INDEPENDENT AUDITORS' REPORT

Willbros Employees' Benefits Committee
Willbros USA, Inc.:

Edgar Filing: WILLBROS GROUP INC - Form 11-K

We have audited the accompanying statements of net assets available for plan benefits of Willbros Employees' 401(k) Investment Plan as of December 31, 2001 and 2000, and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Willbros Employees' 401(k) Investment Plan as of December 31, 2001 and 2000, and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included in schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WILLBROS EMPLOYEES' 401(K) INVESTMENT PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(1) DESCRIPTION OF PLAN

The following description of the Willbros Employees' 401(k) Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution plan covering all full-time employees of Willbros USA, Inc., Willbros Engineers, Inc., Willbros Operating Services, Inc. and Rogers and Phillips, Inc., and all salaried employees of Willbros Energy Services Company (collectively, the Company) who have one year of eligible service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) CONTRIBUTIONS

Participants may contribute, by payroll deductions, from 1% to 20% of their compensation to the Plan and allocate these amounts as deferred or taxable contributions. The Company matches employee contributions, up to a maximum of 4% of salary as follows: 100% in the form of cash or 125% in the form of Willbros Group, Inc. common stock, as elected by the employee.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Company contributions. At each valuation date, participants' accounts for each investment option are credited with their share of the net income and gains and charged with losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) VESTING

Participants are immediately vested in their voluntary contribution account and their salary reduction account plus actual earnings thereon. Vesting in the Company contribution account is based on years of service earned as follows: one year - 25%; two years - 50%; three years - 75%; four years - 100%.

(e) FORFEITURES

The portion of a participant's employer contribution that is forfeited because of termination of employment before full vesting

Edgar Filing: WILLBROS GROUP INC - Form 11-K

is applied to reduce the Company's future contributions or pay for plan expenses.

(f) PAYMENT OF PLAN BENEFITS

On termination of service, participants may elect to receive a lump-sum amount equal to the vested value of their accounts, or, if vested plan benefits exceed \$5,000, defer distribution until age 70 is reached or death occurs.

Participants who are age 55 may also withdraw their salary reduction accounts. Hardship withdrawals from salary reduction accounts before age 59-1/2 are also permitted under certain circumstances.

7

WILLBROS EMPLOYEES' 401(K) INVESTMENT PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(g) PARTICIPANT LOANS

Participants may borrow from the Plan pursuant to Section 408(b)(1) of ERISA. Loans to a participant may not exceed the lesser of 50% of the present value of the nonforfeitable accrued benefit of the participant, the balance of the participant's voluntary and salary reduction contribution accounts plus the vested portion of his or her Company contribution account, or \$50,000. The minimum loan is \$1,000.

Loans are stated at cost, which approximates fair value.

(h) INVESTMENT OPTIONS

Participants may direct investment of their funds to one or more of the following investment options:

Specifically Directed Investments
Specifically Directed Flexible Choice Investments
The Frank Russell Investment Contract Fund
The Frank Russell Fixed Income I Fund
The Frank Russell Balanced Income Fund
The Frank Russell Domestic Conservative Balanced Fund
The Frank Russell Global Balanced Fund
The Frank Russell Aggressive Balanced Fund
The Frank Russell Global Equity Fund
The Frank Russell Equity I Fund
The Frank Russell All International Markets Fund
The Frank Russell Small Cap Fund
Willbros Group, Inc. Common Stock

(i) ADMINISTRATIVE EXPENSES

Administrative expenses of the Plan (except transaction fees for

Edgar Filing: WILLBROS GROUP INC - Form 11-K

participants' specifically directed investments and trustee fees) are paid by the Company.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF PRESENTATION

The accompanying financial statements of the Plan have been prepared on an accrual basis. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

8

WILLBROS EMPLOYEES' 401(K) INVESTMENT PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(b) NET ASSETS AVAILABLE FOR PLAN BENEFITS

Net assets available for plan benefits include benefits payable to current participants and those who have withdrawn from the Plan. The annual information return filed with the Internal Revenue Service (Form 5500) requires amounts due to participants who have withdrawn from the Plan to be stated as a liability and a distribution. There were no such benefits payable at December 31, 2001 and 2000.

(c) INVESTMENTS

Investments are held in pooled trust funds and mutual funds and are stated at the Plan's proportionate share of the fair value of the holdings of the pooled trust funds. If available, quoted market prices are used to value investments in mutual funds and other securities. The difference between the current value and the historical cost is reflected as net appreciation or depreciation. Purchases and sales of investments are recorded on a trade date basis.

(3) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(4) TAX STATUS

The Plan was established January 1, 1976 under the provisions of ERISA. The Internal Revenue Service has determined that the Plan is qualified under Section 401(a) and 401(k) of the Internal Revenue Code (IRC) and that the Plan is exempt from Federal income taxes under Section 501(a) which provides that earned income is taxable only upon distribution thereof. A favorable determination letter covering the Plan has been

Edgar Filing: WILLBROS GROUP INC - Form 11-K

received from the Internal Revenue Service. The Plan has been amended since receiving the determination letter. However, management believes that the Plan is designed and is currently operated within the applicable requirements of the IRC.

(5) INVESTMENTS

The Plan's investments and cash are held by Bank of Oklahoma, N.A. and administered under a trust agreement with the Company. The Plan's investment options are managed by Frank Russell Trust Company (FRTC), which has full discretionary authority for purchase and sale of investments not specifically directed by participants within the approved Plan options; however, the Willbros Employees' Benefits Committee retains the right to change the options available to participants.
