INTRODUCTION

This Proxy Statement is furnished to the shareholders of Value City Department Stores, Inc., an Ohio corporation (the "Company"), in connection with

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the solicitation by the Board of Directors of the Company of proxies to be used at the Tenth Annual Meeting of Shareholders (the "Annual Meeting") to be held on August 29, 2001, at 9:30 a.m., local time, at the Radisson Airport Hotel, 1375 Cassady Avenue, Columbus, Ohio, and at any postponement or adjournment thereof. It is being mailed to the shareholders on or about July 23, 2001.

All shares represented by properly executed proxies received by the Company prior to the meeting will be voted in accordance with the shareholder's directions or, in the absence of instructions to the contrary, will be voted FOR each of the proposals herein. A proxy may be revoked, without affecting any vote previously taken, by written notice mailed to the Company (attention James A. McGrady, Secretary) or delivered in person at the meeting, by filing a duly executed, later dated proxy, or by attending the meeting and voting in person.

Shareholders of record at the close of business on July 13, 2001 are entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. At July 13, 2001, the Company had outstanding 34,422,132 common shares, net of treasury shares, without par value (the "Common Shares"), entitled to vote at the Annual Meeting. Each Common Share entitles the holder thereof to one vote upon each matter to be voted upon by shareholders at the Annual Meeting.

The presence, in person or by proxy, of a majority of the outstanding Common Shares of the Company is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which typically include the election of directors, but not on non-routine matters.

3

5

The election of each director nominee requires the favorable vote of a plurality of all votes cast by the holders of Common Shares at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect. Each other matter to be submitted to the shareholders for approval or ratification at the Annual Meeting requires the affirmative vote of the holders of a majority of the Common Shares voting on the matter. For purposes of determining the number of Common Shares voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE SLATE OF DIRECTORS LISTED ABOVE.

### INFORMATION CONCERNING BOARD OF DIRECTORS

During the fiscal year ended February 3, 2001, the Board met four times. During fiscal 2000 each of our Directors attended 75% or more of the total number of meetings of the Board and meetings of committees of the Board on which the Director served except for Mrs. Schottenstein.

The Board has standing Audit and Stock Option Committees.

The members of the Audit Committee are Richard Gurian, Dr. Norman Lamm and Robert L. Shook. Its function is to recommend to the Board a firm of accountants to serve as the Company's auditors and to review with the independent auditors and the appropriate corporate officers matters relating to corporate financial reporting and accounting procedures and policies, adequacy of financial, accounting and operating controls, and the scope of the audit. The Audit Committee met eight times in fiscal 2000. All three members participated in all the meetings.

The members of the Stock Option Committee are Richard Gurian, Dr. Norman Lamm and Robert L. Shook. Its function is to recommend to the Board the number and terms of any stock options to be granted under the Company's stock option plan. The Committee also administers the Company's Incentive Compensation Plan, the 1991 Stock Option Plan and the 2000 Stock Incentive Plan. The Committee met once during fiscal 2000. Dr. Lamm was not available to participate.

In 2001, the Board established a Nominating Committee comprised of Mr. Jay Schottenstein, Mr. George Kolber and Mr. Jon Diamond. The Nominating Committee is responsible for the selection of nominees to the Company's Board of Directors and for the nomination of certain executive officers.

Directors who are not employees are paid \$2,000 for each Board and Committee meeting attended, with a minimum annual compensation of \$8,000, and are automatically granted options each quarter to purchase 1,000 Common Shares of the Company pursuant to the Non-Employee Director Stock Option Plan. Directors who are also employees of the Company do not receive additional compensation for serving as directors.

### REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the "Audit Committee") assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the Company's accounting, auditing and reporting practices. The members of the Audit Committee have been reviewed by the Board and determined to be independent as defined in Sections 303.01 (B) (2) (a) and (3) of the NYSE's listing standards.

The Audit Committee has discussed the audited financial statements with management and Deloitte & Touche LLP. Management has the primary responsibility

for the financial statements and the reporting process. The Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by SAS 61 (Codification of Statements of Auditing Standards, AU Section 380), as modified or supplemented. The Audit Committee has received written disclosures and a letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, as modified or supplemented, and has discussed the independence of Deloitte & Touche LLP with Deloitte & Touche LLP. The Audit Committee has also considered whether Deloitte & Touche LLP's provision of financial information systems design and implementation services, if any, and other non-audit services to the Company are compatible with maintaining the independence of Deloitte & Touche LLP. The fees paid by the Company to Deloitte & Touche LLP during fiscal 2000 were as follows:

9

11

Audit Fees -----	Financial Information Systems Design and Implementation Fees -----	All Other -----

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Chairman, Jay L. Schottenstein, with the input of its former President, Michael J. Tanner, determined the annual salary of the executive officers of the Company and such determination was not formally considered and ratified by the Board of Directors. Jay L. Schottenstein is also Chairman and Chief Executive Officer of SSC. For information regarding the relationships between the Company and SSC, see "Relationship with SSC and Its Affiliates" below.

The Stock Option Committee administers and grants options under the Company's 1991 Stock Option Plan, as amended, and the Company's 2000 Incentive Stock Plan and administers the Company's Incentive Compensation Plan. The Stock Option Committee consists of Messrs. Gurian, Lamm and Shook. None of the members of the Committee are present or former officers of the Company or are themselves or any of their affiliates, if any, parties to agreements with the Company.

The following Board of Directors' Compensation Report and Performance Graph and the Audit Committee Report previously provided shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

### COMPENSATION REPORT OF THE BOARD OF DIRECTORS

General. The Board of Directors has delegated to the Chairman of the Board the authority to establish the annual compensation of the officers of the Company, other than the Chairman's compensation, as permitted under Ohio law. The Company does not have a Compensation Committee. The individuals listed below were members of the Board of Directors at the time of the delegation of authority to the Chairman. The key components of the Company's executive officer compensation include both short-term compensation consisting of an annual base salary and annual bonuses under the Company's Incentive Compensation Plan and

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

long-term equity based compensation consisting of grants of restricted stock and stock option awards. The full Board of Directors has made the only grants of restricted stock by the Company. The Stock Option Committee of the Board of Directors grants options under the Company's 1991 Stock Option Plan, as amended, and the Company's 2000 Incentive Stock Plan. The Stock Option Committee also administers the Company's Incentive Compensation Plan.

**Chairman's Compensation.** The Chairman's annual base salary was fixed by action of the Board of Directors at the time he was appointed Chairman during fiscal 1992. The Chairman does not receive an annual bonus. The Board of Directors did not consider or take any action to change the Chairman's annual base salary during fiscal 2000.

**Chief Executive Officer.** The compensation of the Chief Executive Officer, Mr. Kolber, is fixed pursuant to the terms of his employment agreement, which was negotiated by the Chairman, with input from a number of the Directors.

**Executive Officers' Compensation.** The remaining executive officers' base salaries and bonuses for fiscal 2000 were determined by the Chairman after consultation with the President and discussion with each individual officer. The determination of salaries was based in part on negotiated employment agreements for three of the executives and on subjective factors, such as the perception of individual performance, the individual's contribution to the overall performance of the Company and the anticipated value of the individual's contribution to the Company's future performance. The determination was not based on specific objective criteria. No specific weight was given to any of the factors considered. No bonuses for fiscal 2000 were paid pursuant to the Company's Incentive Compensation Plan, which combines individual and company-wide objectives and performance goals to provide a clear vehicle linking the interests of the executive officers with the financial performance of the Company. A bonus was paid to Mr. Schlesinger pursuant to an employment contract with Filene's Basement, a subsidiary of Value City Department Stores, Inc.

