or exceeded in two of the three years, and the performance targets established for the PHH Arval MIPs were met or exceeded in all three years. Prior to 2006, we had one corporate MIP for which the performance target was exceeded.

In consultation with management and Mercer, the Compensation Committee approved the 2006 PHH Corporation Management Incentive Plan (the 2006 PHH MIP), the 2006 PHH Arval Management Incentive Plan (the 2006 Fleet MIP) and the 2006 PHH Mortgage Management Incentive Plan (the 2006 Mortgage MIP) (collectively, the 2006 MIPs) and established performance targets for the Named Executive Officers based on the 2006 pre-tax income after minority interest for us, PHH Arval and PHH Mortgage, respectively. Pursuant to the terms of the 2006 MIPs, in the event that the performance targets were achieved or exceeded, the participating Named Executive Officer would receive a cash payment in an amount equal to the Named Executive Officer's base salary multiplied by the target payout percentage multiplied by the percentage by which the performance target for such plan was met or exceeded. The minimum payout is 100% of the target payout and the maximum payout is 125% of the target payout although the performance targets must be exceeded by more than 10% for a payout above the target payout level to occur. From 110% to 125% of the performance target, the payout is proportionate to the percentage by which the performance target is exceeded.

The Compensation Committee reviewed the roles and responsibilities of each Named Executive Officer and the Peer Group and Survey Data in evaluating the percentage of base salary for target payouts to the Named Executive Officers under the 2006 MIPs. In 2006, the Compensation Committee determined that the current payout targets for

Messrs. Edwards, Kilroy and Brown were appropriate and that the target payout amount for Mr. Danahy be increased to 75% to bring his target payout level in line with the median target levels for comparable executives

Table of Contents

in the Peer Group. The table below sets forth the target payout as a percentage of base salary for each of the Named Executive Officers participating in the 2006 MIPs:

Name	Payout Target as Percentage of Base Salary
Terence W. Edwards	100%
George J. Kilroy	100%
Mark R. Danahy	75%
William F. Brown	50%

Mr. Raubenstine did not participate in the 2006 MIPs. Messrs. Edwards and Brown participated in the 2006 PHH MIP; Mr. Danahy participated in the 2006 Mortgage MIP and Mr. Kilroy participated in the 2006 PHH MIP and 2006 Fleet MIP with 50% of his target payout determined under each plan. See [Grants of Plan-Based Awards for 2006](#) for additional information regarding the target payout amounts under the 2006 MIPs for the Named Executive Officers.

In 2007, the Compensation Committee reviewed the 2006 pre-tax income after minority interest for us, PHH Mortgage and PHH Arval and determined that the performance targets for the Named Executive Officers under the 2006 PHH MIP and 2006 Mortgage MIP had not been achieved and that PHH Arval exceeded its performance target under the 2006 Fleet MIP. As a result, Messrs. Edwards, Danahy and Brown did not receive payouts under the 2006 MIPs, and Mr. Kilroy received a payout of \$267,461 based upon the 2006 Fleet MIP upon the filing of the 2006 Form 10-K.

Long-Term Incentive Awards. The Compensation Committee administers our 2005 Equity and Incentive Plan, which provides for equity awards, including restricted stock units (PHH RSUs) and options to purchase our Common Stock (Stock Options). The Compensation Committee considers equity awards to our Named Executive Officers an appropriate and effective method of retaining key management employees and aligning their interests with the interests of our stockholders. Eligibility for stock awards, the number of shares underlying each award and the terms and conditions of each award are determined by the Compensation Committee upon consultation with management and Mercer. In June 2005, the Compensation Committee granted an annual award of PHH RSUs and Stock Options to our Named Executive Officers, which vest beginning on the fourth anniversary of the grant date, with the opportunity to accelerate the vesting of 25% of the total award for each year prior to the fourth anniversary of the grant date based on the achievement of performance targets established by the Compensation Committee. The Compensation Committee made these awards in PHH RSUs for Messrs. Danahy and Brown. These awards were split equally between PHH RSUs and Stock Options for Messrs. Edwards and Kilroy in order to further tie their compensation to the creation of stockholder value. The Compensation Committee establishes these performance targets annually for these and certain other equity awards with performance-based vesting converted from Cendant awards at the time of the Spin-Off. The performance targets for these awards were determined generally in the same manner as those for the annual MIPs and were based on our 2006 pre-tax income after minority interest. See [Variable Compensation Programs](#) for additional information regarding establishing performance targets. In 2007, the Compensation Committee reviewed our 2006 pre-tax income after minority interest and determined that the performance targets had not been met. During 2006, the Compensation Committee did not make any equity awards under the 2005 Equity and Incentive Plan due to the delay in the filing of our financial statements with the SEC, which resulted in our Registration Statement on Form S-8 for our 2005 Equity and Incentive Plan not being effective until we became a current filer with the SEC on June 28, 2007.

Executive Compensation Decisions in 2006 and 2007

In February 2006, the Compensation Committee, in consultation with the Board of Directors and management, approved the compensation for Mr. Raubenstein, who was appointed by the Board of Directors on February 23, 2006 to serve as Executive Vice President and Chief Financial Officer. Upon discussions with Mr. Raubenstein, management and Mercer, the Compensation Committee set Mr. Raubenstein's base salary for 2006 at \$1,000,000 and determined that he would not be eligible to participate in the 2006 MIPs. The Compensation Committee

Table of Contents

considered the need for Mr. Raubenstine to split his time between our offices in Maryland and New Jersey in this role and agreed to reimburse him for any travel, meals and lodging expenses which might otherwise not be a deductible business expense and to provide a tax gross-up on any such amounts. As an inducement to his employment, the Compensation Committee agreed to award Mr. Raubenstine shares of our Common Stock equivalent to \$250,000. During 2006, our intention was to make this grant in two equal installments: the first when we became current in our filing obligations with the SEC and were permitted to issue shares of our Common Stock from our 2005 Equity and Incentive Plan and the second on the later of February 23, 2007 or the date on which we became a current filer with the SEC. Due to the delay in the filing of our financial statements with the SEC and the announcement of the Merger, this stock award was never granted. In 2007, the Compensation Committee, with Mr. Raubenstine's consent, determined to satisfy this arrangement through a cash payment of \$250,000 which was paid upon the filing of the 2006 Form 10-K.

