Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Article FOURTEENTH of the registrant's Articles of Incorporation provides that a director of the registrant shall not be liable to the registrant or its stockholders for money damages for any action, or any failure to take any action, as a director, except for: (a) the amount of a financial benefit received by a director to which he is not entitled; (b) an intentional infliction of harm to the registrant or the stockholders; (c) a violation of Section 79-4-8.33 of the Mississippi Code of 1972, as amended, more commonly referred to as Section 8.33 of the Mississippi Business Corporation Act, as presently in effect or as amended thereafter, pertaining to liability for unlawful distributions; or (d) an intentional violation of criminal law. If Mississippi law is amended to authorize corporations to take corporate law action further limiting or eliminating the personal liability of directors, then the liability of each director of the registrant shall be limited or eliminated to the full extent permitted by Mississippi law as so amended from time to time. Neither the amendment nor repeal of Article FOURTEENTH, nor the adoption of any provision of the Articles of Incorporation inconsistent with it eliminates or reduces its effect in respect of any matter occurring, or any cause of action, suit or claim that, but for Article FOURTEENTH, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

Reference is also made to Section 79-4-8.50 through and including Section 79-4-8.58 of the Mississippi Business Corporation Act which, taken together, authorize and set forth the extent to which a Mississippi business corporation shall and may indemnify its directors and officers.

Article VI of the registrant's By-Laws provides for mandatory indemnification of the registrant's directors and officers, and those of its employees (if any) who are appointed by its President to serve on the registrant's Executive Committee, or are appointed by such Committee to be Division Managers, to the fullest extent that directors and officers are permitted to be indemnified by law, except in an action brought directly by the registrant against such a person. The mandatory indemnification includes advancement of expenses to those persons who meet the requirements described above for such advances. The right to indemnification applies to acts or omissions occurring prior to or after the adoption of the new by-law, continues as to a person who ceases to be a director, officer or employee, and applies to the person's heirs. Article VI may be amended or repealed at any time by the Board of Directors with or without approval by the stockholders, but no such action will affect the right to indemnification for acts or omissions which occurred prior to such amendment or repeal.

The registrant maintains insurance the general effect of which is to provide (a) coverage

for the registrant with respect to amounts which it is required or permitted to pay to officers or directors under the indemnification provisions set forth in the Mississippi Business Corporation Act and Article VI of the Company's By-Laws and (b) coverage of the officers and directors of the registrant for liabilities (including certain liabilities under the federal securities laws) incurred by such persons in their capacities as officers or directors for which they are not indemnified by the registrant.

Item 9. Undertakings.

A. Rule 415 Offering.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or

furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. Filings Incorporating Subsequent Exchange Act Documents by Reference.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Filing of Registration Statement on Form S-8.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