**Stock Awards.** The Company's 1991 Stock Option Plan was adopted at the time the Company went public in 1991 and the Company's 2000 Incentive Stock Plan was adopted by the Board on December 4, 2000. Both plans were adopted for the purpose of providing long-term incentives to key employees and motivating key employees to improve performance of the Company's stock. Stock options granted under the Company's 1991 Stock Option Plan, as amended, and the Company's 2000 Incentive Stock Plan are determined and administered by the Stock Option Committee, none of the members of which are officers or employees of the Company. In determining the size of a stock option award, the Stock Option Committee considers the total number of shares subject to previously granted stock options held by the individual and, based principally on the recommendation of the senior executive officers, the anticipated value of an individual's contribution to the Company's future performance. The options granted during fiscal year 2000 were granted to employees as a long-term incentive designed to encourage them to remain with the Company.

The Budget Reconciliation Act of 1993 amended the Internal Revenue Code to add Section 162(m) which bars a deduction to any publicly held corporation for compensation paid to a "covered employee" in excess of \$1,000,000 per year. Generally, the Board of Directors intends that compensation paid to covered employees shall be deductible to the fullest extent permitted by law. The Company's 1991 Stock Option Plan, as amended, the 2000 Stock Incentive Plan, and Incentive Compensation Plan are intended to qualify under Section 162(m).

## PERFORMANCE GRAPH

The following graph shows the percentage change in the cumulative total return performance to holders of the Company's Common Shares with that of the Standard & Poor's General Merchandise Chains Index and the Russell 2000 Index, both of which are published indexes. This comparison includes the period beginning July 29, 1995 through February 7, 2001. The Standard & Poor's General Merchandise Chains Index is published weekly in the Standard & Poor's Statistical Service and the index value preceding each fiscal year end has been selected for purposes of this comparison. The Russell 2000 Index is a capitalization weighted index of domestic equity securities traded on the New York and American Stock Exchanges and the NASDAQ which excludes the 1,000 largest capitalization equity securities of the 3,000 such equity securities. The Company's Common Shares are traded on the New York Stock Exchange. The comparison of the cumulative total returns for each investment assumes that \$100 was invested on May 3, 1996 and that all dividends were reinvested.

## RELATIONSHIP WITH SSC AND ITS AFFILIATES

Prior to the completion of its initial public offering on June 18, 1991, the Company was operated as the Department Store Division of SSC. On that date, SSC transferred substantially all of the net assets of the Division to the Company in exchange for 22,500,000 Common Shares of the Company. At June 30, 2001, SSC owned 52.2% of the Company's outstanding Common Shares. So long as SSC owns more than 50% of the Company's voting shares, it will continue to have the power acting alone to approve any action requiring a vote of the majority of the voting shares of the Company and to elect all of the Company's directors. For information with respect to the beneficial ownership of the voting stock of SSC by nominees for election to the Board of the Company and beneficial ownership of

### REAL ESTATE LEASES AND SUBLEASES

The Company leases or subleases from SSC or affiliates of SSC twenty-one store locations, three warehouses and a parcel of land. Generally, the agreements require the Company to pay for insurance, taxes, common area maintenance and other costs associated with the properties on a "triple net" basis for freestanding locations, and on a pro rata share basis for locations that are part of a larger parcel.

SSC leases to the Company five store locations under the terms of a Master Store Lease Agreement. The Master Store Lease, as amended, provides for certain base rentals which approximate \$2.96 per square foot. Beginning in fiscal 1997, the Master Store Lease also provides for the payment of percentage rent equal to 2% of gross total sales in excess of the base rent. For fiscal 2000, the Company recorded expense to SSC, including contingent rent, of \$2,225,464 pursuant to the Master Store Lease.

SSC subleases to the Company two store locations that are owned by affiliates of SSC under a Master Sublease. The Master Sublease provides for an annual base rent of the greater of 2% of gross sales or minimum rent of \$2.39 and \$2.29 per square foot. For fiscal 2000, the Company recorded expense to SSC, including contingent rent, of \$675,426 pursuant to the Master Sublease.

Both the Master Lease and the Master Sublease have a term of five years which began in June 2001, and are renewable thereafter, by individual location, at the option of the Company, for four additional renewal terms of five years each. Each renewal term in the aforementioned leases and subleases will be on the same terms as the initial term, except for rent. The Master store lease and Master Sublease provide for an increase in minimum percentage rent of \$0.50 per square foot in each succeeding five-year renewal term. In no event, commencing fiscal 1997, shall total rent be less than 2% of total sales.

The Company also leases or subleases four warehouse facilities and a trailer yard from SSC or affiliates of SSC. The warehouse facilities consist of approximately 772,000 square feet for base rentals of \$1.75 to \$3.35 per square foot with lease control ranging from 2004 through 2017. Generally, the lease renewal terms are at the same terms and conditions as the original term except rent which increases by \$0.25 per square foot for each renewal term. The Company also leases, from an affiliate of SSC, a trailer yard of approximately 19 acres with lease control through April 2009 having rents that range from \$25,000 to \$30,000 per year during the period of lease control. During fiscal 2000, the Company recorded net expenses to SSC and affiliates of SSC of \$2,776,937 pursuant to these leases and assignments.

Additionally, the Company leases thirteen store locations from SSC or affiliates of SSC. Generally, the leases provide for percentage rent equal to 2% of total sales in excess of a specified sales level or base rent with base rents ranging from \$2.46 to \$15.75 per square foot for the initial term and provide lease control ranging from 2007 through 2037. Generally, the renewal terms are at the same terms and conditions as the original term except rent which may increase for the renewal terms. During fiscal 2000, the Company recorded expenses in the aggregate to SSC and affiliates of SSC of \$7,165,739 pursuant to these leases.

In addition to the foregoing, SSC subleases one store location to the Company under an agreement that provides for the payment of additional rent to SSC in order for SSC to recover the costs of the initial acquisition of the leasehold interest. The sublease has a term expiring in fiscal 2004 and provides for rent in the amount of 2% of total sales, with a minimum rent equal to \$2.00

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

per square foot and provides four additional five-year renewal terms. During fiscal 2000, the Company recorded expenses in the aggregate to SSC of \$248,509 pursuant to this sublease.

The Company also subleases from SSC a store location. The sublease expires December 31, 2007 and provides for percentage rent equal to 2% of total sales in excess of a minimum base rent of \$4.69 per square foot with three

16

18

additional renewal terms of five years each. During fiscal 2000, the Company recorded expenses to SSC of \$496,047 for this sublease.

In March 2000, the Company entered into a lease agreement with an affiliate of SSC for a new distribution and office facility to replace three existing facilities leased from unrelated third-party landlords. Rent and other occupancy costs began on June 1, 2001. The lease has an initial term of fifteen years, with rents at \$3.00, \$3.25 and \$3.50 per square foot during the first, second and third five-year periods, respectively. There are three additional renewal terms of five years each. Each renewal term will be on the same terms as the initial term, except rent, which will increase by \$0.25 per square foot in each succeeding five-year term. The lease also requires the Company to pay taxes, maintenance and repairs at specified amounts per square foot throughout the term of the lease.