In September 2006, the Compensation Committee reviewed and approved the Release and Restrictive Covenants Agreement (the "Cashen Release") between us and our former Chief Financial Officer, Mr. Neil J. Cashen, prior to its execution on September 20, 2006. The Compensation Committee considered the restrictive covenants, including certain non-compete and non-solicitation provisions to which Mr. Cashen would be subject, his length of service and his role and position with both us and PHH Arval in evaluating and approving the terms of the Cashen Release. The Compensation Committee also reviewed the other terms of the Cashen Release, including the total amounts to be paid to Mr. Cashen and the retention of vesting and exercise rights for certain previously awarded PHH RSUs and Stock Options, and determined that the approval and execution of the Cashen Release was appropriate and in our best interest.

In August 2007, the Compensation Committee reviewed and approved the deferral of shares to be issued to the Named Executive Officers to satisfy the conversion of PHH RSUs earned, but not awarded during the Blackout Period until the earlier of the consummation of the Merger or the expiration of the Blackout Period.

Retirement Benefits

Certain of our Named Executive Officers are participants in defined benefit plans that were available to all of our employees prior to the Spin-Off, including the PHH Corporation Pension Plan (the "PHH Pension Plan") and PHH Corporation Retiree Medical Plan (the "PHH Retiree Medical Plan") (collectively, the "Retirement Plans"). The benefits payable under these plans have been frozen for the Named Executive Officers and the other plan participants. See

Pension Benefits for 2006 for more information regarding benefits available to the Named Executive Officers under these plans. In addition, all of our Named Executive Officers participate in the PHH Corporation Employee Savings Plan (the "PHH Savings Plan") on the same basis as other employees. The PHH Savings Plan is a tax-qualified retirement savings plan that provides for employee contributions made on a pre-tax basis and matching contributions by us of up to six percent of the employee's compensation contributed to the PHH Savings Plan up to the statutory limit. See All Other Compensation Table in Footnote 7 under Summary Compensation Table for more information regarding matching contributions to the PHH Savings Plan made on behalf of each Named Executive Officer.

Perquisites

We provide a limited number of perquisites to our Named Executive Officers, which the Compensation Committee believes are reasonable and consistent with our overall compensation program for executive officers and necessary to attract and retain executive talent. Our Named Executive Officers generally are provided with or have use of company vehicles, fuel for these vehicles, financial planning services and tax reimbursements on the foregoing perquisites. See

All Other Compensation Table in Footnote 7 under Summary Compensation Table for more information regarding perquisites.

Employment, Termination, Severance and Change in Control Arrangements

Employment Agreements. None of our Named Executive Officers have employment agreements. However, immediately after the Spin-Off, we did enter into an employment agreement with Mr. Edwards with a term ending on February 1, 2008. In addition to providing for a minimum base salary of \$625,000 and participation in employee

Table of Contents

benefit plans generally available to our executive officers, Mr. Edwards' agreement provided for an annual incentive award with a target amount equal to no less than 100% of his base salary, subject to the attainment of performance goals, and grants of long-term incentive awards upon such terms and conditions as determined by our Board of Directors or Compensation Committee. In addition, Mr. Edwards was entitled to receive an equity incentive award under the employment agreement relating to our Common Stock that would have vested based on the achievement of specified performance goals and would have had a value on the grant date of \$2.5 million, which value would have been based on such performance criteria determined by the Compensation Committee. Based upon discussions between management and the Compensation Committee following the Spin-Off, we adopted a policy not to enter into employment agreements with any of our executive officers. In accordance with this policy, we and Mr. Edwards terminated his employment agreement in February 2005 and Mr. Edwards' employment with us has been on an at-will basis since that time.

Change in Control and Other Severance Arrangements. During 2006, we did not have change in control agreements with our Named Executive Officers. Generally, all unvested Stock Options granted to each of the Named Executive Officers under our 2005 Equity and Incentive Plan will become fully and immediately vested and exercisable, and all PHH RSUs will vest upon the occurrence of a change in control transaction. If consummated, the proposed Merger would result in a change in control under the terms of the 2005 Equity and Incentive Plan. In addition, during 2006, we had certain severance policies for our executive officers which provide benefits in the event of their termination without cause. See *Potential Payments upon Termination of Employment or Change in Control* below for additional information regarding payments in the event of a change in control or other termination of employment for each Named Executive Officer.

Deductibility of Executive Compensation

In accordance with Section 162(m) of the Internal Revenue Code, the deductibility for federal corporate income tax purposes of compensation paid to certain of our individual executive officers in excess of \$1 million in any year may be restricted. The Compensation Committee believes that it is in the best interests of our stockholders to comply with such tax law, while still maintaining the goals of our compensation programs. Accordingly, where it is deemed necessary and in our best interests to attract and retain the best possible executive talent and to motivate such executives to achieve the goals inherent in our business strategy, the Compensation Committee will recommend compensation to executive officers which may exceed the limits of deductibility. In this regard, certain portions of compensation paid to the Named Executive Officers may not be deductible for federal income tax purposes under Section 162(m).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviewed and discussed the Compensation Discussion and Analysis with management and, based on such review, recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the 2006 Form 10-K and this Proxy Statement.

