EX-10.1: FORM OF 2009 PERFORMANCE UNIT AWARD NOTICE AND AGREEMENT

Table of Contents**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.***2009 Performance Unit Award Grants*

On March 25, 2009, the Compensation Committee of the Board of Directors (the Committee) of PHH Corporation (PHH, the Company, we or us) awarded performance unit awards under the Company's 2005 Equity and Incentive Plan (2005 EIP) to Terence W. Edwards, Sandra E. Bell, George J. Kilroy, Mark R. Danahy, and William F. Brown, for the target share amounts of 45,000, 30,000, 30,000, 30,000 and 16,722, respectively. Awardees will earn shares of the Company's common stock pursuant to the performance unit awards in accordance with the percentage by which PHH attains the target amount of cumulative PHH pre-tax net income after non-controlling interest (PTIANI) during the target measurement period of January 1, 2009 through December 31, 2011. The minimum performance level required for an awardee to earn shares pursuant to the performance unit awards is 50% of the target amount of cumulative PTIANI during the target measurement period (in which case, an awardee will earn 50% of the target level of shares awarded). Awardees may not earn more than 120% of the target level of shares subject to the award. The Committee has the authority and discretion to exclude the impact of certain extraordinary or unusual accounting adjustments or income/expense items from the calculation of PTIANI during the target measurement period which, in the discretion of the Committee, are reasonably considered to be outside of the control of management. The performance unit awards will be settled and shares earned pursuant thereto will be issued on or after January 1, 2012, and on or before April 30, 2012. No shares will be issued to any awardee whose employment terminates for any reason (other than for death or disability) before January 1, 2012. If a change in control of the Company (as defined in the 2005 EIP) occurs during the target measurement period, the performance conditions in the award will be deemed to be fully achieved and the target number of shares will then be issued to awardees employed on the date of the change in control.

The foregoing description of the performance unit awards does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the 2009 Performance Unit Award Notice and Agreement, which is attached to this Current Report on Form 8-K (the Form 8-K) as Exhibit 10.1 and is incorporated herein by reference in its entirety.