SSC operates a chain of furniture stores, five of which operate in separate space subleased from the Company at five of its store locations. Three of these furniture store subleases (the "Furniture Subleases") are for a term concurrent with the respective lease between the Company and a third party landlord. These Furniture Subleases provide for the payment by SSC of base rent and other charges in amounts at least equal to its pro rata share based on square footage and its pro rata share of any percentage rent based on its gross sales. Two additional furniture store subleases are for periods shorter than the Company's lease. For fiscal 2000, SSC paid to the Company an aggregate of \$552,071 pursuant to these subleases.

### LICENSE AGREEMENTS WITH AFFILIATES

In July 1997, the Company entered into agreements to form a 50/50 joint venture with Mazel Stores, Inc. to create VCM, Ltd. ("VCM") to operate the Company's health and beauty care and toys and sporting goods departments as licensed departments. Beginning in fiscal 2000 VCM also operated the food department. Pursuant to operating agreements between VCM and the Company, VCM will pay annual license fees to the Company based on 5% and 11% of net sales and will reimburse the Company 2% and 4% of its sales for advertising and 2.9% and 1% of its sales for administrative expenses for the health and beauty care and the toys and sporting goods departments, respectively. The Company also provides certain personnel, administrative and service functions for which it will receive a monthly fee from VCM to cover the related costs. The license and operating agreements are for a term of ten years ending in July 2007 and contain certain provisions whereby either business partner can initiate renegotiations of terms if certain minimum requirements are not met. The aggregate license fees paid by VCM to the Company for fiscal 2000 were \$9,144,000.

### MERCHANDISE TRANSACTIONS WITH AFFILIATES

The Company from time to time purchases merchandise from affiliates of SSC. Some of such affiliates manufacture, import and wholesale apparel as their principal business. The members of the Company's merchandising staff use these sources and make their purchasing decisions in the same manner as with

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

unaffiliated sources. Any merchandise purchased from such sources is on terms at least as favorable to the Company as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given terms preferential to those available to unaffiliated customers. Total purchases by the Company from SSC and affiliates for fiscal 2000 were \$24,787,000, representing 1.7% of the Company's total purchases during the fiscal year. In addition, the Company sold \$14,300,000 of merchandise at cost to an affiliate of SSC during fiscal 2000.

VCM and certain affiliates of SSC from time to time purchase merchandise from the Company, in some instances on a regular basis. Such purchases are generally made from merchandise in the Company's warehouse inventory at prices equal to the Company's cost plus a handling fee of up to 15.0%.

The Company will from time to time purchase merchandise on behalf of and ship it directly to affiliates, at cost plus delivery charges. Most transactions of this nature are done with VCM. No such purchases were made during fiscal 2000.

In May 2001, SSC and Value City Department Stores entered into a consignment arrangement for the sale of Bugle Boy products that SSC purchased for approximately \$11.9 million. As part of the agreement, Value City agreed to purchase at SSC's cost plus a handling fee any unsold Bugle Boy merchandise owned by SSC on February 2, 2002.

### SERVICES AGREEMENTS

The Company shares with SSC and its affiliates certain incidental support personnel and services for the purpose of achieving economies of scale and cost savings. These shared services include certain architectural, legal, advertising and administrative services. The Company and SSC have entered into a Corporate Services Agreement that sets forth

17

19

the terms for payment of the costs of these shared services. The Company believes that it is able to obtain such services at a cost which is equal to or below the cost of providing such services by itself or obtaining such services from unaffiliated third parties. For fiscal 2000, the Company paid SSC or its affiliates \$1,035,206 for such services and the Company was reimbursed \$146,590 by SSC and its affiliates for such services. The Corporate Services Agreement also provides for participation by the Company in the self-insurance program maintained by SSC. Under that program, the Company is self-insured for purposes of personal injury and property damage, motor vehicle and Ohio workers' compensation claims up to various specified amounts, and for casualty losses up to \$100,000. Claims and losses in excess of the specified amounts are covered by stop-loss or excess liability policies maintained by SSC, which include the Company as a named insured. SSC maintains reserves and pays claims for self-insured amounts under the program and will continue to do so with respect to the Company's participation in the program. SSC charges its affiliates, divisions and the Company premiums based, among other factors, on loss experience and its actual payroll and related costs for administering the program. For fiscal 2000, the Company paid SSC \$16,550,000 for participation in the program.

The Company also provides certain administrative and service functions for VCM. These functions include accounting, MIS and merchandise delivery. For fiscal 2000, the Company charged VCM \$2,372,650 for these services.

### DEBT AGREEMENT

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

The Company entered into a \$75.0 million Senior Subordinated Convertible Loan Agreement (Senior Facility), dated as of March 15, 2000. The Senior Facility bears interest at various rates, currently equal to 250 basis points over LIBOR. The interest rate increases an additional 50 basis points every 90 days after the first anniversary date. The Senior Facility is due in September 2003. In December 2000, pursuant to terms of the Senior Facility, SSC purchased the outstanding balance under the same continuing terms. The terms provide that if prior to August 5, 2001, the balance outstanding thereunder is not repaid from the proceeds of an equity offering or other subordinated debt acceptable to lenders under the Credit Agreement, then after that date SSC, as the lender, has the right to convert the debt into our common stock at a price equal to 95% of the 20-day average of high and low sales prices reported on the New York Stock Exchange at the time of conversion. As of March 17, 2001, the Senior Facility was not repaid. As of the date of this Proxy Statement, SSC has not exercised its right to convert the debt on the terms described above. The Company paid SSC a one time fee of 200 basis points, or \$1.5 million, at the initial closing in consideration for entering into a Put Agreement associated with the Senior Facility.

To supplement operating cash requirements the Company has a \$50.0 million subordinated secured credit facility with SSC. Outstanding advances under the agreement are subordinated to the Credit Agreement and are subject to a junior lien on assets securing the Credit Agreement. At February 3, 2001, \$20.0 million was outstanding. The interest rate and terms of the \$50.0 million facility are generally the same as the Credit Agreement.

### PROPOSAL TWO: APPROVAL OF THE VALUE CITY DEPARTMENT STORES, INC. 2000 STOCK INCENTIVE PLAN

At the Annual Meeting, the Company will submit to shareholders a proposal to adopt the Value City Department Stores, Inc. 2000 Stock Incentive Plan (the "2000 Plan"). The Board of Directors unanimously approved the adoption of the 2000 Plan on December 4, 2000. This summary of the principal features of the 2000 Plan is qualified in its entirety by the full text of the 2000 Plan, which is attached hereto as Appendix B and incorporated herein by reference. A vote in favor of adopting the 2000 Plan will constitute approval of all terms of the 2000 Plan, including those applicable to "Covered Officers" designated by the Committee.

#### Purpose

The 2000 Plan is intended to further the growth and profitability of the Company by providing increased incentives to and encourage share ownership on the part of (a) certain employees of the Company and its affiliates ("Employees"), (b) consultants who provide significant services to the Company and its affiliates ("Consultants"), and (c) directors of the Company who are employees of neither the Company nor any affiliate ("Nonemployee Directors").

#### General

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

The 2000 Plan permits the granting of stock options, stock appreciation rights, restricted stock awards, performance units and performance shares (collectively, "Awards") to eligible participants. The total number of shares of the Company's common stock available for Awards to be granted under the 2000 Plan is 3,000,000 shares. If an Award expires or is canceled without having been fully exercised or vested, the unvested or canceled shares will be available again for grants of Awards.