- (1) On February 22, 2006, the Compensation Committee increased the annual salary for Messrs. Kilroy, Danahy and Brown to \$450,000, \$325,000 and \$300,000, respectively, effective on February 25, 2006. Mr. Edwards annual salary was not changed for 2006. No increases in annual salary have been made for the Named Executive Officers for 2007.
- (2) As an inducement to his employment, we agreed to award Mr. Raubenstine shares of our Common Stock equivalent to \$250,000. During 2006, our intention was to make this grant in two equal installments: the first when we became current in our filing obligations with the SEC and were permitted to issue shares of our Common Stock from our 2005 Equity and Incentive Plan and the second on the later of February 23, 2007 or the date on which we became a current filer with the SEC. Due to the delay in the filing of our financial statements with the SEC and the announcement of the Merger, this stock award was never granted. In 2007, we and Mr. Raubenstine agreed to satisfy this arrangement through a cash payment of \$250,000 which was paid upon the filing of the 2006 Form 10-K. The amount in this column reflects the proportion of the total amount of the bonus earned during 2006 on a straight-line basis.

Equity and Incentive Plan. There were no awards of PHH RSUs to our Named Executive Officers in 2006. See Outstanding Equity Awards at Fiscal Year-End for 2006 for more information regarding existing awards of PHH RSUs. See also Note 20, Stock-Based Compensation in the Notes to Consolidated Financial Statements included in the 2006 Form 10-K for more information.

- (4) The amounts shown in this column reflect the amount recognized by us (exclusive of the effect of estimated forfeitures) for the year ended December 31, 2006 for financial statement reporting purposes with respect to awards of Stock Options to our Named Executive Officers, which awards were made prior to 2006 under the 2005 Equity and Incentive Plan. There were no awards of Stock Options to our Named Executive Officers in 2006. See Grants of Plan-Based Awards for 2006 and Outstanding Equity Awards at Fiscal Year-End for 2006 for more information regarding existing awards of Stock Options. See also Note 20, Stock-Based Compensation in the Notes to Consolidated Financial Statements included in the 2006 Form 10-K for more information.
- (5) For 2006, Messrs. Edwards, Kilroy and Brown were participants in our 2006 PHH MIP and Mr. Danahy was a participant in our 2006 Mortgage MIP. Each plan provided for cash payments based upon the achievement of certain performance targets established by our Compensation Committee. In 2006, the performance targets for the 2006 PHH MIP and 2006 Mortgage MIP were based on our consolidated pre-tax income after minority interest and the pre-tax income after minority interest for PHH Mortgage, respectively. Given his role as President and Chief Executive Officer of PHH Arval, Mr. Kilroy's non-equity incentive plan compensation was split equally between the achievement of the performance targets set forth in the 2006 PHH MIP and the performance targets set forth in the 2006 Fleet MIP, which were based on the pre-tax net income after minority interest of PHH Arval for 2006. See Grants of Plan-Based Awards for 2006 for more information regarding the payout levels. Based on our consolidated results and the results of PHH Arval and PHH Mortgage for 2006, the Compensation Committee determined that the performance targets for the 2006 PHH MIP and 2006 Mortgage MIP were not achieved and the performance targets for the 2006 Fleet MIP were exceeded. As a result, Messrs. Edwards, Danahy and Brown did not receive non-equity incentive compensation under the 2006 PHH MIP or 2006 Mortgage MIP for 2006, and Mr. Kilroy received payment under the 2006 Fleet MIP in the amount of \$267,461 upon the filing of the 2006 Form 10-K.
- (6) The amounts in this column reflect the aggregate change in the actuarial present value of the accumulated benefit under the PHH Pension Plan and PHH Retiree Medical Plan from December 31, 2005 to December 31, 2006 for each participating Named Executive Officer. Mr. Edwards is a participant in both the PHH Pension Plan and the PHH Retiree Medical Plan; Messrs. Kilroy, Brown and Cashen are participants in the PHH Pension Plan, and Messrs. Raubenstine and Danahy are not participants in either plan. Each of these plans was frozen and the final average compensation and years of service for each Named Executive Officer participating in the PHH Pension Plan is based on the years of service and compensation earned prior to October 31, 1999 (October 31, 2004 for Mr. Kilroy). See Pension Benefits for 2006 for additional information regarding the benefits accrued for each of these Named Executive Officers and Note 15, Pension and Other Post Employment Benefits in the Notes to Consolidated Financial Statements included in the 2006 Form 10-K for more information regarding the calculation of our pension costs.

- (a) These amounts include premiums paid for life and long-term disability insurance coverage for the Named Executive Officers pursuant to our benefit plans and are paid for all employees.
- (b) These amounts reflect the matching contribution made by us on behalf of each Named Executive Officer under the PHH Corporation Employee Savings Plan. This matching contribution is available to all of our employees up to the amount of their voluntary contributions to the plan not to exceed the statutory limit, which was \$13,200 in 2006.
- (c) These amounts reflect the value of financial planning services which were made available to the Named Executive Officers. We also provided a tax gross-up to our Named Executive Officers for this amount. See Footnote (f) below.
- (d) These amounts include the value of the personal benefit received by each Named Executive Officer for the use of a company car and fuel, which values are based on our costs for such benefits. We also provided a tax gross-up to our Named Executive Officers for this amount. See Footnote (f) below.
- (e) This column reflects the value of hotel accommodations, meals and a car service to transport Mr. Raubenstine to and from our Maryland offices during 2006 as part of his employment. Mr. Raubenstine split his time between our New Jersey and Maryland offices, but spent more than 50% of his time in our Maryland offices during 2006. While Mr. Raubenstine lives in the greater Philadelphia area, he was treated as being domiciled in Maryland for tax purposes due to the percentage of time that he worked in our Maryland offices. As a result, his normal travel, meals and lodging expenses for performing services for us in Maryland were not deductible business expenses and were recognized as compensation. We reimbursed Mr. Raubenstine for these expenses and provided a tax gross-up so that he incurred no additional taxes as a result of these payments. See Footnote (f) below.
- (f) This column reflects the tax gross-up amounts paid during 2006 (i) for the financial planning, car and fuel costs for Messrs. Edwards, Kilroy, Danahy, Brown and Cashen and (ii) for hotel accommodations and car service costs for Mr. Raubenstine's travel to and from our Maryland offices.
- (g) The amount in this column reflects the amount of accrued vacation and holiday pay which was paid to Mr. Cashen when his employment with us terminated on September 20, 2006 pursuant to the Cashen Release.
- (h) The amount in this column reflects the severance payout made to Mr. Cashen, which includes a cash payment of \$1,864,800 and the value of his company car and a laptop computer (\$47,582 and \$1,503, respectively) based on our fair value of each on September 20, 2006, pursuant to the terms of the Cashen Release.
- (8) Effective February 23, 2006, Mr. Raubenstine joined us as Executive Vice President and Chief Financial Officer. For 2006, Mr. Raubenstine received an annual salary of \$1,000,000 and was not a participant in the 2006 PHH MIP.
- (9) Effective February 23, 2006, Mr. Cashen ceased serving as our Executive Vice President and Chief Financial Officer and assumed the role of Senior Vice President, Strategic Planning and Investor Relations. On September 20, 2006, Mr. Cashen resigned his employment and entered into the Cashen Release, which provided a release of all claims by Mr. Cashen, except for certain indemnification and benefit claims; non-competition

