Proxy Statement

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

The Annual Meeting of Stockholders of The Adams Express Company, a Maryland corporation (the "Company"), will be held Tuesday, March 27, 2001, for the purposes set forth in the accompanying Notice of Annual Meeting. This statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at such meeting and at any and all adjournments thereof and is first being sent to stockholders on or about February 23, 2001.

At the Annual Meeting, action is to be taken on (a) the election of a Board of Directors; (b) the ratification of the selection of independent accountants; and (c) the transaction of such other business as may properly come before the meeting.

Except for Proposals (a) and (b) referred to above, the proxies confer discretionary authority on the persons named therein or their substitutes with respect to any business that may properly come before the meeting. Stockholders retain the right to revoke executed proxies at any time before they are voted by written notice to the Company, by executing a later dated proxy, or by appearing and voting at the meeting. All shares represented at the meeting by proxies in the accompanying form will be voted, provided that such proxies are properly signed. In cases where a choice is indicated, the shares represented will be voted in accordance with the specifications so made. In cases where no specifications are made, the shares represented will be voted for the election of directors and for Proposal (b) referred to above. Under Maryland law, there are no appraisal or other dissenter rights with respect to any matter to be voted on at the Annual Meeting that is described herein.

The Company will pay all costs of soliciting proxies in the accompanying form. See "Other Matters" below. Solicitation will be made by mail, and officers, regular employees, and agents of the Company may also solicit proxies by telephone or personal interview. The Company expects to request brokers and nominees who hold stock in their names to furnish this proxy material to their customers and to solicit proxies from them, and will reimburse such brokers and nominees for their out-of-pocket and reasonable clerical expenses in connection therewith.

Shares Outstanding and Entitled to be Voted at Meeting

Only stockholders of record at the close of business February 16, 2001, may vote at the Annual Meeting. The total number of shares of Common Stock of the Company outstanding and entitled to be voted on the record date was 81,958,362. Each share is entitled to one vote. The Company has no other class of security outstanding. For Proposal (a), referred to above, directors shall be elected by a plurality of the votes cast at the meeting. Proposal (b) referred to above requires the affirmative vote of a majority of the votes cast at the meeting. Unless otherwise required by the Company's Articles of Incorporation or By-laws, or by applicable Maryland law, any other matter properly presented for a vote at the meeting will require the affirmative vote of a majority of the votes cast at this meeting. Proxies received by the Company that are marked "withhold authority" or abstain, or that constitute a broker non-vote, are counted as present for purposes of determining a quorum at the meeting. Broker non-votes are shares held in the name of a broker or nominee for which the broker or nominee indicates that instructions have not been received from the beneficial owner or person entitled to vote and the broker or nominee does

not have discretionary voting power. Proxies marked "withhold authority",

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

abstentions and broker non-votes do not count as votes cast with respect to any proposal, and therefore, such proxies would have no effect on the outcome of Proposals (a) and (b), above.

As of December 31, 2000, the Company knows of no person or group of persons that owns beneficially more than 5 percent of the outstanding Common Stock of the Company, except as set forth immediately below. According to a Schedule 13G filed with the Securities and Exchange Commission on January 30, 2001, Erik E. Bergstrom and related persons, directly and indirectly, own 5,292,950 shares of Common Stock of the Company, which represents 6.45% of the Company's outstanding Common Stock. Mr. Bergstrom disclaimed beneficial ownership of certain of these shares. Mr. Bergstrom's address is P.O. Box 126, Palo Alto, CA 94302.

(a) NOMINEES FOR ELECTION AS DIRECTORS

The directors elected will serve until the next annual meeting or until their successors are elected, except as otherwise provided in the By-laws of the Company.

The Board has adopted a written charter under which the Audit Committee operates, which was most recently amended in January 2001. A copy of the written charter is attached as an appendix hereto. Set forth below is the report of the Audit Committee:

Audit Committee Report

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in the 2000 Annual Report of the Company with the Company's management and the independent auditors.

6

The Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the written disclosures submitted to the Committee by the independent auditors as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial

Messrs. Arzac, MacCallan, Neff, Ober*, and Roberts, and Ms. Schwab, constitute the membership of the Board's standing Executive Committee, which met twice during 2000. The Committee has the authority of the Board of Directors between meetings of the Board except as limited by law, the Company's By-laws, or Board resolution. The Executive Committee also performs the duties of a nominating committee. It recommends to the full Board candidates for directorship. It is the policy of the Executive Committee not to consider unsolicited nominations for director.

Retirement Benefits Committee

Messrs. Arzac, Emerson, Peters, Roberts, and Wilson are the director members of the standing Retirement Benefits Committee of the Company, which administers the Employees' Retirement Plan, Supplemental Retirement Plan and the Employee Thrift Plan of the Company. This Committee met once during 2000.