### Administration of the 2000 Plan

The 2000 Plan is administered by the Committee appointed by the Company's Board of Directors (the "Committee"). The members of the Committee must qualify as "non-employee directors" under Rule 16b-3 under the Securities Exchange Act of 1934 ("Rule 16b-3"), and as "outside directors" under section 162(m) of the Internal Revenue Code (the "Code"). Subject to the terms of the 2000 Plan, the Committee has the sole discretion to determine the employees and consultants who shall be granted Awards, the terms and conditions of such Awards, and to construe and interpret the 2000 Plan. The Committee also is responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transactions such as stock splits or stock dividends. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to Section 16 Persons, or (b) in any way which would jeopardize the Plan's qualification under Section 162(m) of the Code or Rule 16b-3. The Board of Directors may amend or terminate the 2000 Plan at any time and for any reason, but to the extent required under Rule 16b-3, material amendments to the 2000 Plan must be approved by shareholders.

### Eligibility to Receive Awards

Management, employees and consultants of the Company and its affiliates (i.e., any corporation or other entity controlling, controlled by, or under common control with the Company) are eligible to be selected to receive one or more Awards. The estimated number of eligible participants is approximately 1,852 persons. The actual number of employees and consultants who will receive Awards under the 2000 Plan cannot be determined because eligibility for participation in the Plan is at the discretion of the Committee. No participant may receive Awards covering more than 2,500,000 shares under the 2000 Plan. The 2000 Plan also permits Nonemployee Directors to elect to receive all or part of their annual retainer in shares of the Company's common stock, and provides for the automatic grant of options to purchase 1,000 shares each fiscal quarter to Nonemployee Directors. Nonemployee Directors are not eligible for any of the other Awards available under the 2000 Plan.

### Awards to Covered Officers

For each performance period, the Committee will designate, prior to the completion of 25% of the period (or such earlier or later date as is permitted or required by Section 162(m) of the Code), which executive officers are deemed to be "Covered Officers," the deductibility of whose compensation may be limited by Section 162(m) of the Code. All Awards to Covered Officers must be made in a manner that allows for the full deductibility of the Award by the Company. In general, options granted at fair market value will qualify. All other Awards must be contingent on the achievement of one or more "performance goals," based on the business criteria of the type defined in the 2000 Plan, in amounts determined by the Committee prior to the completion of 25% of the performance period (or such earlier or later

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

date as is permitted or required by Section 162(m) of the Code). Extraordinary events, as defined in the 2000 Plan will either be excluded or included in determining whether performance goals are achieved, whichever will produce the higher Award. The Committee does, however, have the discretion to reduce or eliminate the amount of any Award, taking into consideration extraordinary events or other factors. In no event can an Award under the 2000 Plan to a Covered Officer be increased. Awards may be paid to Covered Officers only after the Committee has certified in writing that the performance goals have been achieved.

### Options

The Committee may grant incentive stock options, which entitle the holder to favorable tax treatment, and/or nonqualified stock options. The number of shares covered by each option is determined by the Committee. The price of the shares of the Company's common stock subject to each option is set by the Committee but cannot be less than 25% of the fair market value of the shares on the date of grant. In addition, the exercise price of an incentive stock option must be at least 100% of fair market value on the grant date or 110% of fair market value if the participant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company.

The exercise price of each option must be paid in full at the time of exercise. The Committee also may permit payment through the tender of shares of the Company's common stock already owned by the participant, or by any other means which the Committee determines to be consistent with the Plan's purpose. Any taxes required to be withheld must be paid by the participant at the time of exercise. If the exercise price of an option is paid in shares, the Committee may provide that the participant will receive a new option covering a number of shares equal to the number of shares tendered to exercise the previously granted option, including shares used for tax withholding. The terms and conditions of the new option generally will be similar to the terms and conditions applicable to the exercised option, except that the new option will have an exercise price determined on the date of its grant.

Options become exercisable and terminate at the times and on the terms established by the Committee, but options generally may not expire later than 10 years after the date of grant.

### Stock Appreciation Rights

Stock appreciation rights ("SARs") may be granted as a separate Award or together with an option. Upon exercise of a SAR, the participant will receive a payment from the Company equal to: (1) the excess of the fair market value of a share on the date of exercise over the exercise price, times (2) the number of shares with respect to which the SAR is exercised. SARs may be paid in cash or shares of the Company's common stock, as determined by the Committee. The number of shares covered by each SAR is determined by the Committee. The Committee also determines the other terms and conditions of each SAR. SARs expire at the times established by the Committee, but subject to the same maximum time limits as are applicable to employee options granted under the 2000 Plan.

### Restricted Stock Awards

Restricted stock awards are shares of the Company's common stock which vest in accordance with terms established by the Committee in its discretion. For example, the Committee may provide that restricted stock will vest only if one or more performance goals are satisfied and/or only if the participant remains employed with the Company for a specified period of time. Any performance measures may be applied on a Company-wide or an individual business unit basis, as deemed appropriate in light of the participant's specific responsibilities.

#### Performance Units and Performance Shares

Performance units and performance shares are amounts credited to a bookkeeping account established for the participant. A performance unit has an initial value that is established by the Committee at the time of its grant. A performance share has an initial value equal to the fair market value of a share of the Company's common stock on the date of grant. Whether a performance unit or share actually will result in a payment to a participant will depend upon the extent to which performance goals established by the Committee are satisfied. The applicable performance goals and all other terms and conditions of the Award are determined by the Committee. After a performance unit or share has vested, that is, after the applicable performance goal or goals have been achieved, the participant will be entitled to a payment of cash and/or common stock, as determined by the Committee. The Committee also may waive the achievement of any performance goals for any performance units or shares, but not for executive officers.

20

22

#### Nonemployee Director Options and Stock

The 2000 Plan also provides for the automatic grant of stock options to Nonemployee Directors. Each Nonemployee Director automatically will receive, as of the first trading day in each fiscal quarter, an option to purchase 1,000 shares. The exercise price of each Nonemployee Director option is 100% of the fair market value of the shares on the date of grant. Each such option becomes exercisable one year after the date of grant, assuming continuous service as a Nonemployee Director.

All options granted to Nonemployee Directors will expire ten years after the date of grant. If a director terminates service on the Board prior to an option's normal expiration date, the option will terminate three months after termination of service for any reason other than death, disability or retirement, but not later than the original maximum term of the option. Options will expire one year after termination on account of retirement, disability or death. The Nonemployee Director provisions of the 2000 Plan are administered by the Board of Directors rather than the Committee.

The 2000 Plan also permits each Nonemployee Director to elect to forego receipt of all or a portion of the director's meeting fees in exchange for shares of the Company's common stock having a fair market value equal to the amount of foregone compensation. The number of shares received is determined by dividing the amount of foregone compensation by the fair market value of a share on the date that the compensation otherwise would have been paid.

#### Forfeiture

If a participant or former participant engages in a breach of conduct, including conduct prejudicial to or in conflict with the Company or an affiliate or competes with the Company, all outstanding and unexercised Awards may be cancelled and terminated. In addition, participants may have to reimburse the Company for any gain realized or payment received upon the exercise or payment of an Award within one year of the harmful behavior.

#### Awards to be Granted to Certain Individuals and Groups

As described above, the Committee has discretion to determine the number

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

and type of Awards to be granted to any employee or consultant. Accordingly, the actual number and type of Awards to be granted in the future is not determinable, other than the automatic grant of options to Nonemployee Directors. The following table sets forth the aggregate number of stock options and shares of restricted stock granted under the 2000 Plan to date, subject to approval of the 2000 Plan by shareholders.

Name of Individual or Group -----	Option Shares -----
George Kolber, Vice Chairman and Chief Executive Officer	0
All executive officers, as a group	0
All directors who are not executive Officers, as a group	0
All employees who are not executive Officers, as a group	998,650

### Nontransferability of Options

Except for nonqualified stock options, Awards granted under the 2000 Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution. Nonqualified stock options may be transferred for no consideration to family members or to trusts or other entities for their benefit, or to other persons, if approved by the Committee.