restrictions for periods ranging from three to five years and non-disclosure and non-disparagement restrictions. The agreement provides for a one-time lump sum cash payment of \$1,864,800, the retention of his company vehicle and laptop and continued vesting and exercise rights in previously granted stock-based awards on the same basis and at the same time as such awards would have vested or been exercisable had he remained an employee through October 11, 2009, which resulted in the recognition of additional expense for financial statement reporting purposes for his previously granted PHH RSU and Stock Option awards.

Table of Contents**GRANTS OF PLAN-BASED AWARDS FOR 2006**

The following table sets forth the grants of plan-based awards for 2006, including non-equity incentive plan awards under the 2006 PHH MIP, 2006 Mortgage MIP and 2006 Fleet MIP. There were no equity-based awards made to the Named Executive Officers for 2006. Pursuant to the terms of the Cashen Release, vesting and exercise rights in previously granted stock-based awards were allowed to continue on the same basis and at the same time as such awards would have vested or been exercisable had Mr. Cashen remained an employee through October 11, 2009. These modifications are reflected in the table below as new awards on September 20, 2006. The number of PHH RSUs and Stock Options, exercise prices, expiration dates and other terms of these equity awards were not modified.

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards(1)			All Other	Exercise	Grant
		Threshold	Target	Maximum	Option Awards: Number of Securities Underlying Options	or Base Price of Option Awards per Share(2)	Date Fair Value of Stock and Option Awards

Clair M. Raubenstine							
George J. Kilroy	N/A	219,031	438,461	548,076			
Mark R. Danahy	N/A		243,750	304,688			
William F. Brown	N/A		150,000	187,500			
Neil J. Cashen(3)	9/20/2006				104,909	17.43	194,082
	9/20/2006				23,247	20.78	201,079
	9/20/2006				13,874	24.99	20,727

- (1) The target payout amount is determined based on a percentage of the annual salary of the Named Executive Officer at the time of grant, except for Mr. Kilroy whose target is based on a percentage of his actual salary for the prior year pursuant to the terms of the 2006 Fleet MIP. The target payout level is 100% of salary for Messrs. Edwards and Kilroy, 75% of salary for Mr. Danahy and 50% of salary for Mr. Brown. The maximum payout is 125% of the target payout although the performance targets must be exceeded by more than 110% for a payout above target. From 110% to 125% of target, the payout is proportionate to the percentage by which the performance target is exceeded. The performance targets for the 2006 PHH MIP, 2006 Mortgage MIP and 2006 Fleet MIP were based on the pre-tax income after minority interest for us, PHH Mortgage and PHH Arval, respectively. Messrs. Raubenstine and Cashen did not participate in the 2006 PHH MIP, 2006 Mortgage MIP or 2006 Fleet MIP. Mr. Danahy participates in the 2006 Mortgage MIP only given his role with PHH Mortgage. No payments were made to the Named Executive Officers under the 2006 PHH MIP or 2006 Mortgage MIP. Mr. Kilroy participates equally in the 2006 PHH MIP and 2006 Fleet MIP with a target payout equal to \$219,031 under each plan. As a result, the threshold amount for Mr. Kilroy's non-equity incentive plan award is

50% of his target payout since the performance target under one, but not the other, MIP was achieved. See Footnote 5 under Summary Compensation Table for information regarding the payout to Mr. Kilroy under the 2006 Fleet MIP.

- (2) The exercise prices shown for Mr. Cashen's Stock Option Awards were not modified by the Cashen Release and reflect the original exercise prices set at the time of the grant of these awards. The closing price for our Common Stock on September 20, 2006 was \$27.51.
- (3) The terms of the Cashen Release, including the continued vesting and exercise rights for previously granted Stock Option and PHH RSU awards, were approved by the Compensation Committee on September 19, 2006 and resulted in a modification of the awards upon execution of the Cashen Release on September 20, 2006. We did not modify the exercise price, number of shares and other terms of the awards. As a result of the modification, we recognized net incremental compensation cost of \$533,375, which includes the amounts set forth for each Stock Option award in the last column of the table as well as the net incremental cost of \$117,487 for the modification to the previously granted PHH RSU awards of 15,252 shares.

Table of Contents**OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END FOR 2006**

The following table sets forth the outstanding equity awards, including PHH RSUs and Stock Options, for each of our Named Executive Officers as of December 31, 2006. PHH RSUs earned during 2006 pursuant to the vesting terms of existing award agreements but not converted to shares of our Common Stock because we were not a current filer with the SEC are not presented as outstanding awards in the table. In addition, Stock Options which were earned during 2006 are included in the table as exercisable.