Board of Directors Compensation

During 2000, each director who is not an interested person received an annual retainer fee of \$10,000 and a fee of \$500 for each Board meeting attended. All members of each Committee, except executive officers and/or interested persons, receive an additional annual retainer fee of \$1,500 for each committee membership and a fee of \$500 for each meeting attended; the Chairman of each committee, except for the Executive Committee, receives an additional fee of \$500 for each committee meeting attended. The total amount of fees paid to "disinterested person" directors in 2000 was \$188,750.

* Mr. Ober is an "interested person."

Transactions with Petroleum & Resources Corporation

The Company shares certain expenses with Petroleum, of which all of the

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

above-named nominees are also directors. Prior to April 1, 2000, these expenses were initially paid by the Company, which was reimbursed by Petroleum either in proportion to the size of the respective investment portfolios of the two companies or, where possible, on an actual usage basis. In 2000, Petroleum's share of such expenses that were handled in this fashion was \$125,083 for research, accounting services and other office services (including proportionate salaries and other employee benefits), rent and related expenses, and miscellaneous expenses such as office supplies, postage, subscriptions and travel. Beginning on April 1, 2000, such expenses were paid by the Company and, on the date the payment was made, Petroleum simultaneously paid to the Company its allocated share of such expenses.

Audit Fees

The aggregate fees billed by the Company's independent auditors, PricewaterhouseCoopers LLP, for professional services rendered for the audits of the Company's annual and semi-annual financial statements for 2000 and the reviews of the financial statements contained in the First and Third Quarter reports in 2000 was \$47,293.

No such fees were billed to the Company by its auditors during 2000.

All Other Fees

The aggregate fees billed for services to the Company by PricewaterhouseCoopers LLP, other than the services referenced above, for 2000 was \$8,839.

The Board's Audit Committee has considered the provision by PricewaterhouseCoopers LLP of the services covered in this All Other Fees section and found that they are compatible with maintaining PricewaterhouseCoopers LLP's independence.

(1) Of the amounts shown, direct salaries paid by the Company to Messrs. Ober, Truta and Koloski were \$272,550, \$181,700, and \$69,000, respectively.

(2) Of the Company's direct salaries, \$8,297 for Mr. Ober, \$8,295 for Mr. Truta, and \$3,150 for Mr. Koloski, was deferred compensation under the Company's Employee Thrift Plan. Under the Employee Thrift Plan, the Company also makes contributions to match the contributions made by eligible employees (see "Employee Thrift Plan" below). Of the amounts shown, \$16,594, \$16,590, and \$6,300 were plan contributions for Messrs. Ober, Truta, and Koloski, respectively. The non-employee Directors do not participate in the Employee Thrift Plan.

(3) Of the amounts shown, \$197,500, \$114,550, and \$63,000 were incentive compensation accrued for Messrs. Ober, Truta, and Koloski, respectively, in 2000 and deferred until January 2001.

(4) In addition, \$177,855 for Mr. Ober, \$400,464 for Mr. Truta, and \$238,923 for Mr. Koloski was the net gain realized by them upon the exercise of stock appreciation rights during 2000 granted under the Company's Stock Option Plan (see "Stock Option Plan" below). These sums are in addition to the aggregate remuneration amounts shown in this summary table.

(5) The Company has a noncontributory Employees' Retirement Plan. No contributions were made by the Company to this plan in 2000.

Messrs. Ober, Truta, and Koloski also received direct salaries, deferred compensation, thrift plan contributions, and incentive compensation from Petroleum, which amounts were included in this summary table in years prior to 1999.

Stock Option Plan

On December 12, 1985, the Company's Board of Directors adopted a Stock Option Plan (the "Plan"), which was approved by the stockholders at the March 26, 1986 Annual Meeting of Stockholders and amended at the March 29, 1994 Annual Meeting of Stockholders. The Plan provides for the grant to "key employees" (as defined in the Plan) of options to purchase shares of Common Stock of the Company, together with related stock appreciation rights. As of December 31, 2000, (i) the number of shares subject to outstanding options

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

under the Plan was 339,403 and (ii) the number of shares available for future grants under the Plan was 1,310,585, in each case as adjusted to reflect the 3-for-2 stock split effected by the Company on October 19, 2000. All options granted or to be granted under the Plan currently will be treated as non-qualified stock options under the Internal Revenue Code. The Plan is administered by the Compensation Committee of the Board of Directors, which consists of four members of the Board, none of whom is eligible to receive grants under the Plan. The grant of options is at the discretion of the Compensation Committee.

The Plan provides that, among other things, (a) the option price per share shall not be less than the fair market value of the Common Stock at the date of grant, except that the option price per share will be reduced after grant of the option to reflect capital gains distributions to the Company's stockholders, provided that no such reduction shall be made which will reduce the option price below 25% of the original option price; (b) an option will not become exercisable until the optionee shall have remained in the employ of the Company for at least one year after the date of grant and may be exercised for 10 years unless an earlier expiration date is stated in the option; and (c) no option or stock appreciation right shall be granted after December 8, 2003.