### Tax Aspects

Based on management's understanding of current federal income tax laws, the tax consequences of the grant of Awards under the 2000 Plan are, generally, as follows:

A recipient of an option or SAR granted under the 2000 Plan will not have regular taxable income at the time of grant.

21

23

Upon exercise of a nonqualified stock option or SAR, the optionee generally must recognize taxable income in an amount equal to the fair market value on the date of exercise of the shares exercised, minus the exercise price. Any gain or loss recognized upon any later sale or other disposition of the acquired shares generally will be capital gain or loss.

Upon exercise of an incentive stock option, the optionee generally will not be required to recognize any regular taxable income on account of such exercise. The optionee will have alternative minimum taxable income. Upon a later sale or other disposition of the shares, the optionee must recognize long-term capital gain or ordinary taxable income, depending upon whether the optionee holds the shares for specified holding periods.

A participant who receives restricted stock or performance units or shares will not recognize taxable income upon receipt, but instead will

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

recognize ordinary income when the shares or units vest. Alternatively, with respect to restricted stock, a participant may elect under section 83(b) of the Code to be taxed at the time of receipt. In all cases, the amount of ordinary income recognized by the participant will be equal to the fair market value of the shares at the time income is recognized, less the amount of any price paid for the shares. In general, any gain recognized thereafter will be capital gain.

At the discretion of the Committee, a participant may satisfy tax withholding requirements under federal and state tax laws in connection with the exercise or receipt of an Award by electing to have shares withheld, or by delivering to the Company already-owned shares, having a value equal to the amount required to be withheld.

The Company generally will be entitled to a tax deduction in connection with an Award made under the 2000 Plan only to the extent that the participant recognizes ordinary income from the Award. Section 162(m) of the Code contains special rules regarding the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of the other four most highly compensated executive officers. The general rule is that annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000 or qualifies as "performance-based" compensation under section 162(m) of the Code. The 2000 Plan has been designed so that, assuming its approval by shareholders at the Annual Meeting, Awards to Covered Officers should qualify as performance-based compensation under section 162(m) of the Code.

### Required Vote

The adoption of the 2000 Plan requires the affirmative vote of a majority of the shares represented and voting, in person or by proxy, at the Annual Meeting. SSC has provided the Company with an irrevocable proxy to vote all of its Common Shares in favor of the adoption of the 2000 Stock Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ADOPTION OF THE 2000 STOCK INCENTIVE PLAN.

### INDEPENDENT PUBLIC ACCOUNTANTS

The Company's Annual Report to Shareholders for the fiscal year ended February 3, 2001, contained financial statements for such year and the signed opinion of Deloitte & Touche LLP, independent public accountants, with respect to such financial statements has been provided to the shareholders. It is anticipated that representatives of Deloitte & Touche LLP, will be present at the Annual Meeting to respond to appropriate questions and to make a statement if such representatives so desire. The Annual Report is not to be regarded as proxy soliciting material and Management does not intend to ask, suggest or solicit any action from the shareholders with respect to such report.

### COST OF SOLICITATION OF PROXIES

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, or personal interview.

### SHAREHOLDER PROPOSALS

Each year the Board of Directors submits its nominations for election of directors at the Annual Meeting of Shareholders. Other proposals may be submitted by the Board of Directors or the shareholders for inclusion in the Proxy Statement for action at the Annual Meeting. Any proposal submitted by a shareholder for inclusion in the Proxy Statement for the Annual Meeting of Shareholders to be held in 2002 must be received by the Company (addressed to the attention of the Secretary) on or before January 31, 2002. To be submitted at the meeting, any such proposal must be a proper subject for shareholder action under the laws of the State of Ohio, and must otherwise conform to applicable requirements of the Proxy Rules of the Securities and Exchange Commission. Any shareholder proposal submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934 for presentation at our 2002 annual meeting will be considered untimely for purposes of Rule 14a-4 and 14a-5, if notice thereof is received by the Company after April 14, 2002. To be submitted at the meeting, any such proposal must be a proper subject for shareholder action under the laws of the State of Ohio.

### OTHER MATTERS

The only business which management intends to present at the meeting consists of the matters set forth in this statement. Management knows of no other matters to be brought before the meeting by any other person or group. If any other matter should properly come before the meeting, the proxy enclosed confers upon the persons designated herein authority to vote thereon in their discretion.

THE COMPANY'S 2000 ANNUAL REPORT, INCLUDING FINANCIAL STATEMENTS, WAS FURNISHED TO SHAREHOLDERS PRIOR TO OR CONCURRENTLY WITH THE MAILING OF THIS PROXY STATEMENT. the shareholders, relating to corporate accounting, reporting practices, and the quality and integrity of the financial reports of the Corporation. In doing so, it is the responsibility of the Audit Committee to maintain free and open communication between the directors, the independent auditors, the internal auditors, if any, or the entity performing the internal audit function, and the financial management of the Corporation.

The independent accountants for the Corporation are ultimately accountable to the Board of Directors and the Audit Committee of the Corporation, and the Audit Committee and Board of Directors have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants (or to nominate the independent accountants to be proposed for shareholder approval in any proxy statement).

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the corporation's policies, procedures and practices. The Audit Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to review periodically the Corporation's financial reporting process and internal control system.
- Review and recommend to the directors, after consultation with the financial management of the Corporation, the independent accountants to be selected to audit the financial statements of the Corporation.
- If applicable, review and concur with management's appointment, termination or replacement of the director of internal audit or the company performing the internal audit function.
- Provide an open avenue of communication for the independent accountants, financial and senior management, the internal auditing department, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

### COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the board, each of whom shall be independent directors and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall be financially literate, and at least one member of the Committee shall have accounting or related financial management expertise. ### MEETINGS

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its responsibility to foster open communication, the Committee should meet at least annually with management, the

Any changes in accounting principles should be reviewed.
3. Review with the independent accountants, the Company's internal auditor or the company performing the internal audit function, if any, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal controls or particular areas where new or more detailed controls or procedures are desirable. This inquiry should place particular emphasis on the adequacy of internal controls to expose any payment, transactions, or procedures that might be deemed illegal or otherwise improper.

6. Review the performance of the independent accountants and recommend to the Board of Directors any proposed discharge of the independent accountants when circumstances warrant.
7. Annually consult with the independent accountants out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.

8. The Audit Committee is responsible for ensuring that the independent accountants submit on a periodic basis to the Audit Committee a formal written statement delineating all relationships between the independent accountants and the Corporation, for actively engaging in a dialogue with the independent accountants with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent accountants, and for recommending that the Board of Directors take appropriate action to ensure the independence of the independent accountants.

12. Review any significant disagreements among management and the independent accountants or the internal auditing department or the company engaged to perform the internal audit function, if any, in connection with the preparation of the financial statements.

ETHICAL AND LEGAL COMPLIANCE

13. Inquire whether management has a review system in place to ensure that the Corporation's financial statements and other reports filed with governmental organizations satisfy legal requirements.

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel or other experts for this purpose, if in its judgment, that is appropriate.

3.3 Delegation by the Committee. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more directors or officers of the Company; provided, however, that the Committee may not delegate its authority and powers (a) with respect to Section 16 Persons, or (b) in any way which would jeopardize the Plan's qualification under Section 162(m) of the Code or Rule 16b-3.

