## Edgar Filing: DELTA AIR LINES INC /DE/ - Form SC TO-C

Attached is a presentation about a proposal contained in the Notice of Annual Meeting of Shareowners and Proxy Statement of Delta Air Lines, Inc. for its Annual Meeting of Shareowners to be held on April 25, 2003. The presentation concerns proposed amendments to Delta's 2000 Performance Compensation Plan, DeltaShare Stock Option Plan and Pilots Stock Option Plan (collectively, the Plans) to authorize Delta to undertake a stock option exchange program (the Exchange Program). The presentation is being posted on Delta's intranet site and made available to employees.

The presentation does not constitute an offer to holders of options to purchase Delta Common Stock to exchange their options. If Delta's shareowners approve the amendments to the Plans, the Exchange Program may be commenced in the discretion of Delta's Board of Directors within a reasonable time following shareowner approval, but the Board could choose not to proceed with the Exchange Program.

**At the time the Exchange Program is commenced, Delta will provide to option holders who are eligible to participate in the Exchange Program written materials explaining the terms, conditions and timing of the Exchange Program. Persons who are eligible to participate in the Exchange Program should read these written materials carefully when they become available because they will contain important information about the Exchange Program. Delta will also post these written materials on its website, [www.delta.com](http://www.delta.com), and file the materials with the Securities and Exchange Commission as part of a tender offer statement. Delta shareowners and option holders will be able to obtain these written materials and other documents filed by Delta with the Securities and Exchange Commission free of charge from the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov).**
