**Section 3 Securities and Trading Markets**

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

In a Form 8K filed by us on December 20, 2004, we reported that we received a notice from the NASDAQ Stock Market that Entrx's common stock was no longer eligible to be listed on the NASDAQ Small Cap Market because the bid price of its common stock fell below \$1.00 per share for 30 consecutive days prior to June 14, 2004, and did not exceed that price for 180 days thereafter. The Company appealed that determination. On January 6, 2005, in a Form 8K filed by us, we indicated that NASDAQ stated that it was adding as reasons for such delisting a concern about the ability of a principal shareholder of Entrx Corporation to influence the operations and activities of Entrx Corporation.

NASDAQ has advised the Company that a Listing Qualification Panel has acted on our appeal of the delisting determination. Our appeal was declined and our common stock will no longer be listed for trading on the NASDAQ Stock Market effective as of the opening of business on February 16, 2005.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