3.4 Nonemployee Directors. Notwithstanding any contrary provision of this Section 3, the Board shall administer Section 9 of the Plan, and the Committee shall exercise no discretion with respect to Section 9. In the case of Options granted to Nonemployee Directors pursuant to Section 9, no adjustments by stock dividends or split up will be made to the number of Shares in original grants (i.e., 1,000 per quarter), but the foregoing adjustments to outstanding Options may be made by the Board in its sole discretion to prevent the dilution or diminution of such Awards. Notwithstanding the preceding, the number of Shares subject to any Award always shall be a whole number.

### 5. Stock Options

5.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Employees and Consultants at any time and from time to time as determined by the Committee in its sole discretion. The Committee, in its sole discretion, shall determine the number of Shares subject to each Option. The Committee may grant Incentive Stock Options, Nonqualified Stock Options, or a combination thereof.

5.2 Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to exercise of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement shall specify whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option.

5.3 Exercise Price. Subject to the provisions of this Section 5.3, the Exercise Price for each Option shall be determined by the Committee in its sole discretion.

5.3.1 Nonqualified Stock Options. In the case of a Nonqualified Stock Option, the Exercise Price shall be not less than twenty five percent (25%) of the Fair Market Value of a Share on the Grant Date.

5.3.2 Incentive Stock Options. In the case of an Incentive Stock Option, the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; provided, however, that if on the Grant Date, the Employee (together with persons whose stock ownership is attributed to the Employee pursuant to section 424(d) of the Code) owns stock possessing more than 10% of the total combined voting power of all classes of

stock of the Company or any of its Subsidiaries, the Exercise Price shall be not less than one hundred and ten percent (110%) of the Fair Market Value of a Share on the Grant Date.

5.3.3 Substitute Options. Notwithstanding the provisions of Sections 5.3.1 and 5.3.2, in the event that the Company or an Affiliate consummates a transaction described in section 424(a) of the Code (e.g., the acquisition of property or stock from an unrelated corporation), persons who become Employees

or Consultants on account of such transaction may be granted Options in substitution for options granted by their former employer. If such substitute Options are granted, the Committee, in its sole discretion and consistent with section 424(a) of the Code, shall determine the exercise price of such substitute Options.

### 5.4 Expiration of Options.

5.4.1 Expiration Dates. Each Option shall terminate no later than the first to occur of the following events:

(a) The date for termination of the Option set forth in the written Award Agreement; or

(b) The expiration of ten (10) years from the Grant Date (except as provided in Section 5.8.4 regarding Incentive Stock Options; or

(c) Immediately upon the date and time of the Participant's Termination of Service for a reason other than the Participant's death, Disability or Retirement, unless the Committee in its sole discretion elects to extend the exercisability of an Option to not more than three (3) months from Termination of Service; or

(d) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of death, Disability or Retirement (except as provided in Section 5.8.2 regarding Incentive Stock Options).

5.4.2 Committee Discretion. Subject to the limits of Sections 5.4.1, the Committee, in its sole discretion, (a) shall provide in each Award Agreement when each Option expires and becomes unexercisable, and (b) may, after an Option is granted, extend the maximum term of the Option (subject to Section 5.8.4 regarding Incentive Stock Options).

5.5 Exercisability of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall determine in its sole discretion. After an Option is granted, the Committee, in its sole discretion, may accelerate the exercisability of the Option. However, in no event may any Option granted to a Section 16 Person be exercisable until at least six (6) months following the Grant Date.

5.6 Payment. Options shall be exercised by the Participant's delivery of a written notice of exercise to the Secretary of the Company (or the Company's designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

Upon the exercise of any Option, the Exercise Price shall be payable to the Company in full in cash or its equivalent. The Committee, in its sole discretion, also may permit exercise (a) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price, or (b) by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan.

As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased, the Company shall deliver to the Participant (or the Participant's designated broker), Share certificates (which may be in book entry form) representing such Shares.

5.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable, including, but not limited to, restrictions related to

applicable Federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, or any blue sky or state securities laws.

5.8 Certain Additional Provisions for Incentive Stock Options. Notwithstanding anything to the contrary contained in this Section 5, the following provisions shall apply to any Incentive Stock Option granted pursuant to the Plan.

5.8.1 Exercisability. The aggregate Fair Market Value (determined on the Grant Date(s)) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Employee during any calendar year (under all plans of the Company and its Subsidiaries) shall not exceed \$100,000.

32

34

5.8.2 Termination of Service. No Incentive Stock Option may be exercised more than three (3) months after the Participant's Termination of Service for any reason other than Disability or death, unless (a) the Participant dies during such three-month period, and (b) the Award Agreement or the Committee permits later exercise.

5.8.3 Company and Subsidiaries Only. Incentive Stock Options may be granted only to persons who are Employees of the Company or a Subsidiary on the Grant Date.

5.8.4 Expiration. No Incentive Stock Option may be exercised after the expiration of ten (10) years from the Grant Date; provided, however, that if the Option is granted to an Employee who, together with persons whose stock ownership is attributed to the Employee pursuant to section 424(d) of the Code, owns stock possessing more than 10% of the total combined voting power of all classes of the stock of the Company or any of its Subsidiaries, the Option may not be exercised after the expiration of five (5) years from the Grant Date.

5.9 Grant of Reload Options. The Committee may provide in an Award Agreement that a Participant who exercises all or part of an Option by payment of the Exercise Price with already owned Shares, shall be granted an additional option (a "Reload Option") for a number of shares equal to the number of Shares tendered to exercise the previously granted Option plus, if the Committee so determines, any Shares withheld or delivered in satisfaction of any tax withholding requirements. As determined by the Committee, each Reload Option shall: (a) have a Grant Date which is the date as of which the previously granted Option is exercised, and (b) be exercisable on the same terms and conditions as the previously granted Option, except that the Exercise Price shall be determined as of the Grant Date.

5.10 Acceleration on Change of Control. Unless provided otherwise in the Award Agreement, if a Change of Control occurs, all outstanding Options granted under the Plan will become immediately exercisable to the extent of 100% of the Shares subject thereto notwithstanding any contrary exercise or vesting periods specified in this Plan.

6. Stock Appreciation Rights.  
-----

6.1 Grant of SARs. Subject to the terms and conditions of the Plan, a SAR may be granted to Employees and Consultants at any time and from time to time as shall be determined by the Committee, in its sole discretion. The Committee may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof. The Committee shall have complete discretion to determine

the number of SARs granted to any Participant.

6.1.1 Exercise Price and Other Terms. The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan. However, the exercise price of a Freestanding SAR shall be not less than twenty five percent (25%) of the Fair Market Value of a Share on the Grant Date. The exercise price of Tandem or Affiliated SARs shall equal the Exercise Price of the related Option. In no event shall a SAR granted to a Section 16 Person become exercisable until at least six (6) months after the Grant Date (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

6.2 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (a) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (b) the value of the payout with respect to the Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the Exercise Price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR shall be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

6.3 Exercise of Freestanding SARs. Freestanding SARs shall be exercisable on such terms and conditions as the Committee, in its sole discretion, shall determine. However, no SAR granted to a Section 16 Person shall be exercisable until at least six (6) months after the Grant Date (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

6.4 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

33

35

6.5 Expiration of SARs. A SAR granted under the Plan shall expire upon the date determined by the Committee, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 5.4 also shall apply to SARs.

6.6 Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times

(b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, payment for a SAR may be in cash, Shares or a combination thereof.

