PROXY STATEMENT

**FOR THE TRAVELZOO INC.
2007 ANNUAL MEETING OF STOCKHOLDERS**

INFORMATION ABOUT THE ANNUAL MEETING

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2007 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

On or about May 10, 2007, we intend to mail these proxy materials to all stockholders of record at the close of business on April 17, 2007. On the record date, there were 15,250,479 shares of our common stock outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on June 14, 2007 at The Warwick Hotel, 65 West 54th Street, New York, New York 10019. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

We are asking our stockholders to elect five directors.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on April 17, 2007, the record date. These shares include:

Shares held directly in your name as the stockholder of record, and

Shares held for you as the beneficial owner through a broker, bank, or other nominee in street name.

If I am a stockholder of record, how can I vote my shares?

You can vote by proxy or in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the Proxy Statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided. If you receive the Proxy Statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Travelzoo Inc., Attention: Corporate Secretary, 590 Madison Avenue, 21st Floor, New York, New York 10022.

If you vote by proxy, the persons named on the card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific

choices, your shares will be voted FOR the election of all nominees for director. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their best judgment. At the time of submitting this Proxy Statement for printing, we knew of no matter that is required to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

Table of Contents

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

Submit a valid, later-dated proxy before the Annual Meeting,

Notify our Corporate Secretary in writing before the Annual Meeting that you have revoked your proxy, or

Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in the materials provided by your broker or nominee.

What vote is required to approve each proposal?

Each share of our common stock is entitled to one vote with respect to each matter on which it is entitled to vote. Our directors are elected by a plurality of votes, which means that the nominees who receive the greatest number of votes will be elected. Under our bylaws, a majority of the shares present at the meeting in person or by proxy is required for approval of all other items.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of our stock are present at the meeting, either in person or by proxy.

If a broker indicates on its proxy that it does not have authority to vote certain shares held in street name on particular proposals, the shares not voted (broker non-votes) will not have any effect with respect to such proposals. Broker non-votes occur when brokers do not have discretionary voting authority on certain proposals and the beneficial owner has not instructed the broker how to vote on these proposals.

Ralph Bartel holds an aggregate of 7,649,407 shares of our common stock, representing approximately 50.16% of the outstanding shares as of March 31, 2007. He has indicated that he intends to vote in favor of all of the director nominees.

Who is paying the costs of soliciting these proxies?

We are paying the cost of preparing, printing, mailing and otherwise distributing these proxy materials. We will reimburse banks, brokerage firms, and others for their reasonable expenses in forwarding proxy materials to beneficial owners and obtaining their instructions. A few of our officers and employees may also participate in the solicitation, without additional compensation, by telephone, e-mail, other electronic means, or in person.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting. We will publish the final results in our Quarterly Report on Form 10-Q for the second quarter of 2007, which we intend to file on or before August 9, 2007. You can obtain a copy of the Form 10-Q by logging on to Travelzoo's investor relations Web site at www.travelzoo.com/ir, by calling the Securities and Exchange Commission at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our Web site does not constitute part of this proxy statement.

Mr. Ehrlich	Member	Chair		
Mr. Neale-May	Member	Member		Member

The Company does not require that directors attend the Annual Meeting. Ralph Bartel, our Chairman of the Board of Directors, and Ms. Urso were the only directors who attended the 2006 Annual Meeting.

Audit Committee

The Audit Committee's primary responsibilities are to oversee and monitor (i) the integrity of Travelzoo's financial statements, (ii) the qualifications and independence of our independent registered public accounting firm, (iii) the performance of our independent registered public accounting firm and internal audit staff, and (iv) the compliance by Travelzoo with legal and regulatory requirements. A complete description of the committee's responsibilities is set forth in its written charter, a copy of which is attached as Appendix A. The Audit Committee is responsible for appointing the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee is composed solely of independent directors as defined in the listing standards of the National Association of Securities Dealers and operates under a written charter adopted by the entire Board of Directors. The Board has determined that Mr. Neale-May qualifies as an audit committee financial expert within the definition of SEC regulations.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and directors, and makes recommendations to the Board of Directors regarding such matters. The Compensation Committee also approves the Company's non-equity incentive plans. The Compensation Committee further reviews and discusses with management the Compensation Discussion and Analysis. The Compensation Committee does not have a charter. The Report of the Compensation Committee is included on page 12.