Award RSUs). The following table sets forth the number of 2003 Conversion RSUs and 2005 Annual Award RSUs outstanding as of December 31, 2006 for each Named Executive Officer:

Name	Number of 2003 Conversion RSUs	Number of 2005 Annual Award RSUs
Terence W. Edwards	9,014	8,629
Clair M. Raubenstine

Mark R. Danahy	4,506	7,203
William F. Brown	3,605	6,753
Neil J. Cashen	4,326	4,784

The remaining 2003 Conversion RSUs vest on April 22, 2007 subject to continued employment. The 2005 Annual Award RSUs vest equally in three annual installments beginning on June 28, 2009 subject to continued employment and acceleration of vesting of 25% of the total award in three installments on June 28, 2007, June 28, 2008 and June 28, 2009 upon the achievement of financial performance targets for each of the three fiscal years ending prior to June 28, 2009. We did not achieve our performance target for 2006.

- (2) Calculated using the closing price of our Common Stock on December 29, 2006 (\$28.87).
- (3) This column includes awards of PHH RSUs made on February 1, 2005 in connection with the Spin-Off to convert existing awards of restricted stock units of Cendant common stock granted in 2004 (the 2004 Conversion RSUs). The 2004 Conversion RSUs vest at either 12.5% or 18.75% of the total award on each of April 27, 2007 and April 27, 2008 to the extent we achieve either 100% or 150%, respectively, of the financial performance target for the fiscal year preceding the vesting date. In the event that the performance targets for a given year are not achieved, then 12.5% of the award is forfeited. As a result of not achieving the performance targets for 2006, 12.5% of the total award of 2004 Conversion RSUs for each participating Named Executive Officer were forfeited on April 27, 2007. Any unvested portion of the 2004 Conversion RSUs not previously forfeited will vest only in the event of a change in control transaction or the death or disability of the Named Executive Officer.
- (4) These Stock Options vest on April 22, 2007 subject to continued employment.
- (5) These Stock Options vest on March 3, 2009 subject to continued employment.
- (6) These Stock Options vest annually in three equal installments beginning on June 28, 2009, subject to continued employment and acceleration of vesting of 25% of the total award in three installments on June 28, 2007, June 28, 2008 and June 28, 2009 upon the achievement of financial performance targets for each of the three fiscal years ending prior to June 28, 2009. We did not achieve our performance target for 2006.
- (7) See Grants of Plan-Based Awards for 2006 for information regarding certain amendments made to Mr. Cashen's outstanding equity awards.

Table of Contents**OPTION EXERCISES AND STOCK VESTED FOR 2006**

The following table sets forth information regarding the number and value of our Common Stock that vested during 2006 for our Named Executive Officers. The shares of our Common Stock listed in the table below will not be issued to the Named Executive Officers until we become a current filer with the SEC. There were no Stock Option exercises by the Named Executive Officers during 2006.

Name	Stock Awards(1)	
	Number of Shares Acquired on Vesting	Value Realized on Vesting
Terence W. Edwards	17,796	\$ 486,122
Clair M. Raubenstine

Mark R. Danahy	10,156	276,740
William F. Brown	7,923	215,572
Neil J. Cashen	8,989	245,414

- (1) The shares of our Common Stock shown represent the aggregate number of shares for each Named Executive Officer that vested during 2006 pursuant to the terms of the award agreements. The value realized on vesting reflects the value of the shares on the vesting date as set forth in the award agreements based on the closing price of our Common Stock on the vesting date. Since we were not a current filer with the SEC from March 1, 2006 until June 28, 2007, our Registration Statement on Form S-8 for our 2005 Equity and Incentive Plan was not effective, and the Board of Directors determined that these shares will not be issued to the Named Executive Officers until the earlier of the consummation of the Merger or the expiration of the Blackout Period.

PENSION BENEFITS FOR 2006

The following table sets forth information relating to the PHH Pension Plan, which is a defined benefit employee pension plan adopted as of the Spin-Off. The PHH Pension Plan is identical in all material respects to the Cendant Corporation Pension Plan (the "Cendant Pension Plan"), under which benefits were frozen for participants including our Named Executive Officers. The PHH Pension Plan assumed all liabilities and obligations owed under the Cendant Pension Plan to Cendant Pension Plan participants who were actively employed by us at the time of the Spin-Off, including Messrs. Edwards, Kilroy, Brown and Cashen. Certain of our employees, including Messrs. Raubenstine and Danahy, were not participants in the Cendant Pension Plan and are not participants in the PHH Pension Plan. The benefits under the PHH Pension Plan that are accrued to the participating Named Executive Officers were frozen and such officers may not accrue further benefits under the PHH Pension Plan.

- (2) The valuations included in this column have been calculated as of December 31, 2006 assuming the Named Executive Officer will retire at the normal retirement age of 65 and using the interest rate and other assumptions

Table of Contents

as described in Note 15, Pension and Other Post Employment Benefits in the Notes to Consolidated Financial Statements included in the 2006 Form 10-K.

No pension benefits were paid to the Named Executive Officers in 2006. Each of the Named Executive Officers, other than Messrs. Raubenstein and Danahy, is eligible to receive a benefit under the PHH Pension Plan based on 2% of their final average cash compensation times their number of years of benefit service (up to a maximum of 30 years) minus 50% of their annualized primary Social Security benefit. For purposes of determining the participating Named Executive Officers' benefits under the PHH Pension Plan, their final average compensation and years of benefit service was based on compensation and service earned prior to October 31, 1999 (October 31, 2004 for Mr. Kilroy). The participating Named Executive Officers will not accrue any additional benefits under the PHH Pension Plan or under any other defined benefit plan sponsored by us or Cendant after October 31, 1999 (October 31, 2004 for Mr. Kilroy).

NON-QUALIFIED DEFERRED COMPENSATION FOR 2006

The table below sets forth information relating to the PHH Corporation Executive Deferred Compensation Plan (the Deferred Compensation Plan) established by our Board of Directors in 1994 for specified executive officers at that time. The Deferred Compensation Plan was frozen to further participation in 1997 and Mr. Edwards is the only Named Executive Officer eligible to participate in the plan.