7. Restricted Stock  
-----

7.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Employees and Consultants in such amounts as the Committee, in its sole discretion, shall determine. The Committee, in its sole discretion, shall determine the number of Shares to be granted to each Participant.

7.2 Restricted Stock Agreement. Each Award of Restricted Stock shall be evidenced by an Award Agreement that shall specify the Period of Restriction, the number of Shares granted, any price to be paid for the Shares, and such other terms and conditions as the Committee, in its sole discretion, shall determine. Unless the Committee determines otherwise, Shares of Restricted Stock shall be held by the Company as escrow agent until the restrictions on such Shares have lapsed.

7.3 Transferability. Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction. In no event may the restrictions on Restricted Stock granted to a Section 16 Person lapse prior to six (6) months following the Grant Date.

7.4 Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate, in accordance with this Section 7.4. For example, the Committee may set restrictions based upon the achievement of specific performance objectives (Company-wide, divisional, or individual), applicable Federal or state securities laws, or any other basis determined by the Committee in its discretion. The Committee, in its discretion, may legend the certificates representing Restricted Stock to give appropriate notice of the restrictions applicable to such Shares.

7.5 Removal of Restrictions. Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall be released from escrow as soon as practicable after the last day of the Period of Restriction. The Committee, in its discretion, may accelerate the time at which any restrictions shall lapse, and remove any restrictions; provided, however, that the Period of Restriction on Shares granted to a Section 16 Person may not lapse until at least six (6) months after the Grant Date. After the restrictions have lapsed, the Participant shall be entitled to have any legend or legends under Section 7.4 removed from his or her Share certificate, and the Shares shall be freely transferable by the Participant.

7.6 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise provided in the Award Agreement.

7.7 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid. With respect to Restricted Stock granted to a Section 16 Person, any dividend or distribution that constitutes a "derivative security" or an "equity security" under Section 16 of the 1934 Act shall be subject to a Period of Restriction equal to the longer of: (a) the remaining Period of Restriction on the Shares of Restricted Stock with respect to which the dividend or distribution is paid; or (b) six (6) months.

7.8 Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed shall revert to the Company and again shall become available for grant under the Plan.

8. Performance Units and Performance Shares  
-----

8.1 Grant of Performance Units/Shares. Performance Units and Performance Shares may be granted to Employees and Consultants at any time and from time to time, as shall be determined by the Committee, in its sole discretion. The Committee shall have complete discretion in determining the number of Performance Units and Performance Shares granted to any Participant.

8.2 Initial Value. Each Performance Unit shall have an initial value that is established by the Committee on or before the Grant Date. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Grant Date.

8.3 Performance Objectives and Other Terms. The Committee shall set performance objectives in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Shares that will be paid out to the Participants. The Committee may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, or any other basis determined by the Committee in its discretion. The time period during which the performance objectives must be met shall be called the "Performance Period". Performance Periods of Awards granted to Section 16 Persons shall exceed six (6) months in length (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3). Each Award of Performance Units/Shares shall be evidenced by an Award Agreement that shall specify the Performance Period, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

8.4 Earning of Performance Units and Performance Shares. After the applicable Performance Period has ended, the Participant shall be entitled to receive a payout of the number of Performance Units or Shares earned during the Performance Period, depending upon the extent to which the applicable performance objectives have been achieved. After the grant of a Performance Unit or Share, the Committee, in its sole discretion, may reduce or waive any performance objectives for Award; provided that Performance Periods of Awards granted to Section 16 Persons shall not be less than six (6) months (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

8.5 Form and Timing of Payment. Payment of earned Performance Units or Performance Shares shall be made as soon as practicable after the expiration of the applicable Performance Period. The Committee, in its sole discretion, may pay earned Performance Units or Performance Shares in cash, Shares or a combination thereof

8.6 Cancellation. On the date set forth in the Award Agreement, all unearned or unvested Performance Units or Performance Shares shall be forfeited to the Company, and again shall be available for grant under the Plan.

9. Nonemployee Directors  
-----

9.1 Granting of Options. If any class of equity securities of the Company is registered under Section 12 of the 1934 Act, on the first trading day of each fiscal quarter of the Company, each Nonemployee Director will

## Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

automatically receive under the Plan a Nonqualified Stock Option to purchase 1,000 Shares. Future automatic grants will cease and be suspended at any time that there are not sufficient Shares available under the Plan.

### 9.2 Terms of Options.

9.2.1 Option Agreement. Each Option granted pursuant to this Section 9 shall be evidenced by a written stock option agreement which shall be executed by the Participant and the Company.

9.2.2 Exercise Price. The Exercise Price for the Shares subject to each Option granted pursuant to this Section 9 shall be 100% of the Fair Market Value of such Shares on the Grant Date.

9.2.3 Exercisability. Each Option granted pursuant to this Section 9 shall become exercisable in full one year after the date the Option is granted. If a Nonemployee Director incurs a Termination of Service for a reason other than Retirement, death or Disability, his or her Options which are not exercisable on the date of such Termination shall never become exercisable. If the Termination of Service is on account of Retirement, death or Disability, the Option shall become exercisable in full on the date of the Termination of Service.

35

37

9.2.4 Expiration of Options. Each Option shall terminate upon the first to occur of the following events:

- (a) The expiration of ten (10) years from the Grant Date; or
- (b) The expiration of three (3) months from the date of the Participant's Termination of Service for a reason other than death, Disability or Retirement; or
- (c) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of Disability or Retirement.

9.2.5 Death of Director. Notwithstanding Section 9.2.4, if a Director dies prior to the expiration of his or her options in accordance with Section 9.2.4, his or her options shall terminate one (1) year after the date of his or her death.

9.2.6 Special Rule for Retirement. Notwithstanding the provisions of Section 9.2.4, if the exercisability of an Option is accelerated under Section 9.2.3 on account of the Participant's Retirement, such Option shall terminate upon the first to occur of: (a) The expiration of ten (10) years from the date the Option was granted; or (b) the expiration of one year from the date of the Participant's death.

9.2.7 Not Incentive Stock Options. Options granted pursuant to this Section 9 shall not be designated as Incentive Stock Options.

9.2.8 Other Terms. All provisions of the Plan not inconsistent with this Section 9, including, but not limited to, Section 5.10, shall apply to Options granted to Nonemployee Directors; provided, however, that Section 5.2 (relating to the Committee's discretion to set the terms and conditions of Options) shall be inapplicable with respect to Nonemployee Directors.

9.3 Elections by Nonemployee Directors. Pursuant to such procedures as the Board (in its discretion) may adopt from time to time, each Nonemployee

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Director may elect to forego receipt of all or a portion of committee fees and meeting fees otherwise due to the Nonemployee Director in exchange for Shares. The number of Shares received by any Nonemployee Director shall equal the amount of foregone compensation divided by the Fair Market Value of a Share on the date that the compensation otherwise would have been paid to the Nonemployee Director, rounded up to the nearest whole number of Shares. The procedures adopted by the Board for elections under this Section 9.3 shall be designed to ensure that any such election by a Nonemployee Director will not disqualify him or her as a "non-employee director" under Rule 16b-3.

10. Section 162(m) Deduction Qualification.  
-----

Except as otherwise provided in Section 10.5, the provisions of this Section 10 shall apply only to Awards of Covered Officers.

10.1 Awards for Covered Officers. Any other provision of the Plan notwithstanding, all Awards to Covered Officers shall be made in a manner that allows for the full deductibility of the Award by the Company or its Subsidiaries under Section 162(m) of the Code. All Awards for Covered Officers shall comply with the provisions of this Section 10.

