Profit Sharing 401(k) Plan

Lee Summit, Missouri

We have audited the accompanying statements of net assets available for benefits of Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan (formerly known as The Exchange National Bancshares Profit Sharing 401(k) Plan) as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing auditing procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. Our audits also included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan as of December 31, 2007 and 2006, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

The accompanying supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Note 1: Description of the Plan

The following description of Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document and *Summary Plan Description* for a more complete description of the Plan s provisions, which are available from the Plan administrator. During 2007, the Plan changed its name from The Exchange National Bancshares, Inc. Profit Sharing 401(k) Plan to Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan.

General

The Plan is a defined contribution plan sponsored by Hawthorn Bancshares, Inc. (formerly known as The Exchange National Bancshares, Inc.) and its subsidiaries (collectively the Company) for the benefit of the employees of the Company and who have at least one year of service and are age 21 or older. An eligible employee becomes a participant in the Plan on the first day of the plan year or the first day of the seventh month of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Capital Bank and Trust Company is the trustee of the Plan.

Contributions

The Company makes discretionary annual contributions to the Plan. All employer contributions are allocated to a participant s account based on that participant s compensation compared to the total compensation of all eligible participants. All contributions are made conditioned upon their deductibility for federal income tax purposes. Participants have the option to make voluntary contributions to the Plan up to the annual limit set by the Internal Revenue Service (IRS).

Participant Investment Account Options

Investment account options available include various funds and common stock of the Company. Each participant has the option of directing his/her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant s account is credited with the participant s contribution, the Company s contribution and plan earnings. Allocations are based on participant earnings. The benefits to which a participant is entitled is the benefit that can be provided from the participant s vested account.

Vesting

Participant contributions and earnings thereon are 100% vested at all times. Employer contributions and earnings thereon vest 20% per year of service and become fully vested at the completion of five years of service at the Company. At the time a participant terminates his/her employment, the nonvested portion of the employer contribution account is forfeited and allocated to eligible participants on a pro rata allocation method.

Payment of Benefits

Under the terms of the Plan, participants are entitled to receive the amount credited to their accounts upon normal retirement at the age of 65 or disability retirement. Participants terminating employment prior to retirement are entitled to receive that portion of their account that is vested. In the event of death, the participant's account becomes fully vested and the balance is paid to the designated beneficiary. Distributions under the Plan are payable in a lump sum or through installments.

Plan Termination

Although the Company has not expressed any intention to do so, it may discontinue its contributions and terminate the Plan at any time. In such an event, the participants' accounts become fully vested and are not subject to forfeiture.

Note 2: Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on an accrual basis of accounting except for benefits, which are recorded upon distribution, and present the net assets available for plan benefits and changes in those net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments

Investments in securities traded on a national securities exchange are valued at the latest reported sales price on the last business day of the period. If no sale has taken place, the securities are valued at the latest bid price. The investment in employer securities is valued at the latest bid price reported.

Investment transactions are accounted for on the trade-date basis. The realized gains or losses on investments are determined using the average cost of the individual security issue. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Plan Tax Status

The IRS issued its latest determination letter on March 3, 2006, which stated that the Plan and its underlying trust qualify under the applicable provisions of the Internal Revenue Code and, therefore, are exempt from federal income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Administrative Expenses

The administrative expenses of the Plan are paid by the Company.