Name	Aggregate Earnings in Last Fiscal Year End	Aggregate Balance as of Last Fiscal Year
Terence W. Edwards	\$ 57,836(1)	\$ 536,942
Clair M. Raubenstein		
George J. Kilroy		
Mark R. Danahy		
William F. Brown		
Neil J. Cashen		

- (1) The amount reported in this column is not included as compensation in Summary Compensation Table because the earnings were not above-market or preferential pursuant to the applicable SEC rules under the Exchange Act.

There were no contributions to, or distributions or withdrawals from, the Deferred Compensation Plan in 2006. The Deferred Compensation Plan is a non-qualified deferred compensation plan pursuant to which participants may elect to defer up to 100% of their annual salary and any awards under a non-equity incentive plan. All deferrals by participants are 100% vested at all times. The Deferred Compensation Plan is unfunded for tax purposes and a bookkeeping account is established for each participant. Amounts deferred are credited with any associated earnings in accordance with hypothetical investment options elected by the participant from the investment options, including mutual funds and other funds, available under the PHH Savings Plan, except for the fund which invests in our Common Stock. Participants are entitled to a distribution under the Deferred Compensation Plan when they cease employment with us for any reason. Distributions may be made in lump sum or in monthly, quarterly or annual installments for up to ten years at the election of the participant.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OF EMPLOYMENT OR CHANGE IN CONTROL**

The following table sets forth the estimated payments and benefits that would be provided to each Named Executive Officer who was employed by us on December 29, 2006, pursuant to the terms of any contract, agreement, plan or arrangement that provides for such payments and benefits following, or in connection with, a termination of the Named Executive Officer, including by voluntary termination, involuntary termination not for cause, involuntary termination for cause, retirement, death or disability or a change in control with or without a termination of the Named Executive Officer. For purposes of calculating the amounts in the table, we have assumed that the termination or change in control event took place on December 29, 2006, the last business day of our most recently completed fiscal year, and used the closing price of our Common Stock on such date (\$28.87 per share) for purposes of calculating the value of any stock awards in accordance with the SEC rules under the Exchange Act. See the discussion that follows the table for additional information regarding the estimated payments and benefits.

The amounts shown in the table above include estimates of what would be paid to the Named Executive Officers upon the occurrence of the specified event. The actual amounts to be paid to the Named Executive Officers can only be determined at the time of such event. We have included payments related to the Retirement Plans and the Deferred Compensation Plan in the table since these are frozen plans and are not available to our current employees. We have not included payments related to the Retirement Plans in the specified events other than the Retirement column, as these payments are not triggered by termination, death or disability of the Named

Table of Contents

Executive Officer or a change in control. These amounts would be payable to the Named Executive Officer at some time after the specified event once the minimum retirement age and other PHH Pension Plan requirements were met. In addition, the table does not include payments of life or disability insurance payable upon the death or disability of the Named Executive Officers as these benefits are available to all employees on the same basis.

Potential Payments and Benefits

Severance. In accordance with our policy, none of our Named Executive Officers has an employment agreement or change in control agreement. We provide post-termination payments of salary or severance to our Named Executive Officers under a policy applicable to our executive officers in the event of a reduction in our workforce or the elimination or discontinuation of their position. Pursuant to our policy, the minimum severance is 26 weeks of base salary and the maximum severance is 52 weeks of base salary for the Named Executive Officers payable in a lump sum amount. In addition, the amounts shown in the table include \$7,500 in outplacement services pursuant to our severance policy. These services may be declined by the Named Executive Officer in lieu of an equivalent cash payment. The payment of severance is conditioned upon, among other things, the execution of a general release of us by the executive officer. If consummated, the proposed Merger would result in a change in control under our severance policy.

Accelerated Vesting of Stock Awards. All of the stock awards made to our Named Executive Officers have been granted under the 2005 Equity and Incentive Plan and are subject to the vesting and other terms set forth in award agreements and the 2005 Equity and Incentive Plan. Pursuant to the terms of the 2005 Equity and Incentive Plan, in the event of a Change in Control (defined below), any Stock Option award carrying a right to exercise that was not previously vested and exercisable becomes fully vested and exercisable, and any restrictions, deferral limitations, payment conditions and forfeiture conditions for PHH RSU awards lapse and such awards are deemed fully vested. In addition, any performance conditions imposed with respect to such awards are deemed to be fully achieved. Pursuant to the terms of the 2005 Equity and Incentive Plan, a Change in Control is deemed to have occurred if:

any person, as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than (i) us, (ii) any trustee or other fiduciary holding securities under one of our employee benefit plans and (iii) any corporation owned, directly or indirectly, by our stockholders in substantially the same proportions as their ownership of our Common Stock), is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of our Common Stock representing 30% or more of the combined voting power of our then outstanding voting securities (excluding any person who becomes such a beneficial owner in connection with a transaction immediately following which the individuals who comprise our Board of Directors immediately prior thereto constitute at least a majority of the Board of Directors of the entity surviving such transaction or, if we or the entity surviving the transaction is then a subsidiary, the ultimate parent thereof);

the following individuals cease for any reason to constitute a majority of the number of Directors then serving: individuals who constitute the Board and any new Director (other than a Director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of Directors) whose appointment or election by the Board or nomination for election by our stockholders was approved or recommended by a vote of at least two-thirds (2/3) of the Directors then still in office who either were Directors or whose appointment, election or nomination for election was previously so approved or recommended;

there is consummated a merger or consolidation of us or any of our direct or indirect subsidiaries with any other corporation, other than a merger or consolidation immediately following which the individuals who comprise our Board of Directors immediately prior thereto constitute at least a majority of the Board of Directors of the entity surviving such merger or consolidation or, if we or the entity surviving such merger is

then a subsidiary, the ultimate parent thereof or

our stockholders approve a plan of complete liquidation or there is consummated an agreement for the sale or disposition by us of all or substantially all of our assets (or any transaction having a similar effect), other than a sale or disposition by us of all or substantially all of our assets to an entity, immediately following which

the individuals who comprise our Board of Directors immediately prior thereto constitute at least a majority of the Board of the entity to which such assets are sold or disposed of or, if such entity is a subsidiary, the ultimate parent thereof.