Table of Contents

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and investment community and (ii) to review and supervise preparation of all SEC filings, press releases and other broadly disseminated correspondence.

Nominating Committee

Travelzoo does not have a nominating committee of the Board of Directors. Since it is a Controlled Company under Rule 4350(c)(5) of the NASD Manual, on account of the stock ownership by Ralph Bartel, such a committee is not required. Through his share ownership, Mr. Ralph Bartel is in a position to control Travelzoo and to elect our entire board of directors. Mr. Ralph Bartel considers candidates for director nominees.

Communications With Directors

The board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any board committee or any chair of any such committee by mail. To communicate with the board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at Travelzoo Inc., 590 Madison Avenue, 21st Floor, New York, NY 10022.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the board of directors will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Audit Committee Report

The information contained in this report shall not be deemed to be soliciting material or filed with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), except to the extent that Travelzoo specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the Securities Act) or the Exchange Act.

The Audit Committee oversees Travelzoo's financial reporting process on behalf of your Board of Directors. Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (PCAOB), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors regarding the Company's audited consolidated financial statements. The committee discussed with Travelzoo's independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent

auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo's internal controls, and the overall quality of Travelzoo's financial reporting. Management represented to the committee that Travelzoo's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo's accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Table of Contents

Travelzoo's independent auditors also provided to the committee the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee discussed with the independent auditors that firm's independence, including those matters required to be discussed by Statement on Auditing Standards No. 61.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC. The committee has not yet selected Travelzoo's independent auditors for fiscal year 2007.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations and Travelzoo's business conduct policies.

Director Compensation

Directors who are employed by the Company or its subsidiaries do not receive compensation for serving as directors. Directors who are not employees of the Company or its subsidiaries are entitled to receive certain retainers and fees. Increase the annual board member retainer to \$30,000 from \$26,000;

Increase the audit committee chair retainer to \$30,000 from \$26,000;

Executive Compensation

Compensation Discussion and Analysis

Overview of Compensation Program

The following Compensation Discussion and Analysis, or CD&A, describes our overall compensation philosophy and the primary components of our compensation program. Furthermore, the CD&A explains the process by which the Compensation Committee or Committee determined the 2006 compensation for our Chief Executive Officer, Chief Financial Officer and three other most highly compensated officers, as named in the Summary Compensation Table on page 13. We refer to these individuals collectively as the named executives or the named executive officers.

Table of Contents

Compensation Philosophy and Objectives

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, motivate these executive officers to materially contribute to our long-term business success, and align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term profitability and stockholder value. The elements utilized to help achieve the Committee's objectives include the following:

Accountability for Individual Performance. Compensation should in large part depend on the named executive's individual performance in order to motivate and acknowledge the key contributors to our success.

Recognition for Business Performance. Compensation should take into consideration our overall financial performance and overall growth.

Attracting and Retaining Talented Executives. Compensation should generally reflect the competitive marketplace and be designed to attract and retain superior employees in key competitive positions.

We implement our compensation philosophy through setting base salaries for our executive officers, through the use of our executive bonus plan and through reviewing and approving other terms of employment agreements.

Compensation Determination Process

Compensation Committee Members. The Committee is responsible for establishing, overseeing and reviewing executive compensation policies and for approving, validating and benchmarking the compensation and benefits for named executive officers. The Committee is also responsible for determining the fees paid to our outside directors. The Committee includes Mr. Ralph Bartel (Chair) and Ms. Kelly M. Urso. Ms. Urso satisfies the independence requirements of the National Association of Securities Dealers. The Compensation Committee does not have a charter.

Role of Management. During 2006, the Committee engaged in its annual review of executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance. In the course of its review, the Committee considered the advice and input of the Company's CEO and data prepared by management, including a comparison of the current compensation of the named executive officers with publicly available industry data from The Wall Street Journal. The Wall Street Journal data utilized by the Committee included salary and total compensation information based on the title, job description, and geographic location of similarly situated executives. The most significant aspects of the CEO's role in the compensation determination process are evaluating employee performance, establishing business performance targets, goals and objectives and recommending salary and bonus levels.

The Committee compared the compensation received by the Company's named executive officers with the levels of compensation received by similarly situated executives in the same geographic location in light of the named executives' responsibilities, performance, experience and tenure, in order to arrive at the total compensation package for each of the named executive officers. In some cases, the compensation package that the Committee awarded a named executive officer was at or below the median compensation received by executives per the Wall Street Journal data, while in other instances the compensation was higher due to the individual named executive's responsibilities, performance, experience and tenure.