The Plan permits the grant of stock appreciation rights in conjunction with the grant of an option, either at the time of the option grant or thereafter during its term and in respect of all or part of such option. Stock appreciation rights permit an optionee to request to receive (a) shares of Common Stock of the Company with a fair market value, at the time of exercise, equal to the amount by which the fair market value of all shares subject to the option in respect of which such stock appreciation right was granted exceeds the exercise price of such option, (b) in lieu of such shares, the fair market value thereof in cash, or (c) a combination of shares and cash. Stock appreciation rights are exercisable beginning no earlier than two years after the date of grant and extend over the period during which the related option is exercisable. To the extent a stock appreciation right is exercised in whole or in part, the option in respect of which such stock appreciation right was granted shall terminate and cease to be exercisable.

No disposition of shares of Common Stock acquired as the result of the exercise of an option or stock appreciation right may be made within the later of two years of the date of grant of the option and one year of the acquisition of such shares.

Employee Thrift Plan

Employees of the Company who have completed six months of service may elect to have 2% to 6% of their base salary deferred as a contribution to a thrift plan instead of being paid to them currently (see table set forth on page 9 regarding 2000 contributions for the officers and directors identified therein). The Company (subject to certain limitations) contributes for each employee out of net investment income an amount equal to 200% of each employee's contribution or to the maximum permitted by law. Employees may also contribute an additional 10% of base salary to the thrift plan, but these post-tax contributions are not matched by the Company. All employee contributions are credited to the employee's individual account. Employees may elect that their salary deferral and other contributions be invested in a money market fund, an intermediate bond fund, Common Stock of the Company or of Petroleum, or a

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

combination thereof. The Company's contributions are invested entirely in its Common Stock. An employee's interest in amounts derived from the Company's contributions becomes non-forfeitable upon completion of 36 months of service or upon death or retirement. Payments of amounts not withdrawn or forfeited under the thrift plan may be made upon retirement or other termination of employment in a single distribution, in ten equal installments, or in an annuity.

Employees' Retirement Plan

The employees of the Company with one or more years of service participate in a retirement plan pursuant to which contributions are made solely by the Company on behalf of, and benefits are provided for, employees meeting certain age and service requirements. The plan provides for the payment of benefits in the event of an employee's retirement at age 62 or older. Upon such retirement, the amount of the retirement benefit is 2% of an employee's final thirty-six months average annual salary, including incentive compensation, multiplied by years of service. Retirement benefits cannot exceed 55% of the final thirty-six months' average annual salary including incentive compensation. Benefits are payable in several alternative methods, each of which must be the actuarial equivalent of a pension payable for the life of the employee only. Retirement benefits (subject to any applicable reduction) are also payable in the event of an employee's early or deferred retirement, disability or death. Contributions are made to a trust to fund these benefits.

On March 10, 1988, the Board of Directors of the Company unanimously approved a supplemental retirement benefits plan (the "Supplemental Plan") for employees of the Company. On June 11, 1998, the Supplemental Plan was amended and restated as of January 1, 1998. The purpose of the Supplemental Plan is to provide deferred compensation in excess of benefit limitations imposed by the Internal Revenue Code on tax-qualified defined benefit plans, including the retirement plan of the Company described above. In accordance with such limitations, the annual benefit payable under the Company's retirement plan may not exceed the lesser of \$140,000 for 2001 and the employee's average total compensation paid during the three highest-paid consecutive calendar years of employment. The \$140,000 limit will be adjusted by the Secretary of the Treasury to reflect cost-of-living increases.

The Supplemental Plan authorizes the Company to pay annual retirement benefits in an amount equal to the difference between the maximum benefits payable under such retirement plan and the benefits that would otherwise be payable but for the Internal Revenue Code's limitations on annual retirement benefits. All amounts payable under the Supplemental Plan will be paid from the general funds of the Company as benefits become due. The Company has established a funding vehicle using life insurance policies owned by the Company for the Supplemental Plan. Payment of benefits under the Supplemental Plan will be made concurrently with and in the same form as payment of benefits under the Company's retirement plan. During 2000, the Company made payments of \$18,844 under the Supplemental Plan.

Brokerage Commissions

During the past fiscal year, the Company paid brokerage commissions in the amount of \$581,811 on the purchase and sale of portfolio securities traded on the New York Stock Exchange and the American Stock Exchange, substantially all of which were paid to brokers providing research and other investment services to the Company. The average per share commission rate paid by the Company was \$0.0606. No commissions were paid to an affiliated broker.

Portfolio Turnover

The portfolio turnover rate (purchases or sales, whichever is lower, as a percentage of weighted average portfolio value) for the past three years has been as follows:

2000	1999	1998