10.2 Designation of Covered Officers. For each Performance Period, the Committee will designate which Participants are Covered Officers prior to the completion of 25% of the Performance Period (or such earlier or later date as is permitted or required by Section 162(m) of the Code).

10.3 Establishment of Performance Goals and Awards for Covered Officers. Prior to the completion of 25% of a Performance Period (or such earlier or later date as is permitted or required by Section 162(m) of the Code), the Committee shall in its sole discretion, for each such Performance Period: (a) determine and establish in writing one or more Performance Goals applicable to the Performance Period for each Covered Officer; and (b) either (i) assign each Covered Officer a target Award expressed as a fixed number of Shares or a whole dollar amount or (ii) establish a payout table or formula for purposes of determining the Award payable to each Covered Officer. Each payout table or formula: (a) shall be in writing; (b) shall be based on a comparison of actual performance to the Performance Goals; (c) may include a "floor" which is the level of achievement of the Performance Goal in which payout begins; and (d) shall provide for an actual Award equal to or less than the Covered Officer's target Award, depending on the extent to which actual performance approached or reached the Performance Goal. Such preestablished Performance Goals and Awards must state, in terms of an objective formula or standard, the method for computing the amount of the Award payable to each Covered Officer if the Performance Goal is met. A formula or standard is objective if a third party having knowledge of the relevant performance results could calculate the amount to be paid to the Covered Officer. The Committee may establish any number of Performance Periods, Performance Goals and Awards for any Covered Officer

running concurrently, in whole or in part, provided, that in so doing the Committee does not jeopardize the Company's deduction for such Awards under Section 162(m) of the Code. The Committee may select different Performance Goals and Awards for different Covered Officers.

10.4 Certification of Achievement of Performance Goals and Amount of Awards. After the end of each Performance Period, or such earlier date if the Performance Goals are achieved, the Committee shall certify in writing, prior to

the unconditional payment of any Award, that the Performance Goals for the Performance Period and all other material terms of the Plan were satisfied and to what extent they were satisfied. The Committee shall determine the actual Award for each Covered Officer based on the payout table/formula established in Section 10.3, as the case may be. Extraordinary Events shall either be excluded or included in determining the extent to which the corresponding Performance Goal has been achieved, whichever will produce the higher Award, provided, however, notwithstanding the attainment of specified Performance Goals, the Committee has the discretion to reduce or eliminate an Award that would otherwise be paid to any Participant, including any Covered Officer, based on the Committee's evaluation of Extraordinary Events or other factors. Without limiting the manner of computing Awards set forth in the preceding sentence, with respect to Covered Officers, the Committee may not under any circumstances increase the amount of an Award.

10.5 Maximum Award. Any other provision of the Plan notwithstanding, the maximum aggregate Awards payable to any Participant under the Plan for any Performance Period shall not exceed two million five hundred thousand (2,500,000) Shares, which maximum number of Shares shall be adjusted pursuant to Section 4.3.

11. Miscellaneous

-----

11.1 Forfeiture. Notwithstanding anything in the Plan or in any Award Agreement to the contrary, in the event of a breach of conduct by a Participant or former Participant (including, without limitation, any conduct prejudicial to or in conflict with the Company or an Affiliate), or any activity of a Participant or former Participant in competition with any of the businesses of the Company or an Affiliate, the Committee may (a) cancel any outstanding Award granted to the Participant, in whole or in part, whether or not vested, and/or (b) if such conduct or activity occurs within one year following the exercise or payment of an Award, require the former Participant to repay to the Company any gain realized or payment received upon the exercise or payment of such Award (with such gain or repayment valued as of the date of exercise or payment). Such cancellation or repayment obligation shall be effective as of the date specified by the Committee. Any repayment obligation may be satisfied in Shares or cash or a combination thereof (based upon the Fair Market Value of the Shares on the day prior to the date of payment), and the Committee may provide for an offset to any future payments owed by the Company or Affiliate to such individual if necessary to satisfy the repayment obligation. The determination of whether any Participant or former Participant has engaged in a breach of conduct or any activity in competition with any of the businesses of the Company or an Affiliate shall be determined by the Committee in good faith and in its sole discretion.

11.2 No Effect on Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, with or without cause. For purposes of the Plan, transfer of employment of a Participant between the Company and any one of its Affiliates (or between Affiliates) shall not be deemed a Termination of Service. Unless there is a written agreement between the Employee and the Company or an Affiliate to the contrary, employment of an Employee with the Company and its Affiliates is on an at-will basis only.

11.3 Participation. No Employee or Consultant shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

11.4 Indemnification. Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be

imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or Code of Regulations, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

11.5 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

11.6 Beneficiary Designations. If permitted by the Committee, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

11.7 Nontransferability of Awards; Unfunded Plan. No Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution, or to the limited extent provided in Section 11.5. All rights with respect to an Award granted to a Participant shall be available during his or her lifetime only to the Participant. Notwithstanding the foregoing, to the extent provided in the applicable Award Agreement, a Participant may transfer a Nonqualified Stock Option either (a) to members of his or her immediate family (as defined in Rule 16a-1 promulgated under the 1934 Act), to one or more trusts for the benefit of such family members, or to partnerships or other entities in which such family members are the only partners or owners, provided that the Participant does not receive any consideration for the transfer, or (b) if such transfer is approved by the Committee. If such transfer is permitted under the Award Agreement, any Nonqualified Stock Option held by such transferees are subject to the same terms and conditions that applied to such Nonqualified Stock Options immediately prior to transfer based on the transferor Participant's continuing relationship with the Company. It is intended that the Plan be an "unfunded" plan for incentive compensation. The Plan does not give a Participant any interest, lien or claim against any specific asset of the Company. No Participant or beneficiary shall have any rights under this Plan other than as a general unsecured creditor of the Company.

11.8 No Rights as Shareholder. Except to the limited extent provided in Sections 7.6 and 7.7, no Participant (nor any beneficiary) shall have any of the rights or privileges of a shareholder of the Company with respect to any Shares issuable pursuant to an Award (or exercise thereof), unless and until

certificates representing such Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the Participant (or beneficiary).

11.9 Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

11.10 Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement shall be deemed to include any amount which the Committee determines, not to exceed the amount determined by using the minimum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered shall be determined as of the date that the taxes are required to be withheld.

11.11 Deferrals. The Committee, in its sole discretion, may permit a Participant to defer receipt of the payment of cash or the delivery of Shares that would otherwise be delivered to a Participant under the Plan. Any such deferral elections shall be subject to such rules and procedures as shall be determined by the Committee in its sole discretion.

12. Amendment, Termination and Duration  
-----

12.1 Amendment, Suspension, or Termination. The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. However, if and to the extent required to maintain the Plan's qualification under applicable law or stock exchange regulation, any such amendment shall be subject to shareholder approval. In addition, as required by Rule 16b-3, the provisions of Section 9 regarding the formula for determining the amount, exercise price, and timing of Nonemployee Director Options shall in no event be amended more than once every six (6) months, other than to comport with changes in the Code. The amendment, suspension, or

termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award previously granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

12.2 Duration of the Plan. The Plan shall commence on the date specified herein, and subject to Section 12.1 (regarding the Board's right to amend or terminate the Plan), shall remain in effect thereafter. However, without further shareholder approval, no Incentive Stock Option may be granted under the Plan after December 4, 2010.

13.2 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

13.3 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

13.4 Compliance with Rule 16b-3. Transactions under this Plan with respect to Section 16 Persons are intended to comply with all applicable conditions of Rule 16b-3.