Mr. Bartel did not participate in the determination of his compensation during 2006. The Committee did not engage an outside consulting firm to provide advice on executive compensation.

Components of Executive Compensation

The Committee has structured an executive compensation program comprised of base salary, cash bonus and non-equity incentive pay.

Table of Contents

Base Salary. The Committee considered two types of potential base salary increases for the named executive officers in 2006: (1) merit increases based upon each named executive's individual performance; and/or (2) market adjustments based upon the salary range for similarly situated executives.

In determining merit increases, the Committee considers the specific responsibilities of the executive and the executive's overall performance and tenure with the Company. In addition, the Committee also considers the CEO's evaluation of each named executive officer in making the decision regarding merit increases.

The Committee determines any market adjustments based on the Committee's comparison of the executive's compensation with statistical information on average compensation for similarly situated executives that is publicly available through the Wall Street Journal.

During 2006, the Committee increased the salaries of the named executive officers effective July 1, 2006 as follows:

Ralph Bartel's base salary increased from \$350,000 to \$367,500;

Wayne Lee's base salary increased from \$140,000 to \$170,000 (effective as of June 12, 2006);

Holger Bartel's base salary increased from \$320,000 to \$336,000;

Christopher Loughlin's base salary increased from \$218,390 to \$368,590; and

Shirley Tafoya's base salary increased from \$330,000 to \$346,500.

After these base salary increases, Mr. Ralph Bartel's, Mr. Holger Bartel's and Mr. Lee's base salary remained below the level of compensation for similarly situated executives. Ms. Tafoya's base salary was set above the median level of compensation for similarly situated executives based on the Committee's evaluation of Ms. Tafoya's specific experience and the competition for similarly qualified executives in its market.

Executive Bonus Plan We believe that the Executive Bonus Plan provides the Company with a valuable tool to assist in focusing executives on accomplishing operational and financial objectives over the Company's quarterly periods. The plan is designed to reward the Company's executives for achieving their quarterly targets as set per the Company's Master Budget.

On June 9, 2006, the Committee amended the Executive Bonus Plan and renamed the plan the North America Executive Bonus Plan, effective July 1, 2006. The amount of the quarterly bonus was increased from \$15,000 to \$50,000. The Committee determined that the increase to the bonus available would provide a higher level of incentive on accomplishing the Company's operational and financial objectives.

As of July 1, 2006, the Committee determined that of the named executive officers, Mr. Ralph Bartel, Mr. Holger Bartel, Mr. Wayne Lee and Ms. Shirley Tafoya would be eligible to participate in the North America Executive Bonus Plan; such named executives are collectively referred to in this section as the participating executives. Effective as of July 1, 2006, the participating executives were eligible to receive a bonus of \$50,000 per quarter upon the attainment of the following goals:

both of the following quarterly targets are met: (i) the revenue target as set forth in the Company's North America Master Budget and there are not more than two customers that account for 10% or more of the Company's worldwide consolidated revenues for the quarter and no single customer accounts for more than

15% of the Company's worldwide revenues for the quarter; and (ii) the operating income target as set forth in the Company's North America Master Budget; and

two of the following three quarterly targets as set forth in the Company's North America Master Budget are met: (i) collections; (ii) subscriber targets; or (iii) staffing goals.

The North America Master Budget is set at the beginning of the year by the CEO and provides quarterly targets for revenues, operating expenses, operating income, net income, subscribers, headcount, days sales outstanding, and other financial and non-financial performance metrics. The Company reserves the right to amend the North America Master Budget at any time and for any reason. The quarterly targets were not met for the third and fourth quarters of 2006 when the plan was in place and no bonuses were paid to the participating executives.

Table of Contents

Prior to July 1, 2006, Mr. Ralph Bartel, Mr. Holger Bartel, Ms. Shirley Tafoya and Mr. Christopher Loughlin, which we refer to as the first half participating executives in this section, were eligible to participate in the Company's Executive Bonus Plan. Under this plan, the first half participating executives were eligible to receive a bonus of \$15,000 per quarter upon the attainment of the following goals:

both of the following quarterly targets, as set forth in the Master Budget, are met: (i) revenue target; and (ii) net income target; and

two of the following three quarterly targets as set forth in the Company's Master Budget are met: (i) collections; (ii) subscriber targets; or (iii) staffing goals.

