WASHINGTON, D.C. 20549

In the Matter of
Xcel Energy Inc.
File No. 70-9635
(Public Utility Holding Company
Act of 1935)

CERTIFICATE
OF
NOTIFICATION

This Certificate of Notification is filed by Xcel Energy Inc. (Xcel Energy), a Minnesota corporation, pursuant to Rule 24. Such filing is made pursuant to Xcel Energy s Form U-1 Application-Declaration, (the Application-Declaration), and the order of the Securities and Exchange Commission (the Commission) dated September 30, 2003 (HCAR No. 27731) (the Order) in the above-referenced file. The Order directed that Xcel Energy file with the Commission certificates pursuant to Rule 24 on a quarterly basis within 60 days from the end of the first three quarters and within 90 days from the end of the last calendar quarter. This certificate reports transactions from October 1, 2003 through December 31, 2003 (the Fourth Quarter). Due to the fact that Xcel Energy did not control its former subsidiary NRG Energy, Inc. at any time during the Fourth Quarter and completely divested its ownership of NRG on December 5, 2003, no financing activity of NRG is being reported or reflected herein.

a.) Following is a computation under rule 53(a) setting forth Xcel Energy s consolidated retained earnings and aggregate investment in all EWGs and FUCOs as of December 31, 2003:

Aggregate investment in all EWGs and FUCOs*:	\$	134.2	million

* On May 14, 2003, NRG filed a voluntary case to restructure its obligations under Chapter 11 of the U.S. Bankruptcy Code. As a result, Xcel Energy no longer maintained the ability to unilaterally control the operations of NRG. Accordingly, Xcel Energy discontinued the consolidation on its financial statements of NRG retroactive to Jan. 1, 2003, and is reporting NRG results under the equity method in accordance with Accounting Principles Board Opinion No. 18. In accordance with limitations under the equity method, as of May 14, 2003 Xcel Energy stopped recognizing its equity in the losses of NRG, equal to the potential financial commitment it has to NRG as part of the settlement agreement, in excess of its investment in NRG. In December 2003, Xcel Energy divested its ownership of
