Item 2.01 Completion of Acquisition or Disposition of Assets

This Amendment No. 1 to Current Report on Form 8-K/A (Amendment No. 1) amends and restates that certain Current Report on Form 8-K filed by Open Solutions Inc. (the Registrant) on June 23, 2004 (the Original Filing) on Item 5 of Form 8-K (prior to the reorganization of Form 8-K effective as of August 23, 2004). The purpose of this Amendment No. 1 is to file the information contained in the Original Filing on Item 2.01 and to file the financial statements of the businesses acquired and the pro forma financial information required by Item 9.01 of Form 8-K.

On June 18, 2004, EP Acquisition Corp. (the Subsidiary), a wholly-owned subsidiary of the Registrant, purchased substantially all of the assets of Eastpoint Technologies, LLC (Eastpoint) pursuant to the terms of an Asset Purchase Agreement (the Asset Purchase Agreement), dated as of June 18, 2004, between the Subsidiary and Eastpoint. The aggregate consideration paid for substantially all of the assets of Eastpoint was \$7,000,000, of which (i) \$900,000 is to be held in escrow for two years to secure indemnification obligations of Eastpoint, subject to a purchase price adjustment based on Eastpoint 's net current assets as of June 18, 2004 and the collection of accounts receivable, and (ii) an additional \$350,000 is to be held in escrow for two years subject to the retention of a specific current customer of Eastpoint as a user of either the Registrant 's or Eastpoint 's core data processing system and services.

The terms of the Asset Purchase Agreement were determined on the basis of arms-length negotiations. Prior to the execution of the Asset Purchase Agreement, to the best knowledge of the Registrant, the Registrant nor any of its affiliates, any director or officer of the Registrant, nor any associate of any such director or officer, had any material relationship with Eastpoint.

Eastpoint, headquartered in Bedford, NH, is a software and service provider of core processing solutions for community banks, finance companies and farm credit banks. The assets that were acquired include intellectual property, contracts, computer equipment and software, accounts receivable and other fixed assets. The Registrant intends to continue to use the assets of Eastpoint constituting plant, equipment or other physical property substantially in the same manner in which they were used by Eastpoint immediately prior to the execution of the Asset Purchase Agreement.

The Registrant issued a press release regarding the Asset Purchase Agreement on June 18, 2004, which is attached as an exhibit to this report.

The foregoing summary description of the terms of the transaction is qualified in its entirety by reference to the Asset Purchase Agreement, which is attached as an exhibit to this report.

Statements made in this report that state the Registrant 's intentions, beliefs, expectations or predictions for the future are forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Readers are cautioned that these statements are only predictions and may differ materially from actual future events or results. All forward looking-statements are only as of the date of this report and the Registrant undertakes no obligation to update or revise them. Such forward-looking statements are subject to a number of risks, assumptions and uncertainties that could cause the Registrant 's actual intentions, beliefs, expectations or predictions to differ materially from those projected in such forward-looking statements, including economic, competitive, governmental, technological and other factors discussed in the Registrant 's Quarterly Report on Form 10-Q for the period ended June 30, 2004, as filed with the Securities and Exchange Commission.