The Master Budget was set at the beginning of the year by the CEO and provided quarterly targets for revenues, operating expenses, operating income, subscribers, headcount, days sales outstanding, and other financial and non-financial performance metrics. The Company reserved the right to amend the Master Budget at any time and for any reason. The quarterly targets were met for the first quarter of 2006 when the plan was in place and a \$15,000 bonus was paid in April 2006 to the first half participating executives.

Other Incentive Bonus Pay. In 2006, Ms. Shirley Tafoya and Mr. Christopher Loughlin also received incentive bonuses pursuant to the terms of their employment agreements.

Pursuant to the terms of Ms. Tafoya's employment agreement dated May 8, 2001, as amended, Ms. Tafoya received a quarterly commission equal to 1.0% of the Company's net advertising revenues generated from the sales of advertising on the *Travelzoo* Website and the *Top 20* newsletter. The commission is capped at 1.0% of the Company's net advertising revenues in the second quarter of fiscal year 2003. In 2006, Ms. Tafoya received \$42,878 per quarter, which represents the maximum capped amount of the commission.

Pursuant to the terms of Mr. Loughlin's employment agreement dated May 16, 2005, as amended effective July 1, 2006, Mr. Loughlin is eligible to receive quarterly and annual bonuses. Mr. Loughlin's bonuses are payable in British pounds and have been translated into U.S. dollars for the purposes of this summary. Mr. Loughlin is eligible to receive the following quarterly bonuses:

Beginning on July 1, 2006, Mr. Loughlin is eligible to receive 20% of

Travelzoo Europe's pro forma operating income generated from operations in Europe and such amount is not capped. In 2006, Mr. Loughlin received \$129,944 and \$0 pursuant to the quarterly and annual bonus plans, respectively, set forth in his employment agreement.

Cash Bonus. In 2006, the CEO decided to award all individuals employed by the Company as of March 31, 2006 with a \$1,500 cash bonus due to the Company's performance and results during the first quarter of 2006. Such cash bonus was grossed-up to cover any taxes due in connection with such bonus. The CEO declared such cash bonus in his sole discretion and not pursuant to any written plan. At this time, we do not expect to make similar payments in the future. However, the CEO and/or the Committee may determine to declare such bonus payments from time to time as deemed reasonable and necessary to award the Company's employees for the Company's overall financial performance and results.

Other Compensation-Related Matters

Perquisites and Additional Benefits. The Company seeks to maintain an open and inclusive culture in its facilities and operations among executives and other Company employees. Accordingly, the Company does not provide executives with reserved parking spaces or separate dining or other facilities, nor does the Company have programs for providing personal-benefit perquisites to executives, such as permanent lodging, club dues or defraying the cost of personal entertainment. Named executive officers and employees may seek reimbursement for business related expenses in accordance with our business expense reimbursement policy.

Employment Agreements. The Company has entered into employment agreements with the named executive officers, some of which contain severance and change of control provisions. The terms of such employment agreements are described in more detail below in *Employment Agreements and Potential Payments Upon Termination or Change-in-Control*. The Committee believes these agreements are appropriate for a number of reasons including the following:

the agreements assist in attracting and retaining executives as we compete for talented employees in a marketplace where such agreements are commonly offered;

the change in control provisions require terminated executives to execute a release in order to receive severance benefits; and

the change in control and severance provisions help retain key personnel during rumored or actual acquisitions or similar corporate changes.

Voting

Under the Delaware General Corporation Law and our certificate of incorporation and bylaws, the presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of our stock is necessary to constitute a quorum of stockholders to take action at the Annual Meeting. Once a quorum of stockholders is established, the affirmative vote of a plurality of the shares, which are present in person or represented by proxy at the Annual Meeting, is required to elect each director. The affirmative vote of a majority of the shares entitled to vote and present in person or by proxy in favor of any other matter properly brought before the Annual Meeting is required to approve of such action.

Shares represented by proxies which are marked "vote withheld" with respect to the election of any person to serve on the Board of Directors will not be considered in determining whether such a person has received the affirmative vote of a plurality of the shares. Shares represented by proxies that are marked "abstain" with respect to any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a "no" vote.

Shares represented by proxies which deny the proxy-holder discretionary authority to vote on any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a "no" vote.