The amounts in the table are calculated using the closing price of our Common Stock on December 29, 2006 and the number of Stock Options and PHH RSUs used to calculate the amounts in the table are those unexercisable Stock Options and unvested PHH RSUs which became exercisable and vested as a result of the Change in Control event pursuant to the SEC rules under the Exchange Act. If consummated, the proposed Merger would result in a change in control under the terms of the 2005 Equity and Incentive Plan. The following table provides the estimated payments that each Named Executive Officer would receive as a result of accelerated vesting of stock awards using a price of \$31.50 per share pursuant to the terms of the proposed Merger:

Name	Accelerated Vesting of Stock Awards
Terence W. Edwards	\$ 2,451,351
Clair M. Raubenstein	
George J. Kilroy	1,836,637
Mark R. Danahy	1,170,632
William F. Brown	893,013

Accelerated Payout of 2006 MIPs. Our short-term cash incentive plans for our executive officers are the 2006 MIPs, which are governed by the terms of the 2005 Equity and Incentive Plan and the respective 2006 MIPs. As discussed above with regard to stock awards, in the event of a Change in Control, the performance conditions imposed with respect to such awards are deemed to be fully achieved and the target payout amount is payable to the Named Executive Officers. If consummated, the proposed Merger would result in a change in control under the terms of the 2005 Equity and Incentive Plan. In the event of the death of a Named Executive Officer, the performance conditions under the 2006 MIPs are deemed to be fully achieved and the target payout amount, pro rated according to the time the Named Executive Officer participated in the performance period, is payable to the Named Executive Officer's estate. See Grants of Plan-Based Awards for 2006 above for information regarding the 2006 MIPs.

Retirement Plans. Certain of our Named Executive Officers were participants in the PHH Pension Plan and PHH Retiree Medical Plan which were available to all employees prior to 1999. Participants are entitled to payments in the form of an annuity upon attaining retirement age. The amounts reflected in the table are based on the estimated present value on December 29, 2006 of the payout for each participating Named Executive Officer assuming he had attained the normal retirement age of 65. None of the Named Executive Officers had attained the minimum retirement age under the PHH Pension Plan as of December 29, 2006. See Pension Benefits for 2006 above for more information.

Deferred Compensation. Mr. Edwards is the only Named Executive Officer who is a participant in the Deferred Compensation Plan. Participants are entitled to a distribution under the Deferred Compensation Plan when they cease employment with us for any reason. Distributions may be made in lump sum or in monthly, quarterly or annual installments for up to ten years at the election of the participant. See Non-qualified Deferred Compensation for 2006 above for more information.

Depending upon the level of achievement of these performance goals, all or a portion of the performance-based stock awards may not vest. The number of PHH RSUs includes 16,008 Earned Shares.

(3) Because there is no exercise price associated with the PHH RSUs, those PHH RSUs described in Footnote 2 above are not included in the weighted-average exercise price calculation.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Review and Approval of Related Person Transactions**

We review any relationships or transactions in which we and our Directors and executive officers, or their immediate family members, are participants to determine whether these persons have a direct or indirect material interest. Our

Directors Code and our Employees and Officers Code provide specific provisions regarding such relationships between our Directors and executive officers and us. The Corporate Governance Committee and the Corporate Compliance Officer review any such relationships identified under the Directors Code and the Employees and Officers Code, respectively, which are then reviewed and approved by the Board of Directors at least annually. The Directors Code sets forth the following guidelines for relationships that do not require Board approval:

- § the Director's sole interest in the arrangement is by virtue of his or her status as a director, executive officer and/or holder of less than 10% equity interest (other than a general partnership interest) in an entity with which we have concluded such an arrangement;
- § the arrangement involves payments to or from the entity that constitute less than the greater of \$1 million or 2% of the entity's consolidated gross revenues; and
- § the Director is not personally involved in (i) the negotiation and execution of the arrangement, (ii) performance of the services or provision of the goods or (iii) the monetary arrangement.

See Corporate Governance Code of Business Conduct and Ethics for Directors and Code of Conduct for Employees and Officers for more information. Our legal staff is responsible for the development and implementation of processes and controls, including regular director and officer questionnaires, to obtain information from the directors and executive officers with respect to related person transactions. Based on the facts and

Table of Contents

circumstances identified through these information gathering processes, the Board of Directors determines whether the company or a related person has a direct or indirect material interest in any transactions identified

Certain Business Relationships

A.B. Krongard, our Non-Executive Chairman, is also an outside director on the global Board of Directors for our principal outside law firm, DLA Piper. Our legal fees and disbursements paid to DLA Piper during 2006 were less than 0.4% of the firm's gross revenues for 2006.

James W. Brinkley, one of our Directors, became Vice Chairman of Smith Barney's Global Private Client Group following Citigroup's acquisition of LMWW in December 2005. We have certain relationships with the Corporate and Investment Banking segment of Citigroup, including financial services, commercial banking and other transactions. The fees paid to Citigroup, including interest expense, were approximately \$37 million for 2006, representing less than 0.1% of Citigroup's revenues. Citigroup is a lender, along with various other lenders, in several of our credit facilities. Our indebtedness to Citigroup was \$843 million as of December 31, 2006, representing less than 0.1% of Citigroup's total consolidated assets, and was made in the ordinary course of business upon terms, including interest rates and collateral, substantially the same as those prevailing at the time for comparable loans.

Mr. Brinkley's son, Douglas Brinkley, is a principal at Colliers Pinkard, a member firm of Colliers, which provides certain lease management services to us. The fees paid to Colliers during 2006 were approximately \$300,000, representing less than 0.1% of Colliers' annual revenues.

Bradford C. Burgess, who serves as a Director, Business Development at PHH Arval since 2001, is the son-in-law of George J. Kilroy, one of our Directors and President and Chief Executive Officer of PHH Arval. Mr. Burgess received compensation, including base and bonus payments, of \$120,000 for 2006 and was eligible to participate in employee benefit plans available to employees generally. His compensation and benefits were commensurate with other employees in comparable positions at PHH Arval.

Mr. Mariner, one of our directors, served as a director of BankAtlantic until May 2006. PHH Mortgage has certain mortgage banking relationships with BankAtlantic, the fees for which did not exceed 0.2% of BankAtlantic's annual revenues.

Indebtedness of Management

One or more of our mortgage lending subsidiaries has made, in the ordinary course of business, mortgage loans and/or home equity lines of credit to directors and executive officers and their immediate families. Such mortgage loans and/or home equity lines of credit were made on substantially the same terms, including interest rates and collateral requirements, as those prevailing at the time for comparable transactions with our other customers generally, and they did not involve more than the normal risk of collectibility or present other unfavorable features. Generally, we sell these mortgage loans and/or home equity lines of credit, soon after origination, into the secondary market in the ordinary course of business.

The Committee also discussed with the Independent Auditor those matters required by Statement of Auditing Standards No. 61, Communications with Audit Committees, as amended.

In addition, the Committee discussed with the Independent Auditor the firm's independence from the Company and management, and the Independent Auditor has provided the written disclosures and letter as required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

The Committee discussed with the Company's internal auditor and Independent Auditor the overall scope and plans for their respective audits. The Committee met with the internal auditor and the Independent Auditor, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Based upon the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board approved the inclusion of the audited financial statements in the Company's 2006 Annual Report filed with the SEC.

STOCKHOLDER PROPOSALS FOR ANNUAL MEETING OF STOCKHOLDERS FOR 2008

Proposals from stockholders are given careful consideration by us in accordance with Rule 14a-8 of the Exchange Act (Rule 14a-8). We provide all stockholders with the opportunity, under certain circumstances and consistent with our by-laws and the rules of the Securities and Exchange Commission, to participate in the governance of the Company by submitting stockholder proposals that they believe merit consideration at the annual meeting of stockholders for 2008. To enable management to analyze and respond to proposals stockholders wish to have included in the Proxy Statement and proxy card for that meeting, our by-laws, consistent with Rule 14a-8, require that any such proposal be received by us in writing no later than the tenth day following the public announcement of the date of the annual meeting of stockholders for 2008. PHH CORPORATION

INDEPENDENCE STANDARDS FOR DIRECTORS

The Board of Directors has adopted Corporate Governance Guidelines that contain director qualifications including director independence. No director will be considered independent unless the Board affirmatively determines that the director has no material relationship with PHH Corporation or any of its subsidiaries (together, the Company), either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company. When making independence determinations, the Board will consider all relevant facts and circumstances, as well as all applicable legal and regulatory requirements, including NYSE corporate governance requirements and the rules and regulations of any other regulatory or self-regulatory body with jurisdiction over the Company. Notwithstanding the foregoing, none of the following relationships shall automatically disqualify any director or nominee from being considered independent :

(a) More than three years ago, (i) the director was employed by the Company, or (ii) an immediate family member of the director was employed by the Company as an executive officer;

(b) (i) During any twelve-month period during the preceding three years, the director has received, or has an immediate family member who has received, less than \$100,000 in direct compensation from the Company; or (ii) during any twelve-month period during the preceding three years the director has received, or has an immediate family member who has received, director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service); or (iii) more than three years ago, the director has received, or has an immediate family member who has received, any such compensation (including amounts over \$100,000 per year);

(c) The director or an immediate family member of the director is or was employed within the past three years as an executive officer of another organization for which any of the Company's present executive officers at the same time serves or served on that organization's board of directors (or similar body) or any committee thereof, except that the foregoing shall not apply to service by such executive officer on such organization's compensation committee;

(d) (i) The director is or was an employee, executive officer, partner (other than a limited partner) or significant equity holder of another organization that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, is less than the greater of \$1.0 million or 2% of such other organization's consolidated gross revenues, or (ii) an immediate family member of the director is or was an executive officer of another company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, is less than the greater of \$1.0 million or 2% of such other company's consolidated gross revenues;

(e) The director is or was an executive officer, partner or significant equity holder of another organization that is indebted to the Company, or to which the Company is or was indebted, and the total amount of indebtedness is 2% or less of the total consolidated assets of such organization; or

(f) The director is or was an executive officer, trustee or director of a foundation, university or other non-profit or charitable organization receiving grants, endowments or other contributions from the Company, in any single fiscal year, less than the greater of \$1.0 million or 2% of such charitable organization's consolidated gross revenues; or

(g) The director or an immediate family member of the director owns 10% or less of the equity of the Company or 5% or less of the equity of an organization that has a relationship with the Company.

In addition to these guidelines, members of certain committees of the Board, such as the Audit Committee, are subject to heightened standards of independence under various rules and regulations.

For purposes of these guidelines: (1) compensation received by an immediate family member of a director for service as a non-executive employee of the Company shall not be considered in determining independence under

(b), above; (2) in applying the test under (d), above, both the payments and the consolidated gross revenues to be measured shall be those reported in the last completed fiscal year and the look-back provisions shall apply solely to the financial relationship between the Company and the director or immediate family member's current employer and not to former employment of the director or immediate family member; (3) an immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home, but in applying any lookback provisions, the Company will not consider individuals who are no longer immediate family members as a result of legal separation or divorce or those who have died or become incapacitated; (4) a significant equity holder of an organization will normally be considered a stockholder, limited partner or member owning 10% or more of the voting or equity interests in that organization; and (5) a director's service as a non-employee Chairman of the Board of Directors of the Company shall not be deemed employment by the Company under (a) above.
